PLASTIC BEVERAGE CONTAINER VIRGIN AND POSTCONSUMER RESIN CONSOLIDATED REPORT

CalRecycle 254A and 254B

INSTRUCTIONS

Part A – Reporting Beverage Manufacturer Information

The Reporting Beverage Manufacturer is the beverage manufacturer who has assumed the responsibility of gathering and submitting the consolidated report for the beverage manufacturers participating in the consolidated report.

1. Enter reporting period. This should be the previous calendar year, as the data is reported in arrears.

2. Enter the Reporting Beverage Manufacturer's unique identification number *exactly* as it is registered with CalRecycle. Please note that the information for each Participating Beverage Manufacturer participating in the consolidated report must be entered in Part B of the report.

3. Enter the Reporting Beverage Manufacturer's name *exactly* as it is registered with CalRecycle to ensure that your report is applied to the correct account.

9. On page (1) enter the ***aggregated amount*** **(the cumulative total of information entered for each Participating Beverage Manufacturer listed in Part B)** (including caps and labels) of virgin and postconsumer recycled plastic used in beverage containers subject to the CRV for sale or transfer in the state (pounds) separated by total amount of virgin plastic resin and postconsumer recycled plastic resin, under the appropriate columns for each resin type (1 through 7).

Part B – Consolidated Report Participating Beverage Manufacturers

A Participating Beverage Manufacturer is any beverage manufacturer whose information is included in the aggregated total amount reported in Item 9 on Part A of the report. Unless otherwise indicated, the following information must be provided for each Participating Beverage Manufacturer included in the report.

19. Enter the Participating Beverage Manufacturer's unique identification number *exactly* as it is registered with CalRecycle.

20. Enter the Participating Beverage Manufacturer's name *exactly* as it is registered with CalRecycle to ensure that report is applied to the correct account.

21. Enter the name of the Participating Beverage Manufacturer's Contact Person who is able to answer questions regarding the beverage manufacturer information provided in the

consolidated reported.

22. Enter the Reporting Beverage Manufacturer’s Contact Person's telephone number.

23. Enter the Reporting Beverage Manufacturer’s Contact Person's email address.

9. Enter the amount (including caps and labels) of virgin and postconsumer recycled plastic used in beverage containers subject to the CRV for sale or transfer in the state (pounds) separated by total amount of virgin plastic resin and postconsumer recycled plastic resin, under the appropriate columns for each resin type (1 through 7).
