

00:00:00:11 - 00:00:03:01
Making a waste free
future happen together.

00:00:03:20 - 00:00:05:00

00:00:05:00 - 00:00:06:19
CalRecycle,
is advancing world

00:00:06:19 - 00:00:08:26
leading reforms
to cut waste and build

00:00:08:26 - 00:00:11:03
circular use systems
for all materials.

00:00:11:20 - 00:00:13:08
Recycling Innovation
grants

00:00:13:08 - 00:00:14:00
will bring hundreds

00:00:14:00 - 00:00:16:20
of new redemption sites
to 30 California counties

00:00:17:13 - 00:00:18:23
and how you can
participate

00:00:18:23 - 00:00:19:18
in the development

00:00:19:18 - 00:00:22:11
of California's
zero waste plan.

00:00:22:11 - 00:00:24:07
Join California's
climate fight and shift

00:00:24:07 - 00:00:27:06

to a circular use
economy. CalRecycles

00:00:27:06 - 00:00:30:26
Monthly public
meeting starts now.

00:00:32:06 - 00:00:33:20
Good morning, everyone.

00:00:33:20 - 00:00:37:05
Thanks for joining us for
CalRecycles August 2024

00:00:37:05 - 00:00:38:12
public meeting

00:00:38:12 - 00:00:38:28
where we share

00:00:38:28 - 00:00:40:22
important progress
and updates

00:00:40:22 - 00:00:41:23
as we work together

00:00:41:23 - 00:00:43:01
to build
a circular system

00:00:43:01 - 00:00:44:03
that cuts waste

00:00:44:03 - 00:00:46:11
and reuses all materials
and products.

00:00:47:03 - 00:00:47:27
And just

00:00:47:27 - 00:00:49:12
we're going to start
something new today

00:00:49:12 - 00:00:51:18

to allow our Spanish
language interpretation

00:00:51:18 - 00:00:52:25
to catch up
with our agenda.

00:00:52:25 - 00:00:56:07
We will wait about 3
to 4 seconds before we

00:00:56:15 - 00:00:57:19
after I introduce
the video,

00:00:57:19 - 00:00:58:16
before we start it.

00:00:58:16 - 00:00:59:27
And that will just be

00:00:59:27 - 00:01:02:08
a natural pause
to allow for that.

00:01:02:08 - 00:01:04:17
And before we begin,
here is a safety and

00:01:04:17 - 00:01:06:02
language access message.

00:01:11:25 - 00:01:13:05
In the
event of a fire alarm,

00:01:13:05 - 00:01:15:04
we are required
to evacuate.

00:01:15:04 - 00:01:17:12
Take your valuables
and use the exit signs.

00:01:17:26 - 00:01:19:16
Do not use elevators.

00:01:19:16 - 00:01:20:26
If you cannot use
the stairs,

00:01:20:26 - 00:01:22:11
you will be directed
to a protected

00:01:22:11 - 00:01:24:17
vestibule inside
a stairwell.

00:01:24:17 - 00:01:25:16
If relocated,

00:01:25:16 - 00:01:27:19
exercise caution while
crossing the street.

00:01:28:20 - 00:01:30:01
Language
shouldn't be a barrier

00:01:30:01 - 00:01:31:20
when it comes
to protecting our air,

00:01:31:20 - 00:01:32:15
water and land.

00:01:32:15 - 00:01:34:02
CalRecycle
is simulcasting

00:01:34:02 - 00:01:36:02
this meeting in both
English and Spanish.

00:01:36:22 - 00:01:37:01
Click

00:01:37:01 - 00:01:38:02
the public meeting banner

00:01:38:02 - 00:01:40:26

at the top
of CalRecycle.ca.gov

00:01:40:27 - 00:01:42:03
for a link
to our webcasts

00:01:42:03 - 00:01:44:02
in English and Spanish.

00:01:44:02 - 00:01:44:25
If you're attending this

00:01:44:25 - 00:01:45:21
meeting in person

00:01:45:21 - 00:01:47:21
in Bryon Sher Auditorium,
we have Spanish

00:01:47:21 - 00:01:49:20
interpretation devices
available.

00:01:49:20 - 00:01:50:22
Let our team
on the left hand

00:01:50:22 - 00:01:52:22
side of the dais
know if you need one

00:01:52:22 - 00:01:57:13
(In Spanish)

00:02:27:20 - 00:02:29:12
Our first
agenda item today

00:02:29:12 - 00:02:30:22
is the director's report.

00:02:30:22 - 00:02:32:20
CalRecycle's
Chief Deputy Director

00:02:32:20 - 00:02:34:23
Mindy McIntyre is here
with updates.

00:02:34:24 - 00:02:36:08
Good morning, Mindy.

00:02:36:08 - 00:02:38:12
Good morning
and thank you everyone

00:02:38:12 - 00:02:40:11
for joining us today
here in the building.

00:02:40:11 - 00:02:41:03
It's quite busy.

00:02:41:03 - 00:02:43:05
It's good to see
people back again

00:02:43:05 - 00:02:44:18
and thank you
for joining online.

00:02:44:18 - 00:02:46:11
For those of us
who are joining online

00:02:46:11 - 00:02:48:14
or you or joining online,

00:02:48:14 - 00:02:50:05
we have lots of updates
today,

00:02:50:05 - 00:02:51:25
so we'll
get straight to it.

00:02:51:25 - 00:02:54:04
And I don't really want
to give away

00:02:54:08 - 00:02:55:21

the presentations
that are coming,

00:02:55:21 - 00:02:57:13
so I'm going to jump over
some of these.

00:02:57:13 - 00:02:57:27
But you're going to

00:02:57:27 - 00:03:00:29
hear a lot about grants
and our programs.

00:03:01:22 - 00:03:03:11
A little update
on our zero waste plan.

00:03:03:11 - 00:03:04:21
We had a workshop
last week.

00:03:04:21 - 00:03:06:10
We had really great
participation

00:03:06:10 - 00:03:08:03
and we have a lot
of comments

00:03:08:03 - 00:03:08:10
that we're

00:03:08:10 - 00:03:09:26
considering
and going through

00:03:09:26 - 00:03:11:28
and we'll really go
into our planning process

00:03:12:10 - 00:03:13:24
as we move forward.

00:03:13:24 - 00:03:14:22
I also want to recognize

00:03:14:22 - 00:03:15:17
that there are a lot of

00:03:15:17 - 00:03:17:21
fires
throughout California

00:03:17:21 - 00:03:19:04
and some of those
are more contained

00:03:19:04 - 00:03:19:18
than others.

00:03:19:18 - 00:03:21:14
Our hearts
definitely go out to

00:03:21:14 - 00:03:23:21
those that are impacted
by the fires

00:03:23:21 - 00:03:25:01
and to recycle,
we'll be ready

00:03:25:01 - 00:03:27:22
if needed, for our debris
removal program.

00:03:28:02 - 00:03:30:10
Working with CalOES.

00:03:30:12 - 00:03:32:02
Moving
straight into the agenda,

00:03:32:02 - 00:03:33:26
we have an update on
SB 54,

00:03:33:26 - 00:03:35:02
the plastics, pollution,

00:03:35:02 - 00:03:37:11

plastics and packaging
pollution prevention.

00:03:38:01 - 00:03:40:06
I got that
way wrong. But SB 54,

00:03:41:25 - 00:03:44:11
we are
taking comments on our

00:03:44:24 - 00:03:48:14
air and we had a scoping
meeting last month.

00:03:49:00 - 00:03:50:26
Or was it this month?

00:03:52:23 - 00:03:54:17
It was last month
because I reported on it

00:03:54:17 - 00:03:56:06
at the last
public meeting.

