This Agreement may be amended, modified or augmented by mutual consent of the parties, subject to the requirements and restrictions of this paragraph.

Americans with Disabilities Act

The grantee assures the state that it complies with the Americans with Disabilities Act of 1990 (ADA) (42 U.S.C. § 12101 et seq.), which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA.

The grantee agrees to allow the designated representative(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the grantee agrees to include a similar right of the State to audit records and interview staff in any contract or subcontract related to performance of this Agreement.

[It may be helpful to share the Terms and Conditions (Exhibit A) and Procedures and Requirements (Exhibit B) with your finance department, contractors and subcontractors. Examples of audit documentation include, but are not limited to: expenditure ledger, payroll register entries and time sheets, personnel expenditure summary form, travel expense log, paid warrants, contracts, change orders, invoices, and/or cancelled checks.]

The grantee shall continuously maintain a representative vested with signature authority authorized to work with CalRecycle on all grant-related issues. The grantee shall, at all times, keep the Grant Manager informed as to the identity and contact information of the authorized representative.

Availability of Funds

CalRecycle's obligations under this Agreement are contingent upon and subject to the availability of funds appropriated for this grant.

Bankruptcy/Declaration of Fiscal Emergency Notification

If the grantee files for protection under Chapter 9 of the U.S. Bankruptcy Code (11 U.S.C. §901 et seq.) or declares a fiscal emergency at any time during the Grant Term, the grantee shall notify CalRecycle within 15 days of such filing or declaration, pursuant to the procedures set forth in the section entitled "Communications" herein.

Charter Cities

If the grantee is a charter city, a joint powers authority that includes one or more charter cities, or the regional lead for a regional program containing one or more charter cities, the grantee shall not receive any grant funding if such funding is prohibited by Labor Code section 1782. If it is determined that Labor Code section 1782 prohibits funding for the grant project, this Agreement will be terminated and any disbursed grant funds shall be returned to CalRecycle.

Child Support Compliance Act

For any agreement in excess of \$100,000, the grantee acknowledges that:

- (a) The grantee recognizes the importance of child and family support obligations and shall fully comply with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Family Code Section 5200 et seq.
- (b) The grantee, to the best of its knowledge, is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

Communications

All communications from the grantee to CalRecycle shall be directed to the Grant Manager. All notices, including reports and payment requests, required by this Agreement shall be given in writing by email, letter, or fax to the Grant Manager as identified in the Procedures and Requirements (Exhibit B). If an original document is required, prepaid mail or personal delivery to the Grant Manager is required following the email or fax.

Compliance

The grantee shall comply fully with all applicable federal, state, and local laws, ordinances, regulations, and permits. The grantee shall provide evidence, upon request, that all local, state, and/or federal permits, licenses, registrations, and approvals have been secured for the purposes for which grant funds are to be expended. The grantee shall maintain compliance with such requirements throughout the Grant Term. The grantee shall ensure that the requirements of the California Environmental Quality Act are met for any approvals or other requirements necessary to carry out the terms of this Agreement. The grantee shall ensure that all of grantee's contractors and subcontractors have all local, state, and/or federal permits, licenses, registrations, certifications, and approvals required to perform the work for which they are hired. Any deviation from the requirements of this section shall result in non-payment of grant funds.

Conflict of Interest

The grantee needs to be aware of the following provisions regarding current or former state employees. If the grantee has any questions on the status of any person

rendering services or involved with this Agreement, CalRecycle must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code, § 10410):

- (a) No officer or employee shall engage in any employment, activity, or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity, or enterprise is required as a condition of regular state employment.
- (b) No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code, § 10411):

- (a) For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- (b) For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the twelve month period prior to his or her leaving state service.

If the grantee violates any provisions of above paragraphs, such action by the grantee shall render this Agreement void. (Pub. Contract Code, § 10420).

