Re: CalRecycle's Completeness Determination Regarding Mattress Recycling Council's 2023 California Annual Report

Dear Mr. Trainer,

CalRecycle received Mattress Recycling Council's (MRC) *2023 California Annual Report (Annual Report)* on July 1, 2024. Title 14 of the California Code of Regulations (14 CCR) section 18964(c) requires CalRecycle to determine if the *Annual Report* is complete and notify MRC of its determination within 30 days of receipt (i.e., by July 31, 2024).

Staff reviewed the *Annual Report* for completeness pursuant to the requirements of Public Resources Code section 42990.1 and 14 CCR section 18964(b) and found the *Annual Report* complete. This completeness determination is separate from the compliance review that CalRecycle will now conduct, per 14 CCR section 18964(c). CalRecycle has until September 30, 2024, to review the *Annual Report* and MRC's program for compliance with the requirements in statute, regulations, and MRC's stewardship plan and adopt a finding of compliance, non-compliance, or conditional approval.

Questions regarding this letter may be directed to mattresses@calrecycle.ca.gov.

Regards,
