Subject: Stewardship Plan Changes and Notification – August 2025

Dear Karen Kayfetz,

Please see the changes Circular CRV Association will make to its 'Dealer Cooperative Stewardship Plan' in September 2025, as well as the changes made to the Plan for August 2025, summarized below.

Administrative Corrections

General Operations:

Effective August 1, 2025, Circular CRV Association will begin use of a ***dba ('doing business as') name of Recycle Depot***. All consumer-facing transactions will be conducted using this name, including the Cooperative's website. Trademark applications for this name were submitted to the US Patent Office in March 2025.

Pursuant to 14 CCR Section 2378(b), effective August 1, 2025, the changes outlined below to Circular CRV Association's Dealer Cooperative Stewardship Plan have been made:

Part I – Section 3: Decision-Makers

Section 3 of Circular CRV Association's Dealer Cooperative Stewardship Plan has been amended as follows:

Persons responsible for decisions made on behalf of the Dealer Cooperative include the Executive Director and members of the Board of Directors:

Matthew Dodson, Chairman of the Board of Directors

Ron Fong, Board of Directors (Treasurer)

Michel LeClerc, Board of Directors (Secretary)

Brian Gray, Board of Directors (Member)

Jacie Leavitt, Board of Directors (Member)

Part I – Section 8: Processors and Recycling Centers

Section 8 of Circular CRV Association's Dealer Cooperative Stewardship Plan has been amended to remove all references to "certified" redemption contractors in favor of the term "redemption contractors." The Plan has been amended as follows:

The Dealer Cooperative has established partnership agreements with redemption contractors throughout the State of California to facilitate the redemption of CRV materials in compliance with applicable regulations. The Dealer Cooperative does not intend to independently ship CRV materials to processors or recycling centers. The Dealer Cooperative will rely on its redemption contractor partners to manage the collection and shipping of CRV materials on its behalf.

Under the terms of these partnership agreements, all CRV materials collected by redemption contractors on behalf of the Dealer Cooperative will be shipped exclusively to material processors certified by the State of California.

A list of redemption contractors and corresponding certification numbers with whom the Dealer Cooperative has formal agreements is provided in Exhibit E in the Appendix of this Stewardship Plan. While the Dealer Cooperative does not dictate or oversee the specific destinations for CRV materials, Exhibit F in the Appendix lists the processors and corresponding certification numbers to whom redemption contractor partners may ship CRV materials collected on behalf of the Dealer Cooperative.

The listings in Exhibit E and Exhibit F are accurate as of the date of submission for approval of this Stewardship Plan. Any changes to these lists, including the addition of new redemption contractors or materials processors associated with the Dealer Cooperative's operations, will be updated and communicated as directed by CalRecycle.
