

FINAL REGULATION TEXT

SB 1215 Covered Battery-Embedded Products Emergency Regulations E-Waste Branch

DEPARTMENT OF RESOURCES RECYCLING AND RECOVERY CALIFORNIA CODE OF REGULATIONS

ARTICLE 1. General

Section 18660.5. Definitions.

(a) For the purposes of this Chapter, the following shall apply:

(1) "Act" or "the Act" means the Electronic Waste Recycling Act of 2003 (Senate Bill 20, Chapter 526, Statutes of 2003), as amended.

(2) "Approved Collector" means an authorized collector as defined in Section 42463(b) of the Public Resources Code who applies to CalRecycle for approval and whose application is approved pursuant to this Chapter and therefore may be eligible for recovery payments from approved recyclers.

(3) "Approved Dual Entity" means an entity that is both an "approved collector" and an "approved recycler" as defined in this Section.

(4) "Approved Recycler" means a "covered electronic waste recycler" as defined in Section 42463(j) of the Public Resources Code who applies to CalRecycle for approval and whose application is approved pursuant to this Chapter and therefore may be eligible for recycling payments from CalRecycle.

(5) "Authorized Signatory" or "Signatory Authority" means the person(s) who has authority to legally bind a person, collector, recycler, dual entity, local government, or manufacturer to a contract.

(6) "Bare CRT" means a Cathode Ray Tube with the vacuum relieved and the yoke removed that has been separated from the device housing and has had all circuit boards, wiring and other components detached from the tube.

(7) "Bare Panel" means an LCD, plasma, or other non-CRT video display panel that has been separated from the device housing and has had all circuit boards, lamps, wiring and other components detached from the panel. Lamps may remain affixed to an otherwise bare panel only if they cannot be removed without breaking.

(8) "Battery Chemistry" means the specific combination of materials used in the cathode, anode, and electrolyte of the battery. Types of battery chemistries include, but are not limited to, lithium-ion, nickel-metal hydride, nickel-cadmium, and small sealed lead-acid.

~~(89)~~ "Cancellation" means a processing or treatment method that qualifies CEWs for recycling payments, removes the CEWs from the payment system eliminating the

possibility of double payments, dismantles or destroys the original CEW, and results in treatment residuals as specified in Section 18660.32 of this Chapter.

(910) "Claim Activity Period" means the span of time during which an approved recycler received CEWs from approved collectors, processed and cancelled CEWs, and shipped treatment residuals, as required, that results in a recycling payment claim being submitted to CalRecycle.

(4011) "CRT" means a Cathode Ray Tube with the yoke still attached that has been separated from a CRT device.

(4412) "CRT device" means a whole covered electronic device containing a Cathode Ray Tube.

(4213) "California Source" means persons, as defined in Section 42463(r) of the Public Resources Code, ~~located in California~~ who generate CEWs after their own use of a ~~GED~~ Covered Electronic Device within the State of California. Persons who receive, accumulate, consolidate, store, or otherwise handle discarded, donated or collected CEWs are not the California sources of those CEWs. For purposes of this chapter, "use" or "using" means operating the Covered Electronic Device in a manner consistent with ownership, including business or personal ownership, or the leasing of a Covered Electronic Device so long as the lessees operate the Covered Electronic Device within the State of California.

(4314) "CalRecycle" means the Department of Resources Recycling and Recovery.

(4415) "Collection log" means a record maintained by an approved collector that records CEW collection activities as specified in Section 18660.20(j) of this Chapter.

(4516) "Collective Report" means a report submitted to CalRecycle through a trade association, a group of associations, or other organization that represents more than one manufacturer.

(4617) "Commingled" means mixed together and impossible to economically or practically separate.

(18) "Commonly used household tools" or "common household tools" means tools that are routinely used by households.

(A) The following items are categorically considered to be commonly used household tools:

1. Flathead, crosshead, and Phillips screwdrivers;

2. Paper clips;

3. Coins; and

4. Hex keys.

(B) Commonly used household tools or common household tools do not include the following items:

1. Hammers, mallets, scissors, pliers, knives, ratchets, saws, or chisels;

2. Screwdrivers with drive tips that are not available for purchase by the general public, only used for the products of a single manufacturer or brand, or have an active U.S. patent;

3. Tools that are only available to:

a. A consumer with the purchase of a product;

b. Persons who are employees of or are contracted with the manufacturer or brand; or

c. Persons holding a required licensure or certification;

4. Tools that require the use of batteries, electricity, or fuel to power; or

5. Tools that require the application of heat, solvents, or significant force to separate a covered battery from a product.

(18.5) "Covered Battery-Embedded Product" or "CBEP" has the same meaning, for the purposes of this Chapter, as a covered battery-embedded product specified in Section 42463(f)(1)-(2) of the Public Resources Code.

(A) A motor vehicle is not a covered battery-embedded product.

