

Notice of Extension of Public Comment Period

SB 54 Plastic Pollution Prevention and Packaging Producer Responsibility Act Regulations 15-Day Comment Period extended to November 3, 2024.

The Department of Resources Recycling and Recovery (CalRecycle) is conducting formal rulemaking activities regarding the SB 54 Plastic Pollution Prevention and Packaging Producer Responsibility Act regulations. The Notice of Proposed Action (Notice) was published by the Office of Administrative Law on March 8, 2024, and the original 45-day public comment period began on March 8, 2024. CalRecycle also held a hybrid public hearing regarding this rulemaking on April 23, 2024. CalRecycle extended the 45-day public comment period to be a 61-day comment period that ended on May 8, 2024.

A Notice of 15-Day Changes to the Proposed Rulemaking was published by CalRecycle on October 14, 2024, and the 15-day comment period began on October 14, 2024. CalRecycle is extending this 15-day comment period to be a 20-day comment period that ends on November 3, 2024.