Contractors/Subcontractors

The grantee will be entitled to make use of its own staff and such contractors and subcontractors as are mutually acceptable to the grantee and CalRecycle. Any change in contractors or subcontractors must be mutually acceptable to the parties. Immediately upon termination of any such contract or subcontract, the grantee shall notify the Grant Manager.

Nothing contained in this Agreement or otherwise, shall create any contractual relation between CalRecycle and any contractors or subcontractors of grantee, and no agreement with contractors or subcontractors shall relieve the grantee of its responsibilities and obligations hereunder. The grantee agrees to be as fully responsible to CalRecycle for the acts and omissions of its contractors and subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the grantee. The grantee's obligation to pay its contractors and subcontractors is an independent obligation from CalRecycle's obligation to make payments to the grantee. As a result, CalRecycle shall have no obligation to pay or to enforce the payment of any moneys to any contractor or subcontractor.

Copyrights

Grantee retains title to any copyrights or copyrightable material produced pursuant to this Agreement. grantee hereby grants to CalRecycle a royalty-free, nonexclusive,

transferable, world-wide license to reproduce, translate, and distribute copies of any and all copyrightable materials produced pursuant this Agreement, for nonprofit, non-commercial purposes, and to have or permit others to do so on CalRecycle's behalf. Grantee is responsible for obtaining any necessary licenses, permissions, releases or authorizations to use text, images, or other materials owned, copyrighted, or trademarked by third parties and for extending such licenses, permissions, releases, or authorizations to CalRecycle pursuant to this section.

Corporation Qualified to do Business in California

When work under this Agreement is to be performed in California by a corporation, the corporation shall be in good standing and currently qualified to do business in the State. "Doing business" is defined in Revenue and Taxation Code Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit.

Discharge of Grant Obligations

The grantee's obligations under this Agreement shall be deemed discharged only upon acceptance of the final report by CalRecycle. If the grantee is a non-profit entity, the grantee's Board of Directors shall accept and certify as accurate the final report prior to its submission to CalRecycle.

Disclaimer of Warranty

CalRecycle makes no warranties, express or implied, including without limitation, the implied warranties of merchantability and fitness for a particular purpose, regarding the materials, equipment, services or products purchased, used, obtained and/or produced with funds awarded under this Agreement, whether such materials, equipment, services or products are purchased, used, obtained and/or produced alone or in combination with other materials, equipment, services or products. No CalRecycle employees or agents have any right or authority to make any other representation, warranty or promise with respect to any materials, equipment, services or products, purchased, used, obtained, or produced with grant funds. In no event shall CalRecycle be liable for special, incidental or consequential damages arising from the use, sale or distribution of any materials, equipment, services or products purchased or produced with grant funds awarded under this Agreement.

Discretionary Termination

The Director shall have the right to terminate this Agreement at his or her sole discretion at any time upon 30 days written notice to the grantee. Within 45 days of receipt of written notice, grantee is required to:

- (a) Submit a final written report describing all work performed by the grantee.
- (b) Submit an accounting of all grant funds expended up to and including the date of termination.
- (c) Reimburse CalRecycle for any unspent funds.

Disputes

In the event of a dispute regarding performance under this Agreement or interpretation of requirements contained therein, the grantee may, in addition to any other remedies

that may be available, provide written notice of the particulars of such dispute to the Branch Chief of Financial Resources Management Branch, Department of Resources Recycling and Recovery, PO Box 4025, Sacramento, CA 95812-4025. Such written notice must contain the grant number.

Unless otherwise instructed by the Grant Manager, the grantee shall continue with its responsibilities under this Agreement during any dispute.