(4719) "Covered Electronic Device" or "CED" has the same meaning, for the purposes of this Chapter, as a covered electronic device specified in Section 42463(g)(1)(A)-(B) of the Public Resources Code.

(4820) "Covered Electronic Waste" or "CEW" has the same meaning, for the purposes of this Chapter, as covered electronic waste specified in Section 42463(h) of the Public Resources Code, which defines "covered electronic waste" or "covered e-waste" as a covered electronic device, defined in Section 42463(g)(1)(A)-(B) of the Public Resources Code, that is discarded. ~~means a discarded device that DTSC has determined to be a covered electronic device, as specified by Section 42463(g)(1)(A)-(B) of the Public Resources Code.~~

(4921) "Designated Approved Collector" means an approved collector, as defined in subsection (a)(2) of this section, that has been designated by a California Local Government to provide CEW collection services for or on behalf of the Local Government in accordance with Article 7 of this Chapter.

(22) "Designed to be easily removed from a product by the user of the product, with no more than commonly used household tools" means that the product is manufactured so that the included batteries can be simply and readily removed by a consumer using the product using no more than commonly used household tools or common household tools.

(A) Except as provided in subsection (C)3., a battery that is glued or otherwise secured within the product by the manufacturer in a manner that requires more than commonly used household tools or common household tools or a trained technician to remove is not considered to meet this definition.

(B) The following are examples of batteries that are designed to be easily removed:

1. A battery that is marketed to be removed from a product by the consumer using commonly used household tools or common household tools.

2. A battery contained in a product that has a warranty or instructions acknowledging or permitting consumer battery removal using common household tools.

3. A battery that charges or powers the product, such as by physically abutting it or by the insertion of its cable into the product, and can be manually removed from the product without the use of any tools.

(C) Notwithstanding the foregoing:

1. A battery is not designed to be easily removed from a product if both of the following are true:

a. A tool that is not a common household tool or commonly used household tool exists for fastening a compartment containing a battery, and

b. The battery can be removed using a common household tool or commonly used household tool, but use of such a tool would void the product's warranty.

2. A battery is not designed to be easily removed if, by means of a label affixed to the product or written prohibition that can be found in a manufacturer's warranty, product instructions, or a subsequently issued notice to consumers, the manufacturer advises consumers not to remove the battery from the product, even if such a removal could physically be accomplished using common household tools.

3. A key, application, or other locking device provided to the consumer by the manufacturer of the product or battery that is warranted by the manufacturer of the product or battery to serve solely to prevent theft of the battery or tampering by persons other than the consumer and not to inhibit the consumer's ability to remove, replace, or recycle the battery shall not prevent a battery from being considered designed to be easily removed from a product by the user of the product, with no more than common household tools.

(2023) "DTSC" means the Department of Toxic Substances Control.

(2424) "Further treat" means, for the purposes of this Chapter, activities such as crushing, size reduction, washing, cleaning, smelting, or similar steps taken to process the treatment residual and alter its physical form or characteristics. "Further treat" does not mean, for the purposes of this Chapter, receiving, storing, accumulating, consolidating, brokering, shipping, disposing or other similar activities that do not alter the physical form or characteristics of the treatment residual.

(2225) "Handler", for the purposes of this Chapter, has the same meaning as a universal waste handler or CRT material handler, as applicable, as defined in Section 66273.9 of Title 22 of the California Code of Regulations.

(2326) "Illegal Disposal" means, for the purposes of this Chapter, the disposal or placement of CEWs on a property without the permission of the owner(s) of, or responsible party(ies) for, the property.

(2427) "Initial Destination" means, for the purposes of this Chapter, the location(s) to which treatment residuals are initially shipped by an approved recycler.

(2528) "Load" means a single transfer (a pick up or delivery) of CEWs, such as from a California source to a collector or from a collector to a recycler.

(2629) "Load Check Activities" means, for the purposes of this Chapter, the efforts made to identify, retrieve and divert from the disposed solid waste stream those CEWs that have been illegally discarded by generators. "Load Check Activities" do not include the rejection or acceptance of CEWs due to the lack of source documentation.

(29.5) "Motor vehicle" has the same meaning as set forth in Section 415 of the Vehicle Code.

(A) "Motor vehicle" does not include any of the following:

1. A motorized scooter.

2. A motorized skateboard.

3. A motorized hoverboard.

(27) "Manufacturer Payment" or "Manufacturer Take Back Payment" means a payment made by CalRecycle to a registered manufacturer that takes back covered electronic

wastes (CEWs) from a California source for the purposes of recycling the CEW pursuant to Section 42476(h) of the Public Resources Code.

