Rigid Plastic Packaging Container (RPPC) - Product Manufacturer Compliance Certification

	<i>00000</i>	,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,			Packaging Cor						,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,	
	Postconsumer Material Content (PCM) Compliance Option											
				Certificat	tion Measuremen	t Period (Year)		(January 1 t	hrough Decemb	er 31)		
P II II	D. Product Manufacturer Data: Product Manufacturers must submit the information described in the regulations: Include all reportable RPPCs in this certification for the measurement period/calendar year. Sample line of data shown below. Include all products in RPPCs offered for sale or sold in California during the measurement period (even if products became discontinued, and/or the total quantity sold by Dec. 31 is zero). If product packaging was changed during the measurement period, please discuss the changes with your CalRecycle representative. Indicate the compliance option formula(s) used to calculate your compliance rate: [14CCR Section 17945.5 (b)(1), (b)(2), and (b)(3)] PCM formula for each single rigid plastic packaging container line PCM formula for averaging multiple rigid plastic packaging container lines											
P	Container Line	Description of the Type of each RPPC (i.e. jar, bottle, clamshell)	The associated Product Name or advertised Brand Name	SKU, Product Code, Model Number, or Bar Code (optional)	Volume or Equivalent Capacity of each RPPC ¹ (include units)	Weight of each individual RPPC (grams) "WRPPC"	Weight of Postconsumer Material in each RPPC (grams) "WPCM"	Plastic Resin Type(s) in each RPPC	Total Quantity Sold During Measurement Period ²	Is Data Based on Sales in California or Nationally (CA or US)	Name of the associated Container Manufacturer ³	Percentage of Postconsumer Material in each RPPC as calculated using the formula in Section 17945.5(b) (%) "Percent PCM"
	#1	jar	XYZ Cleaner	12345	12.5 fl. oz.	30.00	9.00	HDPE	5,684	CA	Containers R-US	30.00%

	This data sho A Product Ma	ould include: (A) Di anufacturer must a	rect sales by the produ	ct manufacturer; (B) Sa pliance Certification su	ales through distributo ubmission) the name o	rs, franchises, dealer f the associated con	rs, and agents; (C) All n tainer manufacturer (v	nail-order and Int who made each co	ernet sales. ontainer) and a copy o	of any Container Man	an equivalent volume ban equivalent volume ban distribution (ufacturer Certification (urer Certification obtains	s) and information pursuant to

The capacity or size must be expressed in the same unit of volume that is used on the container label; and for products that are sold based on weight or a numeric count, the size should be reported on an equivalent volume basis.

This data should include: (A) Direct sales by the product manufacturer; (B) Sales through distributors, franchises, dealers, and agents; (C) All mail-order and Internet sales.

A Product Manufacturer must also include (in the Compliance Certification submission) the name of the associated container manufacturer (who made each container) and a copy of any Container Manufacturer Certification(s) and information pursuant to Section 17945.4 (see CalRecycle's Container Manufacturer Certification model template). The Product Manufacturer is responsible for ensuring that its report is consistent with any Container Manufacturer Certification obtained.
