BACKGROUND AND PURPOSE

1. The California Department of Resources Recycling and Recovery is hereinafter referred to as "CalRecycle."
- 1.1 CalRecycle, in consultation with the California Air Resources Board, adopted regulatory requirements, consistent with the mandate of Senate Bill 1383 (Lara, Chapter 395, Statutes of 2016), that are designed to achieve the organic waste reduction goals established in section 39730.6 of the Health and Safety Code through a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2025. The purpose of these reductions is to further the statewide effort to reduce emissions of short-lived climate pollutants (SLCP), including methane. These SLCP regulations are referred to hereinafter as the "Regulations" and can be found at Title 14 California Code of Regulations (CCR) sections 18981.1 through 18998.4. Cities, counties, and special districts are responsible for implementing these Regulations in their communities starting January 1, 2022.
- 1.2 The City of Solvang is hereinafter referred to as "Jurisdiction." Jurisdiction is required to comply with the Regulations.
- 1.3 Jurisdiction is or expects to be facing continuing violations of the Regulations commencing during the 2022 calendar year, which could result in significant administrative civil penalties under the Regulations.
- 1.4 Senate Bill 619 (Laird, Chapter 508, Statutes of 2021), through amendments to section 42652.5 of the Public Resources Code (PRC), created a mechanism called

a Notification of Intent to Comply through which a local jurisdiction may secure administrative civil penalty relief from any continuing violations of the Regulations for the 2022 calendar year and may be eligible for a broader and longer-term regulatory compliance path, including suspended administrative civil penalties, through a Corrective Action Plan.

- 1.5 Under PRC section 42652.5(e), the Notification of Intent to Comply must include a description of proposed actions to remedy the violations, as well as a proposed schedule for those actions, that the Jurisdiction commits to undertake to remedy the violations.
- 1.6 The Notification of Intent to Comply is hereinafter referred to as "Notification."
- 1.7 For violations taking more than 180 days to correct, PRC section 42652.2 allows CalRecycle to determine, in its sole discretion, that violations identified in a Notification may be addressed through a Corrective Action Plan issued pursuant to 14 CCR section 18996.2.
- 1.8 The Corrective Action Plan is hereinafter referred to as "CAP."
- 1.9 For violations disclosed in the Notification approved by CalRecycle as meeting the requirements of PRC section 42652.5(e), CalRecycle shall waive administrative civil penalties during the 2022 calendar year if the Jurisdiction implements the proposed actions according to the approved Notification's schedule of actions and, as applicable, approved CAP schedule of actions.
- 1.10 For violations disclosed in the Notification that commence during the 2022 calendar year and continue into the 2023 calendar year, administrative civil penalties may begin accruing as of January 1, 2023. SB 619 provides administrative civil penalties accruing on and after January 1, 2023, shall be waived upon complete compliance with an approved CAP schedule of action.

#### DETERMINATION OF VIOLATIONS

2. As authorized by PRC section 42652.5(c), the Jurisdiction notified CalRecycle of its ongoing or anticipated violations of the Regulations and the PRC through a Notification submitted March 1, 2022.

- 2.2.1 The Jurisdiction is and has been in violation of 14 CCR section 18985.2 in that since February 1, 2022, the Jurisdiction has not developed a list of food recovery organizations and food recovery services operating within the jurisdiction or maintained the list on the jurisdiction's website.
  - 2.2.2 The Jurisdiction is and has been in violation of 14 CCR section 18985.2 in that since February 1, 2022, the Jurisdiction has not provided education and outreach to commercial edible food generators, or the information provided did not comply with the requirements.
  - 2.2.3 The Jurisdiction is and has been in violation of 14 CCR, section 18985.3 in that since January 1, 2022, with respect to edible food recovery education and outreach, the Jurisdiction has not included all relevant documents supporting compliance with Article 4 (Education and Outreach) of the Regulations in the Implementation Record as required by section 18995.2.