~~(28) “Manufacturer Payment Claim” means a registered manufacturer’s request submitted to CalRecycle with all required documentation for a manufacturer payment.~~

~~(29) “Manufacturer Take Back” means a program administered by a registered manufacturer that accepts CEWs from California sources for the purposes of recycling.~~

~~(30) “Non-CRT CEW” or “non-CRT containing CEW” means a covered electronic device that is a video display device, as defined in Public Resources Code section 42463(g)(1)(A), but which does not contain a cathode ray tube (CRT).~~

~~(3031) “PBBs” mean Polybrominated Biphenyls.~~

~~(3132) “Processing log” means a record maintained by an approved recycler that records CEW activities associated with CEW cancellation, such as but not limited to weighing and dismantling, as specified in Section 18660.21(b) of this Chapter.~~

~~(3233) “Product Category” means the types of covered electronic devices as defined in Section 42463(g)(1)(A)-(B) of the Public Resources Code. These categories include, but are not limited to, the following:~~

~~(A) Cathode Ray Tubes (CRTs) devices used in televisions,~~

~~(B) CRTs devices used in monitors,~~

~~(C) Liquid Crystal Display (LCD) monitors,~~

~~(D) Laptop computers containing LCD screens,~~

~~(E) LCD televisions,~~

~~(F) Plasma display televisions, and~~

~~(G) Other video display devices as specified by the DTSC pursuant to Section 25214.10.1(b) of the Health and Safety Code.~~

~~(H) Covered battery-embedded products pursuant to Section 42463(f)(1) and (2) of the Public Resources Code.~~

~~(3334) “Proof of Approval” means the status of an approved collector or approved recycler, as portrayed on the CalRecycle website. The Proof of Approval is associated with an unique identification number issued by CalRecycle to identify an approved collector, or recycler, or dual entity as being approved pursuant to this Chapter.~~

~~(3435) “Proof of Designation” means a document issued by a California Local Government to a Designated Approved Collector in accordance with Article 7 of this Chapter.~~

~~(3536) “Receiving log” means a record maintained by an approved recycler that documents CEW transfers from approved collectors to the approved recycler.~~

~~(3637) “Recovery payment” means the payment made by an approved recycler to an approved collector in exchange for the transfer of CEWs pursuant to Section 42477 of the Public Resources Code.~~

~~(3738) “Recovery payment request” means an approved collector’s request for recovery payment made to an approved recycler accompanying the transfer of CEWs.~~

~~(3839) “Recycling payment” means the payment made by CalRecycle to an approved recycler that includes a recovery component related to recycler payments to collectors pursuant to Section 42477 of the Public Resources Code and a recycling component for CEW cancellation pursuant to Section 42478 of the Public Resources Code.~~

~~(3940)~~ “Recycling payment claim” means an approved recycler's claim that includes all required documentation submitted to CalRecycle for recycling payments for cancelled CEWs.

~~(40)~~ “~~Registered Manufacturer~~” means a manufacturer as defined in Section 42463(q) of the Public Resources Code who registers with CalRecycle pursuant to this Chapter and therefore may be eligible for manufacturer payments from CalRecycle.

~~(4141)~~ “Signature” or “signed” means either of the following:

(A) An original handwritten signature; or

(B) An electronic signature. An electronic signature includes an electronic sound, symbol, or process attached to or logically associated with an electronic record, executed or adopted by a party with the intent to represent an original handwritten signature.

(1) For claims submitted through CalRecycle's designated electronic information submittal system available from CalRecycle's website, a username and password shall be considered an electronic signature.

(2) An electronic signature may not be denied legal effect, validity, or enforceability solely on the ground that it is electronic.

(3) An electronic signature shall be binding on all persons and for all purposes under the law, as if the signature had been handwritten on an equivalent paper document.

~~(4242)~~ “Source-anonymous CEWs” means CEWs whose originating California source cannot be identified in collection log information required pursuant to Section 18660.20(j)(1)(B) of this Chapter.

~~(4343)~~ “Source documentation” means collection logs and other information developed, maintained and transferred pursuant to Section 18660.20(h) of this Chapter that demonstrates the eligibility, originating generator or intermediate handlers of collected CEWs as applicable.

~~(4444)~~ “Standard Statewide Recovery Payment Rate” means the amount paid to an approved collector per pound of CEWs transferred to an approved recycler to cover the cost of collection, consolidation and transportation of CEWs as established pursuant to Section 42477 of the Public Resources Code.

~~(4545)~~ “Standard Statewide Combined Recycling and Recovery Payment Rates” means the amount paid to an approved recycler per pound of CEWs cancelled and claimed to cover the cost of receiving, processing and recycling CEWs as established pursuant to Section 42478 of the Public Resources Code, and making recovery payments to approved collectors.

~~(4646)~~ “Transfer” or “Transferred” means physically changing possession of CEWs, such as a transfer from a California source to a collector or from a collector to a recycler.

~~(4747)~~ “Transfer documentation” means, for the purposes of this Chapter, records or receipts that record the transfer of CEWs from an approved collector to an approved recycler, which include the weight, number, and source of the transferred CEWs, and the date(s) of transfer.

~~(4848)~~ “Treatment Residuals” means any material resulting from the dismantling or treatment of a CEW. Treatment residuals are not considered CEWs and are not eligible for recovery or recycling payment, however the costs or revenues associated with managing treatment residuals shall be factored into the net cost of recycling CEW.

