

# DEALER AFFIDAVIT

## Option 2: Join a Dealer Cooperative

The dealer has opted to join a dealer cooperative instead of redeeming in-store. The dealer understands they must redeem beverage containers in-store until their cooperative membership is confirmed by CalRecycle. The dealer's membership must remain in good standing and can be revoked by the dealer cooperative, CalRecycle, or the dealer at any time. If the membership ends, the dealer will revert to Option 1 and be required redeem consumers' beverages in-store.

The dealer understands that this form is not valid if the dealer cooperative name and/or dealer cooperative number is left blank or the dealer cooperative entered has not been approved by CalRecycle. The dealer will revert to Option 1 (redeem in-store) if the information entered is missing or incorrect.

The dealer has posted a sign at all public entrances to the dealer's place of business, which states that beverage containers can be redeemed at the dealer cooperative location.
