2024 Hybrid Technical Training Series Call for Speakers

CalRecycle is excited to announce the call for speakers for the 2024 Hybrid Technical Training Series! The 2024 Hybrid Technical Training Series (TTS) will consist of virtual sessions held on March 19-20, 2024, followed by an in-person event at the Long Beach Hyatt on April 16-17, 2024. We are seeking speakers from a variety of backgrounds, including Local Enforcement Agencies, CalRecycle staff, solid waste facility operators, consultants, partner agencies, and subject matter experts. Session topics include solid waste regulations, inspections, response, permitting, CEQA, enforcement, and emerging issues (specific session topics are provided in the form linked below).

If you are interested in becoming a speaker at the 2024 TTS, please fill out the form linked here by **October 18, 2023**: [2024 TTS Call for Speakers Form](#)

Potential speakers will be contacted by a CalRecycle staff person to provide additional information about speaker roles, training objectives, and the TTS. If you have any questions, please reach out to Lea Gibson at Lea.Gibson@calrecycle.ca.gov or Melissa Hoover-Hartwick at Melissa.Hoover-Hartwick@calrecycle.ca.gov.

This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.