Treatment residuals may be used to demonstrate the processing of CEWs, and documentation demonstrating the subsequent movement or ultimate disposition of the treatment residuals may be required as part of the claim for payment submitted by an approved recycler.

(4949) "Ultimate disposition" means, for the purposes of this Chapter, the consumption of a treatment residual into a manufacturing process or the disposal of a treatment residual at a permitted disposal facility. Storage of a treatment residual at a site of generation or at an intermediate facility, or accumulation of a treatment residual at a location prior to consuming or disposing, is not ultimate disposition.

(50) "Weighmaster" has the same meaning as defined in Section 12700 of the Business and Professions Code.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.
Reference: Sections 42463, 42465.2, 42466.2, 42467, 42474, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

ARTICLE 2.0. Electronic Waste Payment System — ~~Applicability and Limitations,~~ Document Submittals, Records, Audits and Net Cost Report

Section 18660.6. ~~Applicability and Limitations.~~

(a) Limitations on the types of CEWs eligible for payments:

(1) An approved collector or approved dual entity may request recovery payment only for the types of CEWs specified by DTSC, or as specified in this Chapter and authorized by the Act that are were used in California by a California Source and were transferred to an approved recycler or an approved dual entity by the approved collector or approved dual entity.

(2) An approved recycler or approved dual entity may claim recycling payment only for the types of CEWs specified by DTSC, or as specified in this Chapter and authorized by the Act that are were used in California by a California Source and received from an approved collector or approved dual entity and are cancelled by the approved recycler or approved dual entity.

~~(3) A registered manufacturer may claim manufacturer payment only for the types of CEWs specified by DTSC that the manufacturer takes back for recycling.~~

(b) Limitations on the timeframes eligible for payments:

(1) An approved collector, ~~or an approved recycler, or a registered manufacturer~~ shall not receive payment for any CEWs transferred from a California source before January 1, 2005.

(2) An approved collector shall not request recovery payments from recyclers for transfers that occur prior to the approval of the collector's application by CalRecycle.

(3) An approved recycler shall not claim recycling payments from CalRecycle for CEWs cancelled prior to the approval of the recycler's application by CalRecycle.

~~(4) A registered manufacturer shall not claim manufacturer payments from CalRecycle for recycling that occurs prior to the manufacturer's registration with CalRecycle.~~

(c) Limitations on the Sources of CEWs and CEWs eligible for payments:

(1) Only CEWs resulting from a California source are eligible for recovery, or recycling, ~~or~~ manufacturer payments.

(2) CEWs owned by a person in California, but used entirely outside of California are not eligible for payments.

(3) Source-anonymous CEWs, documented pursuant to Section 18660.20(j)(1)(E) of this Chapter, are eligible for recovery and recycling payments if:

(A) The source-anonymous CEWs results from Load Check Activities as defined in Section 18660.5(a)(269) conducted at permitted solid waste facilities whose operator is an approved collector or, if not an approved collector, the source-anonymous CEWs are directly transferred from the permitted solid waste facility to an approved collector; or

(B) The source-anonymous CEWs results from illegal disposal clean-up activities conducted by a Local Government, as defined in Section 18660.47, or its Designated Approved Collector; or

(C) The source-anonymous CEWs results from illegal disposal on property owned or managed by an approved collector.

(4) CEWs that ~~is~~are transferred to a Designated Approved Collector ~~is~~are not eligible for payments unless the CEWs ~~is~~are accompanied by applicable source documentation pursuant to Section 18660.20(h) of this Chapter.

(d) Limitations on the ability of collectors and recyclers to charge a fee:

(1) If the recovery payment from a recycler does not fully cover the net cost of CEW recovery, and the collector establishes a cost-free opportunity for a California source to transfer CEWs to the collector, then an approved collector may charge a fee for CEW recovery.

(2) If the recovery payment from a recycler fully covers the net cost of CEW recovery, an approved collector shall provide CEW recovery at no charge to California sources or CalRecycle may revoke approval and direct recyclers to deny recovery payments to the collector.

(3) If the recycling payment from CalRecycle does not fully cover the net cost of CEW recycling, an approved recycler may charge a fee for CEW recycling.

(4) If the recycling payment from CalRecycle fully covers the net cost of CEW recycling, an approved recycler shall provide CEW recycling at no charge to approved collectors or CalRecycle may revoke approval and deny recycling payments to the recycler.

(e) Limitations on recovery payments:

(1) An approved recycler shall make recovery payments at the rate specified in Section 18660.33 of this Chapter to approved collectors for all CEWs transferred to the recycler and that are accompanied by applicable source documentation pursuant to Section 18660.20(h) of this Chapter.

(2) CalRecycle shall revoke a recycler's approval and deny recycling payments to a recycler that fails to make recovery payments to approved collectors as specified in this Chapter.

