January 14, 2025

**NOTICE**

**TO: Glass Market Development Payment Program Participants**

**SUBJECT: Glass Market Development Payment Rate for 2025**

The passage of [SB 1013 \(Atkins, Chapter 610\)](#) added Public Resources Code, Section 14549.7 to develop California markets for glass beverage containers collected for recycling in the state. SB 1013 allows the Department of Resources Recycling and Recovery, Division of Recycling to pay, subject to the availability of funds, a market development payment to a glass beverage container manufacturer who purchase recycled glass collected in California for use in manufacturing new beverage containers in the state. Payments to glass beverage container manufacturers are only for California Refund Value (CRV) eligible glass beverage containers.

Effective January 1, 2025, Glass Market Development Payment (GMDP) Program participants must use the 2025 GMDP rate as noted in the table below. The GMDP rate is used to determine the total eligible glass material after exclusion of all non-qualifying material (out-of-state, plant rejects, and other non-qualifying glass material)

<b>2025 Glass Market Development Payment Rate*</b>
<b>68%</b>

\*Failure to use the above rate for the 2025 calendar year reporting quarters will result in incorrect claims and payments.

If you have questions regarding this notice, please contact John Ngo at (916) 323-4037 or [MarketInformation@CalRecycle.ca.gov](mailto:MarketInformation@CalRecycle.ca.gov).

Sincerely,

Monica Torres  
Branch Chief
