New LEA Orientation and Tier 1 Health & Safety/HAZWOPER Refresher Courses
Available On-Demand

CalRecycle is pleased to announce the release of two on-demand trainings, [New LEA Orientation](#) and the [Tier 1 Health & Safety/HAZWOPER Refresher](#).

The New LEA Orientation training provides an overview of the waste management hierarchy, permitting, inspections, enforcement, laws and regulations pertaining to solid waste, LEA certification requirements, and available resources. The training takes approximately one hour to complete and is eligible for one (1) Registered Environmental Health Specialist Continuing Education Unit (REHS CEU). Please click [here](#) for more information and to register for the course.

The Tier 1 Health & Safety/HAZWOPER Refresher consists of 14 modules and quizzes that provide fundamental information to meet the annual training requirements of Title 8 of the California Code of Regulations, Section 5192. The training takes approximately 8 hours to complete and is eligible for eight (8) REHS CEUs. Please click [here](#) for more information and to register for the course.

Please be advised that when you register for the trainings, it will take you to the CSUS training portal. If you haven't taken a class using the CSUS training portal, you will need to create an account. These courses are also linked on the [LEA Training Schedule](#) webpage.

This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.