(3) An approved recycler shall not make the recovery payments as specified in this Chapter to collectors who are not approved pursuant to this Chapter.

(4) An approved recycler may make other types of payments, not provided for under this Chapter, to a collector regardless of the collector's approval status.

(5) An approved recycler shall not provide recovery payments to a collector other than the approved collector that transfers the CEWs to the recycler, but nothing limits the collectors involved in prior transfers from negotiating payments among themselves unrelated to the recovery payment provisions of this Chapter.

(6) An approved collector or approved dual entity is eligible for recovery payments only if the collector or approved dual entity establishes convenient, a cost-free opportunities~~opportunity~~ for a California sources to transfer~~discard~~ CEWs ~~to~~with the approved collector or the approved dual entity.

(7) An approved collector is ~~entitled~~eligible for recovery payments only for CEWs transferred to the recycler that are accompanied by ~~applicable~~required source documentation pursuant to Section 18660.20(h) of this Chapter.

(8) The approved collector shall repay the approved recycler the amount of recovery payment that was paid if an approved collector has received recovery payment from an approved recycler for which the approved collector was not entitled.

(f) Limitations on recycling payments:

(1) CalRecycle shall make recycling payments only to approved recyclers who:

(A) Cancel CEWs using cancellation methods as specified in Section 18660.32 of this Chapter.

(B) Document cancellation and meet the other requirements of this Chapter.

(2) CalRecycle shall not make recycling payments to a recycler other than the approved recycler that cancels the CEWs, but nothing limits the recyclers involved in subsequent transfers from negotiating payments among themselves unrelated to the recycling payment provisions of this Chapter.

(3) CalRecycle shall not make recycling payments for reuse of either a whole CEW or of a partially disassembled CEW, such as a CRT with an attached yoke.

(g) Limitations in relation to current business practices:

(1) CalRecycle shall not limit the ability of approved collectors and approved recyclers to transfer or not transfer CEWs to or from any party.

(2) CalRecycle shall not limit the ability of approved collectors and approved recyclers from entering into contracts with each other or other parties.

(3) CalRecycle shall not limit the ability of collectors to recover CEWs or recyclers to recycle CEWs without participating in the system described in this Chapter.

(4) If collectors wish to receive recovery payments or recyclers wish to receive recycling payments, then they must meet the requirements in this Chapter.

(h) Limitations on the disposition of treatment residuals:

(1) Approved recyclers are not eligible for CEW recycling payments if treatment residuals are managed in a manner noncompliant or nonconforming with applicable law.

(2) Treatment residuals shall be managed for recycling to the extent economically feasible.

(A) Economic feasibility shall be determined by an approved recycler based on current market conditions for legal management options.

(B) CalRecycle may demand demonstration of economic infeasibility in accordance with Public Resources Code section 42479.

(3) Approved recyclers that ship treatment residual CRTs or CRT glass shall be capable of demonstrating to CalRecycle or its designee upon demand that the CRT or CRT glass has reached an ultimate disposition within one year of the initial shipment, unless the approved recycler is exempt from such demonstration pursuant to Article 7 of Chapter 23 of Division 4.5 of Title 22 of the California Code of Regulations.

(4) If treatment residuals are disposed, an approved recycler shall ensure and be able to demonstrate that the disposal complies with all applicable laws and conforms to any conditions of authorization or approval under which the approved recycler managed the CEW from which the treatment residuals were derived.

(5) CalRecycle may require approved recyclers to produce documentation maintained pursuant to this Chapter to demonstrate compliance or conformance with all laws associated with treatment residual shipment, initial destination, or ultimate disposition.

~~(i) Limitations on the manufacturer payment system:~~

~~(1) CalRecycle shall not register any entity other than a manufacturer as defined in Section 42463(q) of the Public Resources Code to be a registered manufacturer.~~

~~(2) CalRecycle shall not make manufacturer payments to any entity other than a registered manufacturer.~~

~~(3) A registered manufacturer shall only claim payment for, and CalRecycle shall only make manufacturer payments for, CEWs received from California sources that are processed for recycling in a manner that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.~~

~~(4) A registered manufacturer shall not claim payment for, and CalRecycle shall not make manufacturer payments for, CEWs that are reused, repaired, refurbished or otherwise returned to use.~~

~~(j) Limitations on recycling payments on exported CEWs:~~

~~(1) CalRecycle shall not approve recyclers located outside the State of California.~~

~~(2) CEWs sent to and cancelled by unapproved recyclers are not eligible for recycling payments pursuant to this Chapter regardless of the location of the unapproved recycler.~~

Section 18660.7. Document Submittals.

(a) A collector, a recycler, a dual entity, a Local Government, or a manufacturer shall prepare and submit applications, ~~registrations~~, claims, Proofs of Designation, or reports required pursuant to this Chapter in the manner designated by CalRecycle.

