§ 18419. General Provisions.

The Political Reform Act (Government Code Sections 81000, et seq.), requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Sec. 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. This regulation and the attached Appendices, designating positions and establishing disclosure categories, shall constitute the conflict of interest code of the Department of Resources Recycling and Recovery (Department).

Individuals holding designated positions shall file statements of economic interests with the Department. The Director must file their statement of economic interest electronically with the Fair Political Practices Commission.