00:03:56:06 - 00:03:56:20
Apologies.

00:03:56:20 - 00:03:58:10
We are having
a lot of meetings lately

00:03:58:10 - 00:03:59:20
and a lot of workshops
vote,

00:03:59:20 - 00:04:00:08
but the comment

00:04:00:08 - 00:04:03:11
period for the air does
go through August 26.

00:04:03:11 - 00:04:05:07

So still
taking comments on that.

00:04:05:07 - 00:04:06:21
And you can find the

00:04:06:21 - 00:04:09:05
the portal link and the
QR codes on our slides.

00:04:09:28 - 00:04:12:19
We are also reviewing
the public comments

00:04:12:19 - 00:04:15:09
on the road package
and anticipate

00:04:15:09 - 00:04:18:20
that those will be out
as soon as possible.

00:04:18:26 - 00:04:20:21
In our beverage
container program.

00:04:20:21 - 00:04:22:23
We are also working
on a large regulations

00:04:22:23 - 00:04:24:09
package
and have progress there.

00:04:24:09 - 00:04:28:05
The dealer co-op
regulations are out

00:04:28:22 - 00:04:31:04
again
for a 15 day period and

00:04:31:26 - 00:04:34:10
we are taking comments
on those right now.

00:04:34:10 - 00:04:36:11
So we put those
out on Monday. I believe

00:04:38:11 - 00:04:40:22
we are
back to you, Maria.

00:04:40:22 - 00:04:41:13
I don't want to jump into

00:04:41:13 - 00:04:43:11
other people's comments.

00:04:43:11 - 00:04:44:17
All right.

00:04:44:17 - 00:04:45:14
Thanks, Mindy.

00:04:45:14 - 00:04:48:04
CalRecycle
just published a series

00:04:48:04 - 00:04:49:28
of quarterly reports
on beverage container

00:04:49:28 - 00:04:50:26
recycling, program

00:04:50:26 - 00:04:52:19
certifications,
enforcement

00:04:52:19 - 00:04:54:13
and compliance
assistance.

00:04:54:13 - 00:04:57:07
You can find the public
notices on our website.

00:04:58:03 - 00:04:59:13
And then moving on.

00:04:59:13 - 00:05:02:14
Hundreds of new recycling
sites are coming to

00:05:02:14 - 00:05:04:06
30 California counties

00:05:04:06 - 00:05:05:21
with support
from CalRecycles

00:05:05:21 - 00:05:07:13
first beverage container

00:05:07:13 - 00:05:09:25
Recycling Innovation
Grant.

00:05:09:27 - 00:05:11:19
Branch chief
Michelle Martin

00:05:11:19 - 00:05:13:04
joins us now

00:05:13:04 - 00:05:14:19
with Grant award
announcements

00:05:14:19 - 00:05:16:17
for new reverse
vending machines,

00:05:16:17 - 00:05:19:09
mobile and drop off
recycling projects.

00:05:19:11 - 00:05:21:16
Good morning, Michelle.

00:05:21:18 - 00:05:23:22
Good morning, everybody.

00:05:23:22 - 00:05:25:02
Very exciting news today.

00:05:25:02 - 00:05:26:12
Today,
we're announcing nearly

00:05:26:12 - 00:05:29:17
\$70 million in Redemption
Innovation grants

00:05:29:17 - 00:05:33:09
for 37 projects across 30
counties in California.

00:05:33:26 - 00:05:35:09
Take a look at this map
showing

00:05:35:09 - 00:05:37:06
where
three over 300 reverse

00:05:37:06 - 00:05:39:24
vending machines
mobile and bag

00:05:39:24 - 00:05:42:14
drop recycling
sites are headed.

00:05:42:14 - 00:05:44:00
Supermarket
chain Save Mart

00:05:44:00 - 00:05:45:17
and Smart and Final
will get over

00:05:45:17 - 00:05:47:17
\$2 million
each for a reverse

00:05:47:17 - 00:05:49:17
vending
machines in 19 counties.

00:05:51:21 - 00:05:52:28

In addition
to Save Mart and

00:05:52:28 - 00:05:55:06
Smart and Final 19,
awardees are partnering

00:05:55:06 - 00:05:58:09
with other grocery stores
throughout the state.

00:05:58:09 - 00:06:01:05
New sites will also come
to an unserved

00:06:01:05 - 00:06:03:04
or underserved counties
like Butte,

00:06:03:04 - 00:06:06:06
Imperial, Mendocino,
Merced and Modoc.

00:06:06:25 - 00:06:08:11
Staff
originally recommended

00:06:08:11 - 00:06:09:25
distributing 40 million

00:06:09:25 - 00:06:11:23
in the available funds
for the first cycle.

00:06:11:23 - 00:06:13:13
But we had so many
applications

00:06:13:13 - 00:06:14:24
for great projects.

00:06:14:24 - 00:06:15:19
Staff recommends

00:06:15:19 - 00:06:16:15
funding the entire

00:06:16:15 - 00:06:18:21
allocation
of nearly \$70 million.

00:06:19:16 - 00:06:20:28
You can click on
today's agenda

00:06:20:28 - 00:06:23:04
for more information
on each grant

00:06:23:04 - 00:06:24:17
award recipient,

00:06:24:17 - 00:06:26:06
and more funding
will be available

00:06:26:06 - 00:06:27:23
for this program
in the future.

00:06:27:23 - 00:06:31:13
CalRecycle
is working to get

00:06:31:13 - 00:06:33:23
even more infrastructure
funding out the door.

00:06:34:01 - 00:06:36:09
We welcome your feedback
on draft criteria

00:06:36:09 - 00:06:38:07
and the evaluation
process for two new

00:06:38:07 - 00:06:39:07
grants.

00:06:39:07 - 00:06:41:24
The increased
recycling of empty Glass

00:06:41:24 - 00:06:43:12
Beverage Containers
grant program

00:06:43:12 - 00:06:44:28
will find
a regional pilot

00:06:44:28 - 00:06:47:08
that supplied glass
container collection bins

00:06:47:18 - 00:06:50:25
to restaurants and on
sale beverage retailers.

00:06:51:13 - 00:06:53:06
And the recycled glass
processing

00:06:53:06 - 00:06:54:23
Incentive
Grant program aims

00:06:54:23 - 00:06:56:26
to help increase
glass quality

00:06:56:26 - 00:06:58:29
use in new glass
beverage containers.

00:06:59:17 - 00:07:01:10
Please send
written comments

00:07:01:10 - 00:07:03:06
or any questions
to the email on the

00:07:03:06 - 00:07:07:05
screen or by scanning the
QR code by August 23rd.

00:07:08:22 - 00:07:10:20

Next,
staff proposes a minor

00:07:10:20 - 00:07:12:22
change to their criteria
for the local Government

00:07:12:22 - 00:07:13:07
Waste Hire

00:07:13:07 - 00:07:15:10
Enforcement program,
which you can read

00:07:15:10 - 00:07:17:08
in the link of today's
agenda.

00:07:17:08 - 00:07:18:17
Let's watch a quick video

00:07:18:17 - 00:07:20:01
on how this funding
supports

00:07:20:01 - 00:07:22:03
local inspections
and enforcement programs.

00:07:23:07 - 00:07:25:09
Massive tire fires
burning for months

00:07:25:09 - 00:07:26:01
or even years

00:07:26:01 - 00:07:27:21
led California
to track the safe

00:07:27:21 - 00:07:29:18
management of its
waste tires.

00:07:29:18 - 00:07:30:27

We used to see
a lot of illegal

00:07:30:27 - 00:07:32:01
dumping of trash and.

00:07:32:01 - 00:07:33:18
Tires across the state.