    - b. Increase commercial edible food generator access to food recovery organizations and food recovery services.
    - c. Monitor commercial edible food generator compliance as required in Article 14 of the Regulations.
    - d. Increase edible food recovery capacity if the analysis required by section 18992.2 indicates that the jurisdiction does not have sufficient capacity to meet its edible food recovery needs.
  - 2.2.5 The Jurisdiction is and has been in violation of 14 CCR section 18991.2 in that since January 1, 2022, the Jurisdiction has not included all documents supporting compliance with section 18991.1 in the Implementation Record required by section 18995.2.
  - 2.2.1 The Jurisdiction is and has been in violation of 14 CCR section 18993.1 in that since January 1, 2022, the Jurisdiction has not procured recovered organic waste products to meet or exceed its current annual recovered organic waste product procurement target.
  - 2.2.6 The Jurisdiction is and has been in violation of 14 CCR section 18993.2 in that since January 1, 2022, the Jurisdiction has not included all documents supporting its compliance with Article 12 of the Regulations in the implementation record required by section 18995.2.
  - 2.2.7 The Jurisdiction is and has been in violation of 14 CCR section 18995.1 in that since January 1, 2022, the Jurisdiction has not established an inspection

and enforcement program designed to ensure overall compliance with the Regulations.

- 2.2.8 The Jurisdiction is and has been in violation of Title 14 CCR section 18995.1 in that since January 1, 2022, the Jurisdiction has not conducted inspections of Tier One commercial edible food generators and food recovery organizations and services for compliance.
  - 2.2.9 The Jurisdiction is and has been in violation of Title 14 CCR section 18995.1 in that since January 1, 2022, the Jurisdiction has not provided educational material describing the applicable requirements in response to violations.
  - 2.2.10 The Jurisdiction is and has been in violation of Title 14 CCR section 18995.2 in that since January 1, 2022, the Jurisdiction has not maintained all records required in the Implementation Record.

- 2.3 CalRecycle accepted the Jurisdiction's self-reported Notification and characterization of its violations therein. CalRecycle has not undertaken a compliance review of Jurisdiction, and thus CalRecycle's approval of the Notification or this CAP should not be taken as an indication that Jurisdiction is in full compliance with Regulations in other respects. CalRecycle will be undertaking a compliance review of all jurisdictions in the future.

### SCHEDULE FOR COMPLIANCE

3. Based on the foregoing DETERMINATION OF VIOLATIONS, CalRecycle finds that:
- a. The Jurisdiction worked with CalRecycle to develop this CAP, which includes schedule of actions necessary for the Jurisdiction to achieve address the violations disclosed in the Notification and described in Section 2 (Determination of Violations) above.
  - b. CalRecycle hereby approves and issues this CAP pursuant to PRC section 42652.5(c)-(e) and Title 14 CCR section 18996.2.

The oversight period may be extended at the discretion of CalRecycle if any extensions to the Schedule are granted as described below in Sections 4.4 and 4.5.
  - e. During the oversight period, the Jurisdiction will submit status reports to CalRecycle and attend status meetings with CalRecycle to demonstrate the

ongoing progress the Jurisdiction is making on remedying the violations described above.

- f. During the oversight period, the Jurisdiction will provide bimonthly status reports to CalRecycle:

At any time prior to the conclusion of the oversight period, if CalRecycle determines the Jurisdiction has failed to implement the programs identified in the Notification and CAP, has failed to participate in status reporting during the oversight period, has substantially misrepresented its progress in status

reporting, or has substantially failed to make interim progress on Tasks set out in Section 3.2 for four consecutive reporting periods, CalRecycle may immediately issue a notice revoking its approval of the Notification and CAP and indicating its intent to impose penalties as provided in PRC section 42652.5. Title 14 CCR sections 18997.3, 18997.5, and 18997.6 and PRC section 42652.5 governs the process and considerations CalRecycle will utilize in calculating and assessing administrative civil penalties against the Jurisdiction, which may be up to \$10,000 per day per violation.

4. Communications. All approvals and decisions of CalRecycle regarding notifications will be communicated to the Jurisdiction in writing by the Branch Chief, Jurisdiction and Agency Compliance and Enforcement Branch, Waste Permitting, Compliance and Mitigation Division, or the Branch Chief's designee. No formal advice, guidance, suggestions, or comments by CalRecycle regarding reports, plans, specifications, schedules, or any other writings by Jurisdiction shall be construed to relieve the Jurisdiction of the obligation to obtain such formal approvals as may be required.