Drug-Free Workplace Certification

The person signing this Agreement on behalf of the grantee certifies under penalty of perjury under the laws of California, that the grantee will comply with the requirements of the Drug-Free Workplace Act of 1990 (Gov. Code, § 8350 et seq.) and will provide a drug-free workplace by taking the following actions:

- (a) Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited and specifying actions that will be taken against employees for violations.
- (b) Establish a drug-free awareness program to inform employees about all of the following:
 - (1) The dangers of drug abuse in the workplace.
 - (2) The grantee's policy of maintaining a drug-free workplace.
 - (3) Any available counseling, rehabilitation, and employee assistance programs.
 - (4) Penalties that may be imposed upon employees for drug abuse violations.
- (c) Require that each employee who works on the grant:
 - (1) Receive a copy of the drug-free policy statement of the grantee.
 - (2) Agrees to abide by the terms of such statement as a condition of employment on the grant.

Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and grantee may be ineligible for award of any future State agreements if CalRecycle determines that the grantee has made a false certification, or violated the certification by failing to carry out the requirements as noted above.

Effectiveness of Agreement

This Agreement is of no force or effect until signed by both parties.

Entire Agreement

This Agreement supersedes all prior agreements, oral or written, made with respect to the subject hereof and, together with all attachments hereto, contains the entire agreement of the parties.

Environmental Justice

In the performance of this Agreement, the grantee shall conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the state.

Failure to Perform as Required by this Agreement

CalRecycle will benefit from the grantee's full compliance with the terms of this Agreement only by the grantee's:

- (a) Investigation and/or application of technologies, processes, and devices which support reduction, reuse, and/or recycling of wastes.
- (b) Cleanup of the environment.
- (c) Enforcement of solid waste statutes and regulations, as applicable.

Therefore, the grantee shall be in compliance with this Agreement only if the work it performs results in:

- (a) Application of information, a process, usable data or a product which can be used to aid in reduction, reuse, and/or recycling of waste.
- (b) The cleanup of the environment.
- (c) The enforcement of solid waste statutes and regulations, as applicable.

If the Grant Manager determines that the grantee has not complied with the Grant Agreement, the grantee may forfeit the right to reimbursement of any grant funds not already paid by CalRecycle, including, but not limited to, the 10 percent withhold.

In addition to forfeiture of grant funds, failure to perform as required by this Agreement may impact Grantee's eligibility for future grants offered by CalRecycle.

Force Majeure

Neither CalRecycle nor the grantee, its contractors, vendors, or subcontractors, if any, shall be responsible hereunder for any delay, default, or nonperformance of this Agreement, to the extent that such delay, default, or nonperformance is caused by an act of God, weather, accident, labor strike, fire, explosion, riot, war, rebellion, sabotage, flood, or other contingencies unforeseen by CalRecycle or the grantee, its contractors, vendors, or subcontractors, and beyond the reasonable control of such party.

Forfeit of Grant Funds/Repayment of Funds Improperly Expended

If grant funds are not expended, or have not been expended, in accordance with this Agreement, or if real or personal property acquired with grant funds is not being used, or has not been used, for grant purposes in accordance with this Agreement, the Director, at his or her sole discretion, may take appropriate action under this Agreement, at law or in equity, including requiring the grantee to forfeit the unexpended portion of the grant funds, including, but not limited to, the 10 percent withhold, and/or to repay to CalRecycle any funds improperly expended.

Generally Accepted Accounting Principles

The grantee is required to use Generally Accepted Accounting Principles in documenting all grant expenditures.

Grant Manager

The Grant Manager's responsibilities include monitoring grant progress, and reviewing and approving Grant Payment Requests and other documents delivered to CalRecycle pursuant to this Agreement. The Grant Manager may monitor grantee performance to

ensure that the grantee expends grant funds appropriately and in a manner consistent with the terms and conditions contained herein. The Grant Manager does not have the authority to approve any deviation from or revision to the Terms and Conditions (Exhibit A) or the Procedures and Requirements (Exhibit B), unless such authority is expressly stated in the Procedures and Requirements (Exhibit B).