00:07:33:18 - 00:07:35:13
More local governments
are taking the lead

00:07:35:13 - 00:07:36:29
to protect
their communities.

00:07:36:29 - 00:07:38:04
If they're properly
stored.

00:07:38:04 - 00:07:39:11
There's less of a hazard.

00:07:39:11 - 00:07:42:17
With up to \$650,000
in annual funding.

00:07:42:17 - 00:07:44:04
CalRecycle
Local Government

00:07:44:04 - 00:07:46:23
Waste Tire Enforcement
Grant program covers

00:07:46:23 - 00:07:48:19
costs for things
like program, stop

00:07:48:19 - 00:07:50:07
administration equipment

00:07:50:07 - 00:07:50:29
and travel

00:07:50:29 - 00:07:52:12
to support
local oversight

00:07:52:12 - 00:07:54:00
of neighborhood
businesses.

00:07:54:00 - 00:07:55:09
And a facility
that generates

00:07:55:09 - 00:07:57:11
waste tires,
whether it be airports,

00:07:57:11 - 00:07:59:18
golf courses,
mechanic shop.

00:07:59:18 - 00:08:01:21
Local inspectors
ensure local businesses

00:08:01:21 - 00:08:03:26
meet state standards
for safe hauling

00:08:04:01 - 00:08:06:26
tires, storage disposal
and record keeping.

00:08:06:26 - 00:08:08:21
They take time
to really educate

00:08:08:21 - 00:08:09:24
the business owners.

00:08:09:24 - 00:08:11:10
They're ensuring
the number of tires

00:08:11:10 - 00:08:12:08
going into the facility

00:08:12:08 - 00:08:14:00
or the number of tires
going out.

00:08:14:00 - 00:08:15:26
State funding,
coupled with CalRecycle

00:08:15:26 - 00:08:17:06
training
and support, helped

00:08:17:06 - 00:08:19:02
more than 30 communities
take control

00:08:19:02 - 00:08:21:08
of their waste tire
inspection programs.

00:08:21:12 - 00:08:22:28
I think that just
the fact

00:08:22:28 - 00:08:24:23
that we're out there
doing these inspections

00:08:24:23 - 00:08:26:26
really helps out
our communities.

00:08:26:26 - 00:08:29:01
Protecting Californians,
building trust

00:08:29:01 - 00:08:31:04
with local businesses,
and advancing

00:08:31:04 - 00:08:33:18
California's circular
waste free future.

00:08:39:04 - 00:08:41:10
6.25 million is available

00:08:41:10 - 00:08:42:10
each year to support

00:08:42:10 - 00:08:45:07
local inspections
and enforcement

00:08:45:07 - 00:08:47:22
at local sorry,
local inspections

00:08:47:22 - 00:08:48:21
and enforcement

00:08:48:21 - 00:08:50:08
applications.
Applications

00:08:50:08 - 00:08:53:01
are scheduled
to open in October.

00:08:53:01 - 00:08:54:14
And finally,
a quick update

00:08:54:14 - 00:08:56:05
to the used oil
recycling fund.

00:08:56:05 - 00:08:57:16
CalRecycle recommends

00:08:57:16 - 00:08:59:21
maintaining the current
6 million in funding

00:08:59:21 - 00:09:01:21
for the used oil payment
program.

00:09:01:21 - 00:09:03:13
As program costs increase

00:09:03:13 - 00:09:04:22

while revenues decrease.

00:09:04:22 - 00:09:07:09

Staff also recommends
replacing the used Oil

generated Sharps
space program,

00:12:11:14 - 00:12:13:15
as the annual report

its own reports
by September 27th,

00:12:33:02 - 00:12:34:15
for its cover drugs
and home

These projects mitigate
eligible sites

00:16:39:26 - 00:16:41:16
where the responsible
parties, unknown

00:16:41:16 - 00:16:43:17
or unable
to pay for actions needed

00:16:43:17 - 00:16:45:17
to protect public health
and the environment.

00:16:46:26 - 00:16:48:03
Deputy
Director Mark de Bie

00:16:48:03 - 00:16:51:02
is here with those items.
Good morning.

00:16:51:02 - 00:16:51:26
Good morning, Maria.

00:16:51:26 - 00:16:52:24
Thank you.

00:16:53:07 - 00:16:54:21
So, CalRecycle

00:16:54:21 - 00:16:56:19
is partnering
with a couple other

00:16:56:19 - 00:16:57:21
agencies, the Bureau

00:16:57:21 - 00:16:59:03
of Land Management
and the U.S.

00:16:59:03 - 00:16:59:26
Forest Service,

00:16:59:26 - 00:17:02:16
to remediate two legacy
disposal sites.

00:17:04:09 - 00:17:07:13
The Lower Virginia Creek
Legacy dump site

00:17:07:14 - 00:17:08:11
near Conway

00:17:08:11 - 00:17:10:01
Summit in Mono County

00:17:10:01 - 00:17:12:03
is managed by the Bureau
of Land Management,

00:17:12:25 - 00:17:15:03
and it currently
has exposed waste,

00:17:15:03 - 00:17:16:24
including metal, glass

00:17:16:24 - 00:17:19:01
and concrete
that had accumulated

00:17:19:06 - 00:17:21:22
on the site over
several decades

00:17:21:22 - 00:17:23:20
and is scheduled
to be removed

00:17:23:20 - 00:17:26:18
by CalRecycles
Contractor.

00:17:26:18 - 00:17:31:00

The budget for
this project is \$31,800

00:17:31:00 - 00:17:33:14
and will come out of the
Solid Waste Trust fund.

00:17:34:24 - 00:17:36:19
The second cleanup

00:17:36:19 - 00:17:39:05
is for the Upper Virgin

00:17:39:11 - 00:17:42:21
Creek Legacy dump site,
which is nearby.

00:17:43:06 - 00:17:44:12
The previous one

00:17:44:12 - 00:17:48:20
CalRecycle managed
cleanup for this site

00:17:48:20 - 00:17:51:12
is in partnership
with the Forest Service,

00:17:52:00 - 00:17:54:01
and this one is expected

00:17:54:01 - 00:17:57:06
to have
a budget of \$109,000.

00:17:57:07 - 00:18:00:13
Also coming out of the
Solid Waste Trust fund,

00:18:01:27 - 00:18:03:20
I also wanted to

00:18:03:20 - 00:18:07:12
folks know that we're
looking at two changes

00:18:07:12 - 00:18:08:24
to the scoring criteria

00:18:08:24 - 00:18:11:02
for the solid waste
cleanup grants.

00:18:12:24 - 00:18:14:04
The clean up grants on

00:18:14:04 - 00:18:17:05
private property
scores will be decreased

00:18:17:05 - 00:18:20:02
if specified enforcement
cases.

00:18:20:12 - 00:18:22:21
Case milestones
are not completed First.

00:18:23:00 - 00:18:25:04
So that's one change.

00:18:25:04 - 00:18:27:10
The second change is
we're also

00:18:28:02 - 00:18:29:05
it's not really a change.

00:18:29:05 - 00:18:31:00
It's a clarification
on how

00:18:31:00 - 00:18:33:28
points are assigned
under the disadvantaged

00:18:33:28 - 00:18:36:28
communities
scoring section.

00:18:36:28 - 00:18:40:07

So I have these changes
proposed to me

00:18:40:07 - 00:18:43:00
and after this meeting
I plan to

00:18:43:06 - 00:18:45:14
move forward on them.

00:18:45:14 - 00:18:47:04
I wanted to also announce

00:18:47:04 - 00:18:50:08
that the next grant cycle
for the Clean up grants

00:18:51:10 - 00:18:54:22
opens next week
with applications due

00:18:55:00 - 00:18:57:21
next month in September.

