[11] **Total weight** of empty plastic beverage container material received by the product manufacturer from certified entities.			

Check one:

[12]☐ **Reclaimer (Certified Entity)** - As a certified entity, I certify under penalty of perjury that the plastic materials identified in **Section A** were sold to a California product manufacturer. Copies of invoices or other supporting documents from the certified entity to the plastic product manufacturer(s) containing a description of the plastic material sold or transferred and the weight of the material sold or transferred are included to support this claim.

[13]☐ **Manufacturer** - As a California product manufacturer, I certify under penalty of perjury that the plastic products identified in **Section B** were made in California from plastic purchased from a certified entity in California. Copies of the bill(s) of sale or invoice(s) indicating the weight of the plastic beverage container material purchased from a certified entity or other supporting documents, with the name of the seller and the certification number, are included to support this claim.

I declare under penalty of perjury under the laws of the State of California that the information provided above is true and correct and that I am authorized to sign this report.