Grantee Accountability

The grantee is ultimately responsible and accountable for the manner in which the grant funds are utilized and accounted for and the way the grant is administered, even if the grantee has contracted with another organization, public or private, to administer or operate its grant program. In the event an audit should determine that grant funds are owed to CalRecycle, the grantee is responsible for repayment of the funds to CalRecycle.

Grantee's Indemnification and Defense of the State

The grantee agrees to indemnify, defend and save harmless the state and CalRecycle, and their officers, agents and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the grantee as a result of the performance of this Agreement.

Grantee's Name Change

A written amendment is required to change the grantee's name as listed on this Agreement. Upon receipt of legal documentation of the name change, CalRecycle will process the amendment. Payment of Payment Requests presented with a new name cannot be paid prior to approval of the amendment.

In Case of Emergency

In the event of an emergency, or where there is an imminent threat to public health and safety or the environment, the grantee may choose, at its own risk, to incur grant-eligible expenses not previously included in the approved Budget, subject to subsequent approval by the Grant Manager of both the Budget change and the need to implement the Budget change on an emergency basis. The grantee shall notify the Grant Manager of the emergency and the Budget change at the earliest possible opportunity. CalRecycle reserves the right to accept or reject the grantee's determination that the circumstances constituted an emergency or a threat to public health and safety or the environment. If the Grant Manager determines that the circumstances did not constitute an emergency or a threat to public health or safety, the Budget change will be disallowed.

Limited Waiver of Sovereign Immunity and Consent to Jurisdiction

The Grantee expressly and irrevocably waives sovereign immunity (and any defenses based thereon) in favor of CalRecycle, but not as to any other person or entity, as to any dispute which specifically arises under this Agreement and not as to any other action, matters or disputes.

The Grantee does not waive its sovereign immunity with respect to (i) actions by third parties, except for parties acting on behalf of, under authorization from the Grantee or CalRecycle, or (ii) disputes between the Grantee and CalRecycle which do not specifically arise under this Agreement. The Grantee further agrees that exhaustion of tribal administrative remedies, including before any tribal court, shall not be required prior to proceeding to filing a complaint in the appropriate court of law; and

The Grantee and CalRecycle agree that any monetary damages awarded or arising under this Agreement shall be exclusively limited to actual direct damages incurred based on obligations contained in this Agreement that have been demonstrated with substantial certainty and which do not, in any event, exceed the total amount of the award under this Agreement. The Grantee and CalRecycle agree not to assert any claim for damages, injunctive, or other relief which is not consistent with the provisions of this Agreement; and

The Grantee and CalRecycle may seek, and the Grantee may seek after it has exhausted any available remedy through the Government Claims Program and the Program so approves, judicial review for breach of contract in the State Superior Court for Sacramento County, including any appellate proceedings. The Grantee and CalRecycle expressly consent to the jurisdiction of such Court, provided that:

- (a) No person or entity other than the Grantee and CalRecycle is a party to the action, unless failure to join a third party would deprive the court of jurisdiction; provided, however, that nothing herein shall be construed to constitute a waiver of the sovereign immunity of the Grantee or CalRecycle in respect to any such third party.
- (b) The judgment so entered has the same force and effect as, and is subject to all the provisions of law relating to, a judgment in a civil action, and may be enforced like any other judgment of the court in which it is entered.

Nothing in this Agreement shall be construed to constitute a waiver of the sovereign immunity of the Grantee with respect to intervention by any additional party not deemed an indispensable party to the proceeding. Unless otherwise agreed by the Grantee and CalRecycle, any dispute resolution meetings or communications, or mediation, shall be in the context of a settlement discussion to potential litigation and remain confidential to the extent not prohibited by applicable law.

No Agency Relationship Created/Independent Capacity

The grantee and the agents and employees of grantee, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of CalRecycle.