00:18:58:09 - 00:19:00:07
So I'll move on now

00:19:00:07 - 00:19:03:13
to solid waste hire

00:19:03:16 - 00:19:07:05
and tire facility permits
and emergency waivers.

00:19:07:26 - 00:19:08:28
And as usual,

00:19:08:28 - 00:19:11:19
we have a quick overview
of California Facility

00:19:11:19 - 00:19:12:03
standards

00:19:12:03 - 00:19:15:02

and statewide facility
permit update from

00:19:15:26 - 00:19:18:13
our environmental program
manager, Pauline

00:19:18:17 - 00:19:19:07
Lawrence.

00:19:24:10 - 00:19:26:09
Protecting the
health of Californians

00:19:26:09 - 00:19:29:29
and their land, food,
water and.

00:19:35:25 - 00:19:37:05
We were having sound

00:19:37:05 - 00:19:38:28
issues,
but that sounded even.

00:19:38:28 - 00:19:39:18
Worse.

00:19:46:13 - 00:19:47:12
Protecting the health

00:19:47:12 - 00:19:49:10
of Californians
and their land,

00:19:49:10 - 00:19:51:25
Food, water
and air is a big job.

00:19:52:08 - 00:19:54:01
Local, state
and federal agencies

00:19:54:01 - 00:19:56:17
play different roles
to enforce public health

00:19:56:17 - 00:19:58:27
and environmental safety
standards.

00:19:58:27 - 00:20:00:18
In California,
solid waste

00:20:00:18 - 00:20:02:26
local enforcement
agencies, process

00:20:02:26 - 00:20:05:19
applications, issue
and enforce permits.

00:20:07:17 - 00:20:10:12
These include landfills,
transfer stations,

00:20:10:12 - 00:20:13:06
compost facilities,
or similar operations.

00:20:13:09 - 00:20:16:17
CalRecycle must verify
permits are consistent

00:20:16:17 - 00:20:18:07
with state requirements.

00:20:18:07 - 00:20:19:10
The permits can only

00:20:19:10 - 00:20:21:02
address areas
within the authority

00:20:21:02 - 00:20:24:09
of local enforcement
agencies and Cal Recycle.

00:20:24:24 - 00:20:25:24
Check out the link below

00:20:25:24 - 00:20:28:00
for more detailed
information.

00:20:28:00 - 00:20:30:20
Emergency waivers
allow temporary changes

00:20:30:20 - 00:20:32:20
to solid waste
permit requirements

00:20:32:20 - 00:20:35:10
in response to local
or state disaster.

00:20:35:28 - 00:20:37:12
Local enforcement
agencies

00:20:37:12 - 00:20:39:16
may approve the waivers,
which are good

00:20:39:16 - 00:20:42:26
for up to 120 days
and may be extended.

00:20:43:10 - 00:20:45:18
CalRecycle must review
approved waivers

00:20:45:25 - 00:20:47:07
and can condition

00:20:47:07 - 00:20:48:15
limit, suspend

00:20:48:15 - 00:20:50:20
or terminate them.
Check out the link

00:20:50:20 - 00:20:52:26
for more detailed
information.

00:20:52:26 - 00:20:54:21
For waste hire
facilities.

00:20:54:21 - 00:20:56:27
Cal Recycle
processes, applications,

00:20:57:07 - 00:20:59:25
issues and enforces
waste hire permits.

00:21:00:09 - 00:21:02:05
These include
requirements to make sure

00:21:02:05 - 00:21:04:27
tires are stored
and processed in a way

00:21:05:05 - 00:21:06:20
that reduces
potential threats

00:21:06:20 - 00:21:08:12
from fire and disease

00:21:08:12 - 00:21:10:21
carrying vectors
like mosquitoes.

00:21:10:21 - 00:21:12:27

00:23:05:18 - 00:23:07:26
Preliminary review
of the permit package

00:23:07:26 - 00:23:09:29
indicates the following
proposed changes

00:23:10:17 - 00:23:14:03
increasing the permitted
area from 39.8 acres.

00:23:14:11 - 00:23:16:11
To 41.8 acres.

00:23:23:09 - 00:23:23:26

And since the

00:23:26:29 - 00:23:29:03
agenda for this
meeting was established,

00:23:29:11 - 00:23:33:03
we had at least
one more item come in.

00:23:33:03 - 00:23:35:24
And so here's Pauline
live in the room.

00:23:36:04 - 00:23:37:29
How about that one?

00:23:37:29 - 00:23:39:03
Thanks, Mark.

00:23:39:03 - 00:23:40:06
Hello, everyone.

00:23:40:06 - 00:23:42:16
Yeah, as Mark mentioned,

00:23:42:16 - 00:23:44:23
as we go through
each month,

00:23:44:23 - 00:23:46:20
not only does CalRecycle,
but also

00:23:46:20 - 00:23:48:05
local enforcement
agencies

00:23:48:05 - 00:23:49:20
and those facility

00:23:49:20 - 00:23:52:03
operations work
real closely to get their

00:23:52:20 - 00:23:55:13
revised, modified
or new permit actions

00:23:56:01 - 00:23:58:19
to come in to
be reviewed by our cycle.

00:24:00:10 - 00:24:01:04
For this month,

00:24:01:04 - 00:24:03:10
we just received
a new permit action

00:24:03:10 - 00:24:05:01
from the City of Los
Angeles.

00:24:05:01 - 00:24:07:09
This is for Crown
Recycling Services.

00:24:08:00 - 00:24:10:27
The facility is located
at 9147

00:24:10:27 - 00:24:13:20
DeGarmo Avenue in Sun
Valley, California.

00:24:14:09 - 00:24:17:00
This is a modified solid
waste facilities permit.

00:24:17:08 - 00:24:18:06
Action is needed.

00:24:18:06 - 00:24:22:08
October 15, 2024
preliminary review

00:24:22:08 - 00:24:23:25
of the proposed
permit package

00:24:23:25 - 00:24:25:27
indicates the following
proposed changes.

00:24:26:08 - 00:24:27:23
Removal of the tonnage

00:24:27:23 - 00:24:30:04
limits associated
with material types

00:24:30:28 - 00:24:35:11
and a permitted tonnage
of 6700 tons per day,

00:24:35:21 - 00:24:38:01
which is not changing
from the original permit.

00:24:38:10 - 00:24:39:13
Thank you everyone.

00:24:39:13 - 00:24:40:22
Back to Maria.

00:24:41:17 - 00:24:43:23
Thinks Colleen and Mark.

00:24:43:23 - 00:24:45:04
We apologize
for the video

00:24:45:04 - 00:24:46:22
recording sound issues
today.

00:24:46:22 - 00:24:48:21
We'll fix those before
uploading today's

00:24:48:21 - 00:24:50:10
meeting
video onto YouTube.

00:24:50:10 - 00:24:52:14
So the YouTube version
should be

00:24:52:25 - 00:24:54:12

louder throughout.

00:24:54:12 - 00:24:55:16
You can find
more information

00:24:55:16 - 00:24:57:10
on any of today's agenda
items.

00:24:57:10 - 00:24:58:26
Just go to CalRecycles
homepage

00:24:58:26 - 00:25:00:04
and click on the public
meeting

00:25:00:04 - 00:25:01:27
web banner at the top
of our homepage.

00:25:01:27 - 00:25:02:26
If you're watching
this live

00:25:02:26 - 00:25:04:16
or halfway down the page

00:25:04:16 - 00:25:05:19
for a link to the agenda

00:25:05:19 - 00:25:07:03
and associated
public notices

00:25:07:03 - 00:25:09:22
in the public meeting
section.

00:25:09:22 - 00:25:12:01
And now it's time
for our public comments.

