Save the Date for the 2024 Hybrid LEA/TEA/CalRecycle Technical Training Series

CalRecycle is pleased to announce the dates for the 2024 LEA/TEA/CalRecycle Technical Training Series! The training series will be a hybrid event, with virtual sessions followed by a live event at the Hyatt in Long Beach, CA. The dates are as follows:

- Virtual sessions: March 19-20, 2024
- Live event: April 15-17, 2024

Day one of the live event (April 15<sup>th</sup>) will be a registration and networking day for traveling attendees. Day two and three of the live event (April 16<sup>th</sup> & 17<sup>th</sup>) will consist of hands-on learning, training sessions, networking events, and field trips. Attendees will be able to choose to attend either the virtual sessions or the live event, or both.

More information will be coming soon, including lodging rates, registration fees, and scholarship availability.

*This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.*