4.1 Submittal. All reporting from the Jurisdiction described in section 3 (Schedule for Compliance), paragraph 3.f, shall be submitted through an online portal or compliance module developed by CalRecycle with instructions provided to Jurisdiction. All other communications from the Jurisdiction according to this CAP shall be sent in writing electronically to:

Amanda Jacobsen  
Amanda.Jacobsen@calrecycle.ca.gov

4.2 Compliance Review. At the end of the oversight period or at any time deemed appropriate by CalRecycle, CalRecycle will meet with the Jurisdiction to assess the Jurisdiction's CAP implementation efforts and to determine whether or not the Jurisdiction has timely complied with all commitments in all sections of this CAP. If requested by the Jurisdiction, CalRecycle has discretion to issue notice of a hearing at any time upon its staff's recommendation that the Jurisdiction has completed the conditions of the CAP. In accordance with PRC section 42652.5, failure to implement programs and or comply with all sections of the CAP at any time may result in CalRecycle's revocation of its approval of the Notification and CAP and imposition of administrative civil penalties retroactively to the date of violation in 2022, for administrative civil penalties accruing in 2023, and for administrative civil penalties accruing during any other additional time covered by the Notification and CAP. These potentially applicable penalties are described in Section 5.0 of this CAP.

4.3 CalRecycle Review and Approval: If CalRecycle determines that any report, plan, schedule, or other document submitted for approval pursuant to this CAP fails to comply with the Notification as amended by this CAP or fails to achieve successful implementation of the Regulations, CalRecycle may:

- a. Amend the CAP as appropriate to remedy the violations of the Regulations expeditiously, and/or
- b. Serve a notice that CalRecycle will revoke approval of the Notification and consider the imposition of penalties in accordance with Title 14 CCR sections 18997.3, 18997.5, and 18997.6.

4.4 Extension Request and Other Task Modification Requests: If the Jurisdiction determines that it will be unable to perform any activity or submit any document

within the time required under this CAP, the Jurisdiction may, as far in advance of the due date as possible, request an extension of time in writing. The extension request shall include a justification for the delay. If the Jurisdiction finds that a task required by this CAP in Section 3.1 is not feasible, despite the Jurisdiction's best and substantial efforts, the Jurisdiction may propose an alternative task that is substantially similar or equally effective to the original task, subject to the approval of CalRecycle. The modification request shall include an explanation of the infeasibility, an explanation of how the alternative task is substantially similar or equally effective, and a justification for any extension of time associated with the change.

- 4.5 Extension and Other Task Modification Approvals: If CalRecycle determines that good cause exists for an extension, considering the factors set out in Title 14 CCR section 18996.2(a)(2), it will grant an extension as appropriate and specify in writing a new compliance schedule. If CalRecycle determines that good cause exists for the change in task because the original task is infeasible and the alternative task is substantially similar or equally effective, it will grant an approval and extension as appropriate and specify in writing the new task; additionally, if CalRecycle determines that good cause exists for any extension associated with the change in task, considering the factors set out in Title 14 CCR section 18996.2(a)(2), it will grant an extension as appropriate and specify in writing a new compliance schedule.
- 4.6 Compliance with Applicable Laws: The Jurisdiction shall carry out this CAP in compliance with all Local, State, and Federal requirements, including but not limited to requirements to obtain necessary permits.
- 4.7 Liability: Nothing in this CAP shall constitute or be construed as a satisfaction or release from liability for any conditions or claims arising as a result of past, current, or future operations of the Jurisdiction, including for violations of the Regulations that were not disclosed in the Notification and any violations of the Regulations that the Jurisdiction fails to remedy notwithstanding commitments in the Notification and this CAP.
- 4.8 Government Liabilities: The State of California and CalRecycle shall not be liable for injuries or damages to persons or property resulting from acts or omissions in carrying out activities pursuant to this CAP, nor shall the State of California be held as a party to any contract entered into by the Jurisdiction or its agents in carrying out activities pursuant to the CAP. On June 15, 2023, the City of Solvang requested an amendment to part of their timeline for Corrective Action Plan No. 1470.SLCP.CAP.2023.3. The City of Solvang only requested a change in the timelines, not a change in the task requirements. The justification provided for the timeline amendments are included in the attached request.

**Requested Changes to Timelines:**

<b>Task #</b>	<b>Original Date</b>	<b>Amended Date</b>
8	6/30/2023	11/30/2023

The impacted tasks do not affect the final completion date of the Corrective Action Plan. Therefore, the request is approved. The amendment will be included as an addendum to the March 1, 2023 Corrective Action Plan No. 1470.SLCP.CAP.2023.3.