00:25:12:02 - 00:25:13:01

First,
we'll take comments

00:25:13:01 - 00:25:13:25
from the public

00:25:13:25 - 00:25:15:22
or present
here in the Sacramento

00:25:15:22 - 00:25:18:14
CalEPA headquarters
meeting room.

00:25:18:26 - 00:25:20:10
And then after that,
we'll take comments

00:25:20:10 - 00:25:22:15
from those participating
by phone.

00:25:22:15 - 00:25:24:03
A reminder,
your microphones

00:25:24:03 - 00:25:25:03
on the phone

00:25:25:03 - 00:25:26:25
will stay muted
until you're called on

00:25:26:25 - 00:25:28:26
by the last four digits
of your phone number.

00:25:29:09 - 00:25:30:17
Also, please,

00:25:30:17 - 00:25:32:11
on the phone,
please mute your webcast

00:25:32:11 - 00:25:33:01
to avoid

00:25:33:01 - 00:25:35:18
potential feedback issues
because that can be

00:25:36:04 - 00:25:37:19
pretty loud here.

00:25:37:19 - 00:25:40:10
So now we will take
in-person comments

00:25:40:19 - 00:25:41:23
at the microphone

00:25:41:23 - 00:25:44:27
on the north or south
side of the room.

00:25:45:22 - 00:25:47:15
Do we have any
public comments today?

00:26:16:01 - 00:26:16:16
Okay.

00:26:16:16 - 00:26:18:22
Thank you. Okay.

00:26:19:00 - 00:26:21:17
Shirley,
first in Nevada County,

00:26:21:17 - 00:26:23:01
I saw something
about compost,

00:26:23:01 - 00:26:26:05
but is there a compost
program that's happening?

00:26:27:29 - 00:26:29:29
No. Is something

00:26:31:09 - 00:26:32:24

something
that I got about that.

00:26:32:24 - 00:26:33:02
But I

00:26:33:02 - 00:26:34:09
don't know
if it's happening

00:26:34:09 - 00:26:36:10
or how to do it, because
one thing that we need

00:26:36:25 - 00:26:39:05
is with the 1383 thing,
we would like this

00:26:39:05 - 00:26:41:09
keep our food
waste in the county

00:26:41:21 - 00:26:42:13
and we

00:26:42:13 - 00:26:43:09
are having a hard time

00:26:43:09 - 00:26:45:03
figuring out
how to do that.

00:26:45:03 - 00:26:47:12
So what can I who
can I talk to?

00:26:47:12 - 00:26:49:06
What can I do?
What can we do?

00:26:49:06 - 00:26:49:29
We would.

00:26:49:29 - 00:26:51:11
It's like,
Oh, Waste manager

00:26:51:11 - 00:26:53:04
said it will take it up
somewhere else.

00:26:53:04 - 00:26:55:05
That's a lot of fossil
fuels are well

00:26:55:06 - 00:26:56:20
and gas trucks. Well,
not really.

00:26:56:20 - 00:26:57:20
But anyway

00:26:57:20 - 00:26:59:17
it's still we'd like to
keep it in a county. Ah.

00:26:59:17 - 00:27:02:06
Is there a compost
program happening

00:27:02:06 - 00:27:03:19
that we
can work that out?

00:27:06:05 - 00:27:07:20
I'm looking at our
deputy, Michelle Martin,

00:27:07:20 - 00:27:09:12
who can give you
more information.

00:27:09:12 - 00:27:10:11
Okay.

00:27:11:07 - 00:27:12:08
Okay, perfect.

00:27:12:08 - 00:27:13:05
Thank you. Yes.

00:27:13:05 - 00:27:15:00

And of course,
that's number three.

00:27:15:00 - 00:27:16:09
That's number one.

00:27:17:24 - 00:27:18:25
Okay, good.

00:27:18:25 - 00:27:19:22
Thank you.

00:27:20:07 - 00:27:22:03
The other thing is
they listened in on this

00:27:22:03 - 00:27:23:26
zero waste plan

00:27:23:26 - 00:27:26:14
meeting the other day,
and I didn't

00:27:26:14 - 00:27:27:15
make any comments.

00:27:27:15 - 00:27:28:23
So I thought, well,

00:27:28:26 - 00:27:30:12
anyway, you know,
there's a few things

00:27:30:12 - 00:27:32:13
that occurred to me
after, you know,

00:27:32:13 - 00:27:33:10
as we thought about it.

00:27:33:10 - 00:27:35:05
I mean, I certainly agree
with most of them

00:27:35:05 - 00:27:37:16

that we need a definition
of what that is.

00:27:37:28 - 00:27:40:05
We said, you know,
how fast do we do?

00:27:40:05 - 00:27:41:04
That is another thing.

00:27:41:04 - 00:27:43:25
I mean, personally,

00:27:44:04 - 00:27:46:13
I've been you know,
I've been hanging around

00:27:46:13 - 00:27:46:29
with this stuff

00:27:46:29 - 00:27:48:26
since the late eighties
and nineties. Right.

00:27:48:26 - 00:27:50:14
And I don't think you're
ever going to get to

00:27:50:14 - 00:27:51:09
zero waste. But,

00:27:52:09 - 00:27:54:20
you know,
we need to move it along.

00:27:55:00 - 00:27:57:09
One thing that really
occurred to me was

00:27:57:09 - 00:27:59:25
when I worked in Marin
on the recycling program,

00:28:00:24 - 00:28:03:09
we educated the kids,

00:28:03:09 - 00:28:05:25
we educated the mostly
the secondary kids,

00:28:06:06 - 00:28:07:02
and I don't

00:28:07:02 - 00:28:08:29
I don't see I'm going
to be missing it.

00:28:08:29 - 00:28:11:02
But, you know,
in our area,

00:28:11:11 - 00:28:13:18
I don't see that
there are programs

00:28:13:18 - 00:28:15:12
in the schools
that have to do

00:28:15:12 - 00:28:17:11
with climate change
or recycling

00:28:17:11 - 00:28:20:01
or any of these things
that are just bottom line

00:28:20:15 - 00:28:22:10
in today's world anyway.

00:28:22:10 - 00:28:23:23
And so I don't know.

00:28:23:23 - 00:28:25:07
Can you do have
any influence?

00:28:25:07 - 00:28:26:23
Can you talk
and try and get it on?

00:28:26:23 - 00:28:28:01

Because they tell me, oh,

00:28:28:01 - 00:28:29:14
we can't do anything
because it's

00:28:29:14 - 00:28:32:22
not on the curriculum
from the from God.

00:28:33:06 - 00:28:35:09
It's in Sacramento,
you know, It's like,

00:28:35:09 - 00:28:36:05
well, come on now.

00:28:36:05 - 00:28:37:27
You know,
we need to figure out

00:28:37:27 - 00:28:38:26
is that something

00:28:38:26 - 00:28:40:15
that you think is
important

00:28:40:15 - 00:28:42:29
is to educate
our young people?

00:28:42:29 - 00:28:44:26
Well,
of course, of course.

00:28:44:26 - 00:28:47:05
Education is is critical.

00:28:47:05 - 00:28:48:02
And, you know,

00:28:48:02 - 00:28:49:17
this is back to school
week,

00:28:49:17 - 00:28:51:17
I can tell you,
because I have two kids

00:28:51:17 - 00:28:53:18
and back to school
nights are taking up

00:28:53:18 - 00:28:54:21
most of our evenings.

00:28:54:21 - 00:28:56:27
But of course
and CalRecycle

00:28:57:03 - 00:28:58:16
as you may know,

00:28:58:16 - 00:29:00:10
set up the Office
of Education,

00:29:00:10 - 00:29:01:11
Environmental Justice

00:29:01:11 - 00:29:03:16
and Tribal Affairs
not too long ago.

