SESSION INFORMATION

The goal of these small group informational sessions is to discuss the implementation of SB1013 and SB353 and provide an overview about the addition of new materials to the California Beverage Container Recycling Program:

- Discussion of new material prices
- New material types
- Timelines for new materials
- Attendees will have an opportunity to submit their questions beforehand to address during the session

All attendees must be preregistered to attend this session.

We will be conducting sessions in English and Spanish. All attendees listed will be registered for the language indicated on the form. Please submit a separate form per session, per language.

OPERATOR PROFILE

- Provide your Owner/Corporation name, Business name, and Business Address as they appear on your certification.
- Please provide a current phone number where you can be reached if there are questions regarding this form.
- An email address is required to process this registration.
- You must include at least one number of an operational recycling center to be registered for this session.
- If you or any of the listed attendees require reasonable accommodation, please indicate what accommodation is needed.

ATTENDEE INFORMATION

- All attendees must be entered in this area of the form to ensure a seat, including anyone listed in the Operator Profile section.
- Provide first, middle, and last name for each person attending, and indicate if they are an owner/operator or employee of the company.
- If you have English and Spanish speaking employees, make certain to register them in the appropriate session for the language they speak.
- Remember, if you are registering individuals for both languages, you must submit a separate form for each session, based on the appropriate language.