(b) CalRecycle shall only accept collector, recycler or dual entity applications bearing the signature of one or more Authorized Signatories designated pursuant to Section 18660.11.

(c) For collectors, recyclers, or dual entities, CalRecycle shall accept payment claims and reports bearing a Signature by any person with Signatory Authority designated pursuant to Section 18660.11. Payment claims and reports bearing a Signature by any person that does not have Signatory Authority designated pursuant to Section 18660.11, shall be deemed incomplete and not be accepted for review or evaluation by CalRecycle.

(d) For manufacturers, CalRecycle shall only accept ~~manufacturer registrations, claims and reports~~ containing all the required information and bearing a Signature of an Authorized Signatory ~~pursuant to Section 18660.35 of this Chapter.~~

(e) Beginning April 1, 2026, if a person, collector, recycler, dual entity, local government, or manufacturer, seeks to submit documentation, including an application, payment claim, report, or to provide other information pursuant to the Act and this Chapter, the applicable information shall be submitted to CalRecycle using CalRecycle's designated electronic information submittal system available from CalRecycle's website that is utilized for the purposes of implementing the Covered Electronic Waste Recycling Program.

(1) Beginning April 1, 2026, all applications, application renewals, claims, and reports must be submitted electronically to CalRecycle using CalRecycle's designated electronic information submittal system available from CalRecycle's website and bear the Signature of a person with Signatory Authority designated pursuant to Section 18660.11 or 18660.35.

(2) ~~Manufacturer registrations, claims, and reports~~ bearing a Signature by any person that does not have Signatory Authority ~~designated pursuant to Section 18660.35,~~ shall be deemed incomplete and not be accepted for review or evaluation by CalRecycle.

(3) Information submitted outside CalRecycle's designated electronic information submittal system will not be accepted by CalRecycle for review or consideration.

(4) Any electronically filed report, notice, claim, or other document shall be deemed to be a valid, original document, including reproductions of the document made by CalRecycle onto paper or other media.

(5) Nothing in this subsection shall eliminate the need for compliance with record keeping and record retention provisions required by these regulations.

(f) CalRecycle shall provide forms upon request that may be used to meet the requirements for the applications, ~~registrations,~~ and payment claims specified in this Chapter.

(g) A collector, a recycler, a dual entity, a Local Government, or a manufacturer shall ensure that applications, ~~registrations,~~ claims, reports, Proofs of Designation, and all applicable supporting documentation are accurate, complete, and typed or legibly handwritten in English using permanent ink. A collector, a recycler, a dual entity, or a Local Government may void errors only by using a single line through the error. A collector, a recycler, a dual entity, or a Local Government shall not use correction fluid, correction tape or erasures for correcting errors on any document required by or submitted to CalRecycle.

(h) Any person, including but not limited to, collectors, recyclers, dual entities, local governments, manufacturers, or handlers, shall not make false statements or

representations in any document filed, submitted, maintained, or used for purposes of compliance with the Act and this Chapter.

(1) If CalRecycle determines that any information that is filed, submitted, maintained, or used for the purposes of compliance with the Act and this Chapter contains one or more false statements, CalRecycle will do any of the following:

(A) Conclude its review of the information submitted and deem it incomplete or insufficient for evaluation or consideration;

(B) Adjust or deny all or any portion of the payment claim by reducing the total dollar amount claimed in a payment claim that is supported by or otherwise relies upon the false statement(s); and

(C) Follow the procedures set forth in Section 18660.44 of this Chapter.

Authority cited: Sections 40502, 42474, 42475 and 42475.2, Public Resources Code.

Reference: Sections 42465.2, 42466.2, 42467, 42474, 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.8. Records.

(a) An approved collector, ~~an approved recycler, or a registered manufacturer~~ and dual entity shall send written notice to CalRecycle regarding any change in location, or intent to establish a new location, of records required by this Chapter no less than 10 days prior to the change. In the written notice, an approved collector or an approved recycler shall include its name, the unique identification number from the proof of approval, and the complete present and potential future address of the location of the records, if applicable.

(b) All records maintained pursuant to this Chapter must include the books of account that are ordinarily maintained by a prudent business person engaged in the same activity, together with all bills, receipts, invoices, manifests, cash register tapes, or other documents of original entry supporting the entries in the books of account.

(c) An electronic data processing system must have built into its program a method of producing visible and legible records that will provide the necessary information to determine compliance with the requirements of this Chapter.

(d) An approved collector, ~~an approved recycler, or a registered manufacturer~~ and dual entity shall maintain records for at least three years.

(e) An approved collector, ~~an approved recycler, or a registered manufacturer~~ and dual entity shall maintain records that are originals, and typed or legibly handwritten in English.

(f) An approved collector, ~~an approved recycler, or a registered manufacturer~~ and dual entity shall not store records in an unprotected area, in an outside location, in a motor vehicle or in a location where the records are likely to become contaminated, damaged or stolen.

ARTICLE 2.2. Electronic Waste Payment System — Business Requirements

Section 18660.20. Requirements for an Approved Collector or Dual Entity.