00:29:03:16 - 00:29:05:22
Last year, I believe, is
when we did that.

00:29:05:29 - 00:29:07:15
And our deputy

00:29:07:15 - 00:29:09:10
Katrina Leni-Konig
is very much focused

00:29:09:10 - 00:29:11:00
on how that program
can be helpful

00:29:11:00 - 00:29:13:27

and interact
with TDE and others.

00:29:14:15 - 00:29:16:17
And certainly
we do have some

00:29:16:17 - 00:29:18:22
some resources
for education.

00:29:18:22 - 00:29:21:08
I just saw our posters
that were made available,

00:29:21:15 - 00:29:23:01
and I can tell you I'm

00:29:23:01 - 00:29:23:13
sending them

00:29:23:13 - 00:29:24:01
to our schools

00:29:24:01 - 00:29:25:07
to make sure
that they put those up

00:29:25:07 - 00:29:27:07
so that the kids are have
some awareness.

00:29:27:07 - 00:29:28:25
And so
we are very interested

00:29:28:25 - 00:29:29:13
in figuring out

00:29:29:13 - 00:29:30:11
how to

00:29:30:11 - 00:29:31:09
take what
we're doing here

00:29:31:09 - 00:29:33:19
at CalRecycle
and offer it to our

00:29:33:29 - 00:29:35:24
our friends over

00:29:35:24 - 00:29:39:03
in TDE and other places
so that it can be a part

00:29:39:03 - 00:29:40:04
of the curriculum.

00:29:40:04 - 00:29:41:18
But you're
right. It is. It is.

00:29:42:17 - 00:29:44:00
Education
is a whole nother thing.

00:29:44:00 - 00:29:45:16
And CalRecycle
certainly isn't the lead,

00:29:45:16 - 00:29:47:22
but we definitely want to
partner there.

00:29:47:22 - 00:29:48:04
Okay.

00:29:48:04 - 00:29:48:13
Yeah.

00:29:48:13 - 00:29:50:15
I think to happen sooner
than later, knowing how

00:29:51:26 - 00:29:53:18
the government works
anyway.

00:29:53:18 - 00:29:54:10
Okay.

00:29:56:03 - 00:29:57:08
I just see another thing

00:29:57:08 - 00:29:59:28
about about solid waste
and then I'm finished is

00:30:00:25 - 00:30:02:23
my business
was retailing.

00:30:02:23 - 00:30:03:18
And so when

00:30:03:18 - 00:30:07:01
I go in the stores today,
I see the proliferation

00:30:07:10 - 00:30:08:00
of stuff.

00:30:08:00 - 00:30:09:18
I mean, you know,
like we used

00:30:09:18 - 00:30:11:08
to have cider vinegar
with cider vinegar.

00:30:11:08 - 00:30:13:11
Right now
there's like four or six

00:30:13:11 - 00:30:15:19
different
kinds of cider vinegar.

00:30:15:19 - 00:30:16:23
Not necessary.

00:30:16:23 - 00:30:17:24
I mean,
if I was going to go

00:30:17:24 - 00:30:20:03

and do a zero
waste program with

00:30:20:03 - 00:30:21:28
the stores
and the manufacturers,

00:30:21:28 - 00:30:24:11
I would just say
cut your stocks by 50%

00:30:24:20 - 00:30:25:29
because
the amount of waste

00:30:25:29 - 00:30:27:21
that we have
of all of that stuff

00:30:27:21 - 00:30:28:23
that they don't sell,

00:30:28:23 - 00:30:30:25
they're sitting in supply

00:30:30:25 - 00:30:32:20
places
in regional distribution

00:30:32:20 - 00:30:34:12
centers, central
distribution centers,

00:30:34:12 - 00:30:35:22
and they know all the way
back.

00:30:35:22 - 00:30:37:19
It's enormous
amount of stock

00:30:37:19 - 00:30:38:21
that's just
sitting there.

00:30:38:21 - 00:30:39:14

It isn't moving.

00:30:39:14 - 00:30:39:29

It is a movie.

00:30:39:29 - 00:30:41:21

Where does it go
in the landfill?

00:30:41:21 - 00:30:43:19

And particularly was
in the fashion business.

00:30:43:19 - 00:30:45:19

And I know that's
what's happening there

00:30:45:21 - 00:30:47:05

and that is
really serious.

00:30:47:05 - 00:30:48:08

How much stuff goes out.

00:30:49:09 - 00:30:51:05

You want one thing, you
got it with shorts and

00:30:51:05 - 00:30:52:07

a little plastic thing
and me.

00:30:52:07 - 00:30:53:03

Bob And there's one

00:30:53:03 - 00:30:55:07

you have to buy 12
in order to have one.

00:30:55:07 - 00:30:56:02

Anyway,

00:30:56:02 - 00:30:58:06

I think that is a huge,

00:30:58:06 - 00:30:59:08

huge place where we can

00:30:59:08 - 00:31:00:28
make some savings
toward it.

00:31:00:28 - 00:31:03:08
Zero waste. Thank you.

00:31:03:08 - 00:31:04:03
Thank you
for those comments.

00:31:04:03 - 00:31:05:27
And we certainly do
want to work with our

00:31:05:27 - 00:31:08:03
our friends in
the grocery store world.

00:31:08:03 - 00:31:09:18
And they have been doing
a good job.

00:31:09:18 - 00:31:11:03
And I know that
we've provided

00:31:11:03 - 00:31:13:04
some updates on our
our efforts

00:31:13:09 - 00:31:15:00
across California
on food rescue.

00:31:15:00 - 00:31:16:24
And there are a lot
of good stories

00:31:16:24 - 00:31:20:16
to tell there, but much
more work to be done.

00:31:20:25 - 00:31:22:19

I'd also like
to encourage you

00:31:22:19 - 00:31:24:00
or anyone present

00:31:24:00 - 00:31:26:14
or watching to go
to CalRecycle's homepage.

00:31:26:14 - 00:31:27:27
And at the top
we have a link

00:31:27:27 - 00:31:29:15
to our zero waste survey.

00:31:29:15 - 00:31:31:16
So if you have thoughts
and ideas, please

00:31:32:01 - 00:31:33:19
give us your feedback
officially.

00:31:33:19 - 00:31:35:25
That way
it helps us to include it

00:31:35:25 - 00:31:38:16
in the overall plan
that's being created.

00:31:39:06 - 00:31:41:06
Are there any other comments in the room today?

00:31:49:04 - 00:31:49:18
Good.

00:31:50:05 - 00:31:50:29
My name is Del Rio.

00:31:50:29 - 00:31:53:00
Vigaro from San Diego
County.

00:31:53:00 - 00:31:54:28
I'm a poly sci student.

00:31:54:28 - 00:31:56:21
I'm building
an initiative.

00:31:56:21 - 00:31:57:21
Back in 2010,

00:31:57:21 - 00:31:58:25
when I lived
in the county,

00:31:58:25 - 00:32:00:28
Sacramento County,
I was a part of a program

00:32:00:28 - 00:32:02:12
where we were doing
e-waste art.

00:32:02:12 - 00:32:04:12
We were doing recycling

00:32:04:12 - 00:32:06:14
at like gas station
and stuff like that.

00:32:06:24 - 00:32:07:19
I saw a lot

00:32:07:19 - 00:32:08:12
since being here

00:32:08:12 - 00:32:11:14
this year that a lot of
that is gone.

00:32:11:14 - 00:32:14:11
Prior to my knowledge
of that initiative

00:32:14:11 - 00:32:15:12
or that

00:32:17:13 - 00:32:18:17
yeah, initiative.

