Department of Resources Recycling and Recovery
1001 I Street
Sacramento, CA 95814

In the Matter of: Garden Grove Sanitary District
11222 Acacia Parkway
Garden Grove, CA 92840

BACKGROUND AND PURPOSE

1. The California Department of Resources Recycling and Recovery is hereinafter after referred to as "CalRecycle."
- 1.1 CalRecycle, in consultation with the California Air Resources Board, adopted regulatory requirements, consistent with the mandate of Senate Bill 1383 (Lara, Chapter 395, Statutes of 2016), that are designed to achieve the organic waste reduction goals established in section 39730.6 of the Health and Safety Code through a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2025. The purpose of these reductions is to further the statewide effort to reduce emissions of short-lived climate pollutants (SLCP), including methane. These SLCP regulations are referred to hereinafter as the "Regulations" and can be found at Title 14 California Code of Regulations (CCR) sections 18981.1 through 18998.4. Cities, counties, and special districts are responsible for implementing these Regulations in their communities starting January 1, 2022.
- 1.2 Garden Grove Sanitary District is hereinafter after referred to as "Jurisdiction." Jurisdiction is required to comply with the Regulations.
- 1.3 Jurisdiction is or expects to be facing continuing violations of the Regulations commencing during the 2022 calendar year, which could result in significant administrative civil penalties under the Regulations.
- 1.4 Senate Bill 619 (Laird, Chapter 508, Statutes of 2021), through amendments to section 42652.5 of the Public Resources Code (PRC), created a mechanism called

a Notification of Intent to Comply through which a local jurisdiction may secure administrative civil penalty relief from any continuing violations of the Regulations for the 2022 calendar year and may be eligible for a broader and longer-term regulatory compliance path, including suspended administrative civil penalties, through a Corrective Action Plan.

- 1.5 Under PRC section 42652.5(e), the Notification of Intent to Comply must include a description of proposed actions to remedy the violations, as well as a proposed schedule for those actions, that the Jurisdiction commits to undertake to remedy the violations.
- 1.6 The Notification of Intent to Comply is hereinafter after referred to as "Notification."
- 1.7 For violations taking more than 180 days to correct, PRC section 42652.2 allows CalRecycle to determine, in its sole discretion, that violations identified in a Notification may be addressed through a Corrective Action Plan issued pursuant to 14 CCR section 18996.2.
- 1.8 The Corrective Action Plan is hereinafter after referred to as "CAP."
- 1.9 For violations disclosed in the Notification approved by CalRecycle as meeting the requirements of PRC section 42652.5(e), CalRecycle shall waive administrative civil penalties during the 2022 calendar year if the Jurisdiction implements the proposed actions according to the approved Notification's schedule of actions and, as applicable, approved CAP schedule of actions.
- 1.10 For violations disclosed in the Notification that commence during the 2022 calendar year and continue into the 2023 calendar year, administrative civil penalties may begin accruing as of January 1, 2023. SB 619 provides administrative civil penalties accruing on and after January 1, 2023, shall be waived upon complete compliance with an approved CAP schedule of action.

- 4.2 Compliance Review. At the end of the oversight period or at any time deemed appropriate by CalRecycle, CalRecycle will meet with the Jurisdiction to assess the Jurisdiction's CAP implementation efforts and to determine whether or not the Jurisdiction has timely complied with all commitments in all sections of this CAP. If requested by the Jurisdiction, CalRecycle has discretion to issue notice of a hearing at any time upon its staff's recommendation that the Jurisdiction has completed the conditions of the CAP. In accordance with PRC section 42652.5, failure to implement programs and or comply with all sections of the CAP at any time may result in CalRecycle's revocation of its approval of the Notification and CAP and imposition of administrative civil penalties retroactively to the date of violation in 2022, for administrative civil penalties accruing in 2023, and for administrative civil penalties accruing during any other additional time covered by the Notification and CAP. These potentially applicable penalties are described in Section 5.0 of this CAP.

The modification request shall include an explanation of the infeasibility, an explanation of how the alternative task is substantially similar or equally effective, and a justification for any extension of time associated with the change.

exists for the change in task because the original task is infeasible and the alternative task is substantially similar or equally effective, it will grant an approval and extension as appropriate and specify in writing the new task; additionally, if CalRecycle determines that good cause exists for any extension associated with the change in task, considering the factors set out in Title 14 CCR section 18996.2(a)(2), it will grant an extension as appropriate and specify in writing a new compliance schedule.

FIRST ADDENDUM TO CORRECTIVE ACTION PLAN NO. 1687.SLCP.CAP. 2023.3

Garden Grove Sanitary District Amendment of Timelines in Corrective Action Plan No. 1687.SLCP.CAP.2023.3

On November 29, 2023, the Garden Grove Sanitary District requested an amendment to part of its timeline for Corrective Action Plan No. 1687.SLCP.CAP.2023.3. The Garden Grove Sanitary District only requested a change in the timelines, not a change in the task requirements. The justifications provided for the timeline amendments are included in the attached request.

Requested Changes to Timelines:

Task #	Original Date	Amended Date
5	1/1/2024	3/1/2024
14	12/31/2023	3/1/2024

The Garden Grove Sanitary District's request for timeline amendments shows good cause and provides reasonable alternate timelines for completion. The impacted tasks do not affect the final completion date of the Corrective Action Plan. Therefore, the request is approved. The amendment will be included as an addendum to the March 29, 2023 Corrective Action Plan No. 1687.SLCP.CAP.2023.3.