- (a) Upon CalRecycle approval of its application, an approved collector or dual entity may begin requesting recovery payments for CEWs documented and transferred to approved recyclers pursuant to the requirements of this Chapter after the approval.
- (b) An approved collector shall comply with the requirements of this Chapter, including:
- (1) Begin collection activities from California sources within 180 calendar days of approval. CalRecycle may revoke approval if an approved collector or dual entity fails to begin collection activities within 180 days.
 - (2) Transfer at least one (1) load of CEWs to an approved recycler or dual entity within 180 calendar days of approval. Approved dual entities may also meet this requirement by both collecting and ~~canceled~~cancelling at least one load of CEWs within 180 calendar days of approval. CalRecycle may revoke approval if a collector fails to transfer at least one load of CEWs within 180 calendar days of approval.
- (c) An approved collector or dual entity shall make reasonable efforts to determine if CEWs it collects are from California sources or from non-California sources and shall keep track of those materials separately. Reasonable efforts may include any of the following, but are not limited to:
- (1) Posting signs and asking California sources.
 - (2) Conducting spot checks or surveys.
 - (3) Checking for a valid California identification of a person, a California license plate on a vehicle, or a bill of lading showing a California origin.
 - (4) Requiring additional documentation from California sources or collectors delivering large numbers of CEWs.
 - (5) Instituting measures to prevent CEWs from being dropped-off anonymously or illegally disposed at the approved collector's facilities or operations.
- (d) An approved collector or dual entity shall not request recovery payment for non-California CEWs.
- (e) An approved collector or dual entity shall determine if CEWs they transfer to recyclers have already been cancelled, and shall keep track of those materials separately.
- (f) An approved collector shall not request recovery payment for previously cancelled CEWs.
- (g) An approved collector or dual entity shall provide the CalRecycle-issued proof of approval identification number when transferring CEWs to or requesting recovery payments from an approved recycler. If an approved collector, or its agent, fails to provide the unique identification number from the proof of approval, the approved recycler may deny recovery payment.
- (h) An approved collector or dual entity shall provide to any approved collector or approved recycler to whom it transfers CEWs information on the origin (California or non-

California) and cancellation status of CEWs transferred, including but not limited to the following:

(1) Signed statement listing the sources(s) of the transferred CEWs as recorded pursuant to subsection (j) of this section.

(2) A copy(ies) of the applicable portions of the collection log specified in subsection (j) of this section that describe the collection activities that resulted in the transferred CEWs.

(3) Written description of any activity, such as storage, repair, refurbishment, resale, reuse, transfer, packaging or consolidation, that explains any discrepancy between the CEWs transferred and the CEWs collected as recorded in a log specified in subsection (j) of this section.

(4) A copy of any applicable Proof of Designation, issued pursuant to and used in accordance with Article 7 of this Chapter, associated with CEWs collected while acting as a Designated Approved Collector for a Local Government.

(i) An approved collector or dual entity shall operate in accordance with all Federal, State and local laws and regulations.

(j) In addition to the general record keeping requirements in Section 18660.8 of this Chapter, an approved collector or dual entity shall maintain the following records:

(1) A collection log containing:

(A) For each collection activity or event that results in CEWs transferred to the approved collector or dual entity, a brief written description of the collection activity or event, including the type of California sources targeted for collection, the date and location the activity or event occurred, the number of CRT CEWs, ~~or non-CRT CEWs, or battery-embedded CEW~~ collected, ~~and an estimate of the weight of CEWs collected.~~

(B) Approved collectors that are not California Local Governments, nor entities acting as the Designated Approved Collector for a California Local Government, shall maintain a list of all California sources who discarded the CEWs transferred to the approved collector or dual entity, including the name and address of the California source and the number and type(s) of CEWs discarded by the California source.

(C) When receiving five (5) or more CEWs units discarded from a non-residential California source, an approved collector shall record the name of the non-residential organization, an address, a contact person and a telephone number.

(D) A list of other handlers and approved collectors who transferred CEWs to the approved collector or dual entity in any month, including the name and address of the other handler and approved collector and the number of CEWs transferred and the sources of those CEWs as recorded pursuant to parts (A) and (B) of this Section.

(E) When collecting source-anonymous CEWs, all approved collectors shall:

1. Log the source-anonymous CEW collection activity separately.

2. Provide a brief written description of the activity or incident that resulted in the source-anonymous CEWs.

3. Record the date and location of the activity or incident, and the number ~~and an estimate of the weight~~ of source-anonymous CEWs collected from the location of the activity or incident.

4. Record the name, organizational affiliation, address and phone number of a person responsible for the site of the activity or incident.

(2) Records of transfers by load to, and recovery payments from, approved recyclers or dual entities, including:

(A) Inventory records that document the relationship between the CEWs received from all sources and the CEWs transferred to the approved recycler, dual entity, or to other handlers.