No Waiver of Rights

CalRecycle shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by CalRecycle. No delay or omission on the part of CalRecycle in exercising any rights shall operate as a waiver of such right or any other right. A waiver by CalRecycle of a provision of this Agreement shall not prejudice or constitute a waiver of CalRecycle's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by CalRecycle, nor any course of dealing between CalRecycle and grantee, shall constitute a waiver of any of CalRecycle's rights or of any of grantee's obligations as to any future transactions. Whenever the consent of CalRecycle is required under this Agreement, the granting of such consent by CalRecycle in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of CalRecycle.

Non-Discrimination Clause

- (a) During the performance of this Agreement, grantee and its contractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment on the bases enumerated in Government Code Section 12900 et seq.
- (b) The person signing this Agreement on behalf of the grantee certifies under penalty of perjury under the laws of California that the grantee has, unless exempted, complied with the nondiscrimination program requirements (Gov. Code, § 12990, subd. (a-f) and California Code of Regulations, Title 2, Section 8103). (Not applicable to public entities.)

Order of Precedence

The performance of this grant shall be conducted in accordance with the Terms and Conditions (Exhibit A), Procedures and Requirements (Exhibit B), Project Summary/Statement of Use, Work Plan, and Budget of this Agreement, or other combination of Exhibits specified on the Grant Agreement Coversheet attached hereto (collectively referred to as "Terms"). Grantee's CalRecycle-approved Application (Grantee's Application) is hereby incorporated herein by this reference. In the event of conflict or inconsistency between the articles, exhibits, attachments, specifications or provisions that constitute this Agreement, the following order of precedence shall apply:

- (a) Grant Agreement Coversheet and any Amendments thereto
- (b) Terms and Conditions
- (c) Procedures and Requirements
- (d) Project Summary/Statement of Use
- (e) Budget
- (f) Work Plan
- (g) Grantee's Application
- (h) All other attachments hereto, including any that are incorporated by reference.

Ownership of Drawings, Plans and Specifications

The grantee shall, at the request of CalRecycle or as specifically directed in the Procedures and Requirements (Exhibit B), provide CalRecycle with copies of any data, drawings, design plans, specifications, photographs, negatives, audio and video productions, films, recordings, reports, findings, recommendations, and memoranda of every description or any part thereof, prepared under this Agreement. Grantee hereby grants to CalRecycle a royalty-free, nonexclusive, transferable, world-wide license to reproduce, translate, and distribute copies of any and all such materials produced pursuant to this Agreement, for nonprofit, non-commercial purposes, and to have or permit others to do so on CalRecycle's behalf.

Payment

- (a) The approved Budget, if applicable, is attached hereto and incorporated herein by this reference and states the maximum amount of allowable costs for each of the tasks identified in the Work Plan, if applicable, which is attached hereto and incorporated herein by this reference. CalRecycle shall reimburse the grantee for only the work and tasks specified in the Work Plan or the Grantee's Application at only those costs specified in the Budget and incurred in the term of the Agreement.
- (b) The grantee shall carry out the work described in the Work Plan or in the Grantee's Application in accordance with the approved Budget, and shall obtain the Grant Manager's written approval of any changes or modifications to the Work Plan, approved project as described in the Grantee's Application or the approved Budget prior to performing the changed work or incurring the changed cost. If the grantee fails to obtain such prior written approval, the Director, at his or her sole discretion, may refuse to provide funds to pay for such work or costs.
- (c) The grantee shall request reimbursement in accordance with the procedures described in the Procedures and Requirements (Exhibit B).
- (d) Ten percent will be withheld from each Payment Request and paid at the end of the grant term, when all reports and conditions stipulated in this Agreement have been satisfactorily completed. Failure by the grantee to satisfactorily complete all reports and conditions stipulated in this Agreement may result in forfeiture of any such funds withheld pursuant to CalRecycle's 10 percent) retention policy.
- (e) Lodgings, Meals and Incidentals: Grantee's Per Diem eligible costs are limited to the amounts authorized in the California State Administrative Manual (contact the Grant Manager for more information).
- (f) Payment will be made only to the grantee.
- (g) Reimbursable expenses shall not be incurred unless and until the grantee receives a Notice to Proceed as described in the Procedures and Requirements (Exhibit B).

