

PROTECTING CALIFORNIANS FROM ACCIDENTAL NEEDLE STICK INJURIES AND POTENTIAL DISEASE.

CALIFORNIANS CAN NOW GET RID OF SHARPS WASTE INCLUDING USED NEEDLES, LANCETS AND SYRINGES IN AN EASY, CONVENTIENT AND *FREE* WAY

"Just place it in and mail it .. quick, easy and at *no cost**"

"Sharps containers will be provided when you purchase needles and can be requested online and over the phone. By properly disposing of sharps waste, you can protect fellow Californians"
