CalRecycle Illegal Dumping & Illegal Disposal Site Guidance and Resource Documents

CalRecycle is announcing the new *CalRecycle Illegal Dumping & Illegal Disposal Site Guidance* and resource documents. These documents can be accessed by navigating to the following links:

From the [LEA Central webpage](#):

- See 'News & Activities' section for the [Guidance for LEAs on Illegal Dumping and Illegal Disposal Sites](#) document (also attached).
- Under the 'Services' section, select '[Cleanup](#)', then navigate to the CalRecycle-Managed Remediation webpage for the [CalRecycle-Managed Remediation Guidance Document](#) (also attached).

On the CalRecycle/IDTAC [Illegal Dumping Resources Toolbox webpage](#):

- See [Resources to Cleanup Trash Pollution](#) doc on the main page (also attached). This document was primarily created for the general public.

Questions or feedback about these documents can be directed to [IllegalDumping@calrecycle.ca.gov](mailto:IllegalDumping@calrecycle.ca.gov).

Please note the [Solid Waste Site Cleanup Program Brochure](#) is also published on the [program webpage](#).

*This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.*