Personnel Costs

If there are eligible costs pursuant to Exhibit B, Procedures and Requirements, any personnel expenditures to be reimbursed with grant funds must be computed based on actual time spent on grant-related activities and on the actual salary or equivalent hourly wage the employee is paid for his or her regular job duties, including a proportionate

share of any benefits to which the employee is entitled, unless otherwise specified in the Procedures and Requirements (Exhibit B).

Real and Personal Property Acquired with Grant Funds

- (a) All real and personal property, including equipment and supplies, acquired with grant funds shall be used by the grantee only for the purposes for which CalRecycle approved their acquisition for so long as such property is needed for such purposes, regardless of whether the grantee continues to receive grant funds from CalRecycle for such purposes. In no event shall the length of time during which such property, including equipment and supplies, acquired with grant funds, is used for the purpose for which CalRecycle approved its acquisition be less than five (5) years after the end of the grant term, during which time the property, including equipment and supplies, must remain in the State of California.
- (b) Subject to the obligations and conditions set forth in this section, title to all real and personal property acquired with grant funds, including all equipment and supplies, shall vest upon acquisition in the grantee. The grantee may be required to execute all documents required to provide CalRecycle with a security interest in any real or personal property, including equipment and supplies, and it shall be a condition of receiving this grant that CalRecycle shall be in first priority position with respect to the security interest on any such property acquired with the grant funds, unless pre-approved in writing by the Grant Manager that CalRecycle will accept a lower priority position with respect to the security interest on the property. Grantee shall inform any lender(s) from whom it is acquiring additional funding to complete the property purchase of this grant condition.
- (c) The grantee may not transfer Title to any real or personal property, including equipment and supplies, acquired with grant funds to any other entity without the express authorization of CalRecycle. Grantee's violation of this provision shall result in Grantee's reimbursement to CalRecycle of the amount of grant funds used to purchase said equipment and supplies.
- (d) CalRecycle will not reimburse the grantee for the acquisition of equipment that was previously purchased with CalRecycle grant funds, unless the acquisition of such equipment with grant funds is pre-approved in writing by the Grant Manager. In the event of a question concerning the eligibility of equipment for grant funding, the burden will be on the grantee to establish the pedigree of the equipment.

Reasonable Costs

A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost. Consideration will be given to:

- (a) Whether the cost is of a type generally recognized as ordinary and necessary for the performance of the grant.
- (b) The restraints or requirements imposed by such factors as generally accepted sound business practices, arms-length bargaining, federal and state laws and regulations, and the terms and conditions of this Agreement.
- (c) Whether the individuals concerned acted with prudence in the circumstances, considering their responsibilities to the organization, its members, employees, clients, and the public at large.

- (d) Significant deviations from the established practices of the organization which may unjustifiably increase the grant costs.

Recycled-Content Paper

All documents submitted by the grantee must be printed double-sided on recycled-content paper containing 100 percent post-consumer fiber. Specific pages containing full color photographs or other ink-intensive graphics may be printed on photographic paper.

Reduction of Waste

In the performance of this Agreement, grantee shall take all reasonable steps to ensure that materials purchased or utilized in the course of the project are not wasted. Steps should include, but not be limited to: the use of used, reusable, or recyclable products; discretion in the amount of materials used; alternatives to disposal of materials consumed; and the practice of other waste reduction measures where feasible and appropriate.

Reduction of Waste Tires

Unless otherwise provided for in this Agreement, in the performance of this Agreement, for all purchases made with grant funds, including, but not limited to equipment and tire-derived feedstock, the grantee shall purchase and/or process only California waste tires and California waste tire-derived products. As a condition of final payment under this Agreement, the grantee must provide documentation substantiating the source of the tire materials used during the performance of this Agreement to the Grant Manager.