00:32:18:17 - 00:32:20:21
I thought about doing
e-waste

00:32:20:21 - 00:32:21:11
and I see that

00:32:21:11 - 00:32:23:12
we don't have
a lot of e-waste

00:32:23:13 - 00:32:26:16
kind of places
to drop it off.

00:32:26:16 - 00:32:28:23
I know that you can do it
at like Staples,

00:32:28:23 - 00:32:31:18
and I know that there's
like places

00:32:31:18 - 00:32:32:25
where you can
bring your e-waste.

00:32:32:25 - 00:32:36:12
But my thought was upon
doing

00:32:36:12 - 00:32:38:18
my analysis and building
this initiative

00:32:39:15 - 00:32:42:00
to do more,
how the tax sales do

00:32:42:00 - 00:32:44:17
their waste and do that
same kind of programing

00:32:44:18 - 00:32:46:05
for e-waste.

00:32:46:05 - 00:32:47:21
And the only real
roadblocks

00:32:47:21 - 00:32:49:12
that I'm finding within
the program itself

00:32:49:12 - 00:32:53:02
is the differentiation
between our state e-waste

00:32:53:02 - 00:32:55:25
and any outer e-waste
coming in

00:32:55:25 - 00:32:57:21
and trying to make sure
that there's a

00:32:57:21 - 00:32:58:11
there's a low

00:33:00:17 - 00:33:01:21
an understanding of the

00:33:01:21 - 00:33:04:05
differences
between those two things.

00:33:04:23 - 00:33:06:17
Other than that, I'm
not really finding

00:33:06:17 - 00:33:08:29
any kind of problems
other than that.

00:33:09:10 - 00:33:11:20
So I'm trying to see
about particularly

00:33:11:20 - 00:33:13:10

why we may not
have that other

00:33:13:10 - 00:33:14:08
than just like running

00:33:14:08 - 00:33:17:02
like events or just going
and dropping it off

00:33:17:29 - 00:33:19:21
or taking it to Staples.

00:33:19:21 - 00:33:20:19
Why don't we have

00:33:20:19 - 00:33:24:29
more places like we do
with the textile waste

00:33:26:17 - 00:33:29:10
program and doing it
that way for e-waste?

00:33:30:03 - 00:33:32:17
And then also, who might
I be able to talk

00:33:32:17 - 00:33:33:20
to about building

00:33:33:20 - 00:33:37:17
upon this initiative
that I'm doing?

00:33:38:05 - 00:33:40:13
Well,
our deputy director,

00:33:40:13 - 00:33:42:12
Kara Morgan,
is out of her e-waste.

00:33:42:12 - 00:33:43:23
But Marshall, sitting

00:33:43:23 - 00:33:45:07
right behind
you, is acting.

00:33:45:07 - 00:33:48:19
So certainly can use that
as a contact.

00:33:48:19 - 00:33:50:28
But e-waste, we're
looking at us right now.

00:33:51:10 - 00:33:52:28
The program is expanded

00:33:52:28 - 00:33:54:24
by quite
a bit under 1215,

00:33:54:24 - 00:33:56:19
and we are developing
those regulations.

00:33:56:19 - 00:33:57:16
Yeah, I see that.

00:33:57:16 - 00:33:58:09
And so

00:33:58:09 - 00:33:59:25
it is an opportunity
for us

00:33:59:25 - 00:34:01:26
to look at the program
and there'll be more

00:34:02:02 - 00:34:02:29
to come very soon.

00:34:02:29 - 00:34:04:04
I know that there was

00:34:04:04 - 00:34:05:18
a workshop
earlier this week.

00:34:05:18 - 00:34:06:03
We did have

00:34:06:03 - 00:34:06:25
a lot of technical

00:34:06:25 - 00:34:08:03
difficulties
during that workshop,

00:34:08:03 - 00:34:08:19
so I know that

00:34:08:19 - 00:34:11:11
there are plans in place
to to hold another one

00:34:11:22 - 00:34:12:25
because we know
that people

00:34:12:25 - 00:34:14:22
who wanted to participate
weren't able to because

00:34:14:22 - 00:34:16:04
of the technical
difficulties. So

00:34:17:06 - 00:34:17:28
stay tuned for that.

00:34:17:28 - 00:34:20:17
But understand, I
look forward to and I'm.

00:34:25:07 - 00:34:26:06
Are there
any more comments

00:34:26:06 - 00:34:27:23
in the room today.

00:34:29:17 - 00:34:30:06
Okay.

00:34:30:06 - 00:34:33:21
So we are now going to
take comments by phone.

00:34:34:09 - 00:34:35:01
If you're calling in,

00:34:35:01 - 00:34:36:12
your microphones
will stay muted

00:34:36:12 - 00:34:37:09
until you're called on

00:34:37:09 - 00:34:39:21
by the last four digits
of your phone number.

00:34:39:21 - 00:34:40:22
Once you're called on,

00:34:40:22 - 00:34:42:07
please mute
your computer's sound

00:34:42:07 - 00:34:43:28
before you start to avoid

00:34:43:28 - 00:34:46:01
the echo and feedback
we talked about.

00:34:46:01 - 00:34:48:06
And Lance,
are there any callers?

00:34:50:16 - 00:34:51:19
Thanks, Maria.

00:34:51:19 - 00:34:53:22
We have three calls
right now in the queue.

00:34:53:26 - 00:34:54:26

We'll take them
in the order

00:34:54:26 - 00:34:56:08
they were received.

00:34:56:08 - 00:35:00:16
First
caller is ending in 6607.

00:35:01:06 - 00:35:02:19
I will ask you to

00:35:02:19 - 00:35:03:04
get your mike,

00:35:03:04 - 00:35:04:05
state
your name affiliation

00:35:04:05 - 00:35:05:28
and go ahead
with your comment.

00:35:14:27 - 00:35:15:14
Hello there.

00:35:15:14 - 00:35:15:26
I'm here.

00:35:18:20 - 00:35:20:27
This is Leonard Lang.

00:35:20:27 - 00:35:23:29
And I work with recyclers
up and down the state.

00:35:25:19 - 00:35:26:09
Wanted to see.

00:35:26:09 - 00:35:28:20
If there was
any findings.

00:35:28:23 - 00:35:30:23
A few months ago I.

00:35:30:23 - 00:35:34:08
Asked if the department
would be.

00:35:34:14 - 00:35:38:02
Adopting permanent
regulations or emergency

00:35:38:02 - 00:35:41:07
regulations that were
adopted in 2013.

00:35:41:07 - 00:35:44:03
2014 for SB 96.

00:35:45:07 - 00:35:46:14
Director said that

00:35:46:14 - 00:35:48:06
you guys
would look into that.

00:35:48:06 - 00:35:51:24
And then one
other question with the

00:35:53:03 - 00:35:54:07
the Supreme Court, U.S.

00:35:54:07 - 00:35:57:05
Supreme Court
making a decision on

00:35:57:05 - 00:35:59:02
Chevron deference,

00:35:59:02 - 00:36:01:26
does the department see
that having any effect

00:36:02:09 - 00:36:04:26
on California and pass

00:36:04:26 - 00:36:05:28
decisions?

00:36:08:28 - 00:36:10:01

Thank you
for those comments

00:36:10:01 - 00:36:15:19

and the regs calendar is
does include

00:36:15:27 - 00:36:18:22

moving from emergency
regs to permanent regs,

00:36:18:22 - 00:36:21:23

but it's also in the mix
of all of the other

00:36:21:23 - 00:36:22:17

regs packages,

00:36:22:17 - 00:36:24:11

many of which
we've talked about today

00:36:24:11 - 00:36:25:18

are being completed

00:36:25:18 - 00:36:26:13

and going
through the process.

