By March 31 of each year, a program operator shall submit to the Department of Resources Recycling and Recovery (CalRecycle) an annual report. This checklist includes statutory and regulatory requirements that home-generated sharps waste stewardship annual reports must address.

Annual reports must also meet requirements specific to a program operator’s approved stewardship plan and CalRecycle Request for Action documents, which can be found on CalRecycle’s Stewardship Plan (<https://calrecycle.ca.gov/epr/pharmasharps/sharps/plan/>) and Annual Reporting (<https://calrecycle.ca.gov/epr/pharmasharps/sharps/reports/>) webpages. This checklist is not intended as a comprehensive list of all applicable legal requirements. It is provided for reference only and may not reflect recent changes in statutes and regulations.