Reimbursement Limitations

Under no circumstances shall the grantee seek reimbursement pursuant to this Agreement for a cost or activity that has been or will be paid for through another funding source. The grantee shall not seek reimbursement for any costs used to meet cost sharing or matching requirements of any other CalRecycle funded program.

All costs charged against the Agreement shall be net of all applicable credits. The term “applicable credits” refers to those receipts or reductions of expenditures that operate to offset or reduce expense items that are reimbursable under this Agreement. Applicable credits may include, but are not necessarily limited to, rebates or allowances, discounts, credits toward subsequent purchases, and refunds. Grantee shall, where possible, deduct the amount of the credit from the amount billed as reimbursement for the cost, or shall deduct the amount of the credit from the total billed under a future invoice.

Reliable Contractor Declaration

Prior to authorizing any contractor or subcontractor to commence work under this Grant, the grantee shall submit to CalRecycle a Reliable Contractor Declaration (CalRecycle 168) from the contractor or subcontractor, signed under penalty of perjury, disclosing whether of any of the events listed in Section 17050 of Title 14, [California Code of Regulations, Natural Resources](https://www.calrecycle.ca.gov/laws/regulations/title14) (https://www.calrecycle.ca.gov/laws/regulations/title14), Division 7, has occurred with respect to the contractor or subcontractor within the

preceding three (3) years. If a contractor is placed on CalRecycle's Unreliable List after award of this Grant, the grantee may be required to terminate that contract.

Remedies

Unless otherwise expressly provided herein, the rights and remedies hereunder are in addition to, and not in limitation of, other rights and remedies under this Agreement, at law or in equity, and exercise of one right or remedy shall not be deemed a waiver of any other right or remedy.

Self-Dealing and Arm's Length Transactions

All expenditures for which reimbursement pursuant to this Agreement is sought shall be the result of arm's-length transactions and not the result of, or motivated by, self-dealing on the part of the grantee or any employee or agent of the grantee. For purposes of this provision, "arm's-length transactions" are those in which both parties are on equal footing and fair market forces are at play, such as when multiple vendors are invited to compete for an entity's business and the entity chooses the lowest of the resulting bids. "Self-dealing" is involved where an individual or entity is obligated to act as a trustee or fiduciary, as when handling public funds, and chooses to act in a manner that will benefit the individual or entity, directly or indirectly, to the detriment of, and in conflict with, the public purpose for which all grant monies are to be expended.

Severability

If any provisions of this Agreement are found to be unlawful or unenforceable, such provisions will be voided and severed from this Agreement without affecting any other provision of this Agreement. To the full extent, however, that the provisions of such applicable law may be waived, they are hereby waived to the end that this Agreement be deemed to be a valid and binding agreement enforceable in accordance with its terms.

Site Access

The grantee shall allow the state to access sites at which grant funds are expended and related work being performed at any time during the performance of the work and for ninety (90) days after completion of the work, or until all issues related to the grant project have been resolved.

Stop Work Notice

Immediately upon receipt of a written notice from the Grant Manager to stop work, the grantee shall cease all work under this Agreement.

Termination for Cause

CalRecycle may terminate this Agreement and be relieved of any payments should the grantee fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination, CalRecycle may proceed with the work in any manner deemed proper by CalRecycle. All costs to CalRecycle shall be deducted from any sum due the grantee under this Agreement. Termination pursuant to

this section may result in forfeiture by the grantee of any funds retained pursuant to CalRecycle's 10 percent retention policy.

Time is of the Essence

Time is of the essence to this Agreement.

Tolling of Statute of Limitations

The statute of limitations for bringing any action, administrative or civil, to enforce the terms of this Agreement or to recover any amounts determined to be owing to CalRecycle as the result of any audit of the grant covered by this Agreement shall be tolled during the period of any audit resolution, including any appeals by the grantee to the Director.

Union Organizing