00:36:26:13 - 00:36:28:23

So it
is on our to do list

00:36:30:03 - 00:36:31:23

that is
down there on Chevron.

00:36:31:23 - 00:36:33:00

Of course,
that will have an

00:36:33:00 - 00:36:34:04

impact on California.

00:36:34:04 - 00:36:35:26
And I know that
all of the videos

00:36:35:26 - 00:36:37:23
are looking at that now.

00:36:40:21 - 00:36:41:15
Thank you.

00:36:47:09 - 00:36:49:09
Up next, we have a caller

00:36:49:09 - 00:36:51:27
with the last four
digits, 0392.

00:36:52:17 - 00:36:54:00
I'm going to ask you
to a new state,

00:36:54:00 - 00:36:54:26
your name affiliation.

00:36:54:26 - 00:36:56:18
Go ahead
with your comment.

00:37:04:29 - 00:37:07:08
Color ending in 0392.

00:37:11:24 - 00:37:12:23
Okay.

00:37:12:23 - 00:37:14:03
Moving on
to our next caller.

00:37:14:03 - 00:37:16:26
Sorry about that,
but can you hear me now?

00:37:17:11 - 00:37:19:20
Yes, we can hear you.
I'm sorry.

00:37:19:20 - 00:37:21:23
That was operator
error on my part.

00:37:22:28 - 00:37:23:12
Thank you.

00:37:23:12 - 00:37:26:15
This is Susan Collins,
president of Container

00:37:26:15 - 00:37:27:17
Recycling Institute,

00:37:27:17 - 00:37:28:17
who now knows
the difference

00:37:28:17 - 00:37:32:01
between the pound button
and the start button.

00:37:32:01 - 00:37:33:11
I was

00:37:33:22 - 00:37:35:07
I just have a couple
of comments today.

00:37:35:07 - 00:37:36:02
First,

00:37:36:15 - 00:37:38:19
congratulations
and thank you on

00:37:38:19 - 00:37:42:04
releasing the latest
regulatory package

00:37:42:04 - 00:37:45:14
on the dealer co-ops
and also on

00:37:46:08 - 00:37:49:16

awarding all of those
grant to all of the new

00:37:49:16 - 00:37:52:16
and potential recycling
locations with the

00:37:53:10 - 00:37:55:02
Redemption
Innovation grant.

00:37:56:03 - 00:37:57:28
I know
I'm super excited and

00:37:57:28 - 00:37:59:02
I know
a lot of people around

00:37:59:02 - 00:38:01:11
the state are going to be
really, really excited

00:38:01:27 - 00:38:05:18
to see all of those
new sites get developed.

00:38:06:14 - 00:38:08:18
And especially because
there is a lot of it

00:38:08:18 - 00:38:09:25
that really is

00:38:09:25 - 00:38:12:05
new technology
and new modalities

00:38:12:05 - 00:38:14:10
of returning beverage
containers. And so.

00:38:14:22 - 00:38:16:05
Thank you.

00:38:16:20 - 00:38:17:08

Let's.

00:38:17:08 - 00:38:19:04

It's getting this ball
rolling

00:38:19:04 - 00:38:21:26

as we move toward
January 1st, 2025,

00:38:21:26 - 00:38:23:17

when all of the stores
need to comply.

00:38:23:17 - 00:38:25:20

So that's super exciting.

00:38:25:20 - 00:38:27:00

And I also wanted to

00:38:27:00 - 00:38:29:24

thank you and especially
thank Mindi for

00:38:31:01 - 00:38:33:28

sending me the follow up
email last month

00:38:33:28 - 00:38:34:25

to alert me about

00:38:34:25 - 00:38:36:28

the new financial reports
that were available.

00:38:37:07 - 00:38:38:06

I received both

00:38:38:06 - 00:38:40:13

the semiannual
financial report

00:38:40:13 - 00:38:42:10

and the June governor's

00:38:42:10 - 00:38:45:11

budget, and I was pleased
to see that the \$300

00:38:45:11 - 00:38:48:10
million inaccuracy
has been corrected

00:38:48:19 - 00:38:51:21
for the fund balance
for last calendar

00:38:51:21 - 00:38:55:19
year 2022, I mean start
last fiscal year 22, 23.

00:38:55:29 - 00:38:57:26
And so that's
just another Thank you.

00:38:57:26 - 00:38:58:28
And that's
all I've got today.

00:39:01:05 - 00:39:01:18
Thank you.

00:39:01:18 - 00:39:02:15
Thank
you for the comments.

00:39:02:15 - 00:39:04:17
And we are very excited
about the

00:39:04:17 - 00:39:06:11
Recycling innovation
grant and the

00:39:06:11 - 00:39:07:19
and the 1013 regulation.

00:39:07:19 - 00:39:08:16
So really appreciate

00:39:08:16 - 00:39:11:19

folks watching that
and helping us to develop

00:39:12:01 - 00:39:12:24
those processes.

00:39:12:24 - 00:39:13:11
Both the grants

00:39:13:11 - 00:39:14:29
and the regulations
are super important

00:39:14:29 - 00:39:16:02
and as you've mentioned,

00:39:16:02 - 00:39:17:25
are are about innovation

00:39:17:25 - 00:39:19:00
and moving the program
forward

00:39:19:00 - 00:39:20:20
and allowing
some modernization

00:39:20:20 - 00:39:22:08
into the beverage
container program

00:39:22:08 - 00:39:23:28
to provide access
to consumers

00:39:23:28 - 00:39:25:12
and increase
those recycling rates.

00:39:25:12 - 00:39:28:18
So thank you
for your comments.

00:39:31:01 - 00:39:32:24
We have one more caller.

00:39:32:24 - 00:39:35:27
Last digits are six
five by five.

00:39:36:09 - 00:39:38:00
I will ask you to unmute.

00:39:38:00 - 00:39:39:12
Please state your name,
affiliation

00:39:39:12 - 00:39:41:11
and go ahead
with your comment.

00:39:47:15 - 00:39:49:19
Hello, my name's
Amelia Churchill

00:39:49:19 - 00:39:51:13
and I'm with US
Tire Manufacturers

00:39:51:13 - 00:39:54:07
Association,
and I wanted to know

00:39:54:08 - 00:39:55:02
if you knew

00:39:55:02 - 00:39:57:21
when the five year plan
for the West Tire

00:39:57:21 - 00:40:01:15
Recycling Management
Program for years, 2526

00:40:01:15 - 00:40:05:07
to 2930 was going to
be posted online

00:40:05:07 - 00:40:05:25
or released.

00:40:10:13 - 00:40:11:05

I'm looking at our team.

00:40:11:05 - 00:40:12:20

Do we have that date?

00:40:17:21 - 00:40:19:11

Hi, this is Clark

Williams

tire plan this fall.

00:40:25:28 - 00:40:28:17

And so we anticipate

a workshop

00:40:28:17 - 00:40:30:12

00:40:31:08 - 00:40:32:21

engagement

on the next iteration,

00:40:32:21 - 00:40:34:04

00:40:34:04 - 00:40:35:06

Thank you, Clark.

00:40:36:21 - 00:40:37:19

Thank you.

00:40:42:05 - 00:40:42:18

All right.

00:40:42:18 - 00:40:43:15
That looks like that's

00:40:43:15 - 00:40:45:15
all of our comments
for today.

00:40:45:15 - 00:40:49:08
So you can find
the recording of today's

00:40:49:08 - 00:40:51:16

so maybe not till
beginning next week.

00:41:00:05 - 00:41:02:06

00:41:03:24 - 00:41:05:12

00:41:14:26 - 00:41:17:05

00:41:17:15 - 00:41:19:25
Thank you so much and we
will see you next month.