(B) Signed and dated receipts showing the number and weight of CEWs transferred. The approved collector or dual entity shall identify and record each approved recycler using the name and identification number from the recycler's "proof of approval."

(3) Records on the costs, revenues and net costs associated with the collection, transportation and disposition of all CEWs handled as specified in Section 18660.10 of this Chapter.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.
Reference: Sections 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.21. Requirements for an Approved Recycler or Dual Entity.

(a) Upon CalRecycle approval of its application, an approved recycler or dual entity may begin claiming recycling payments for CEWs received from an approved collector and cancelled after CalRecycle has approved the recycler or dual entity application and issued the appropriate Proof of Approval~~the approval~~.

(b) An approved recycler or dual entity shall ~~comply with the requirements of this Chapter, including:~~

(1) Begin CEW cancellation activities within 180 calendar days of approval. Approved dual entities may meet this requirement by both collecting and cancelling at least one load of CEW within 180 days of approval. CalRecycle may revoke approval if a recycler or dual entity fails to begin CEW cancellation within 180 days.

~~(2) Accept transfer of and cancel at least one (1) load of CEWs from an approved collector within 180 days of approval. Approved dual entities may also meet this requirement by both collecting and canceling at least one load of CEWs within 180 days of approval. CalRecycle may revoke approval if a recycler fails to cancel at least one load within 180 days of approval.~~

~~(3)~~ Record each approved collector's proof of approval identification number and provide a receipt showing the weight and number of CEWs transferred and the amount of the corresponding recovery payment due to the collector.

~~(4)~~ Make recovery payments to approved collectors, or their agents, for all CEWs transferred, in accordance with this Chapter, at the time of transfer of CEWs, or at a later time specified in a written contract between the approved collector and approved recycler or dual entity, but not more than 90 days from the date of transfer.

~~(5)~~ Cancel CEWs by one or more of the manners prescribed in Section 18660.32 of this Chapter.

(A) An approved recycler or dual entity shall maintain a processing log that records the date, method of cancellation, and quantity in pounds of CEWs cancelled.

(B) An approved recycler or dual entity shall maintain inventory records that document the relationship between CEWs received from approved collectors, CEWs processed and cancelled by the approved recycler, and treatment residuals shipped to initial destinations or ultimate dispositions, as applicable.

(65) Submit recycling payment claims to CalRecycle as specified in Sections 18660.22 through 18660.31 of this Chapter.

(76) Submit to and obtain a DTSC inspection, within any 12-month period.

(c) Based on information supplied by approved collectors, an approved recycler or dual entity shall, at a minimum, keep track of the weight of CEWs from both California and non-California sources transferred from approved collectors and ensure that recycling payments are not claimed for non-California source materials.

(d) An approved recycler or dual entity shall not provide recovery payment to approved collectors for CEWs from non-California sources, or to approved collectors that fail to provide complete and applicable source documentation on CEW origin pursuant to Section 18660.20(h) of this Chapter.

(e) An approved recycler or dual entity shall not claim recycling payments for non-California CEWs.

(f) Approved recyclers or dual entities shall determine if CEWs they accept from collectors have already been cancelled and shall keep track of the weight of those materials and ensure that recycling payments are not claimed for these materials.

(g) An approved recycler or dual entity shall not provide recovery payment to approved collectors for previously cancelled material.

(h) An approved recycler or dual entity shall not claim recycling payments for previously cancelled material.

(i) An approved recycler may deny recovery payments for commingled loads in which CEWs cannot be distinguished from other materials.

(j) An approved recycler or dual entity shall operate in accordance with all Federal, State and local laws and regulations.

(k) An approved recycler or dual entity shall:

(1) ~~Be equipped with scales and be a weighmaster~~ Follow all requirements in accordance with Chapter 7 (commencing with Section 12700) of Division 5 of the Business and Professions Code and any applicable regulations thereunder.

(2) Measure, record and report required weights pursuant to this Chapter in pounds, and document those weights on a weighmaster certificate issued by a licensed weighmaster in accordance with all applicable laws and regulations. ~~and issue certified weights.~~

(3) ~~Weigh CEWs and treatment residuals on a scale or other device approved, tested and sealed in accordance with Division 5 (commencing with Section 12500) of the Business and Professions Code.~~

(l) In addition to the general record keeping requirements in Section 18660.8 of this Chapter, an approved recycler or dual entity shall maintain the following records:

(1) A receiving log containing a brief written description of CEW transfers by load from approved collectors, the ~~total~~certified number of units and the ~~total~~certified weight of CEWs transferred, and the dates the transfers from collectors occurred.

(2) Records of CEW transfers, including all documentation received from an approved collector as specified in Section 18660.20(h), and recovery payments made and owed to approved collectors, including signed and dated receipts showing the total~~certified~~ number of units and the total~~certified~~ weight of CEWs transferred.

(A) The approved recycler or dual entity shall identify and record each approved collector using the name and identification number from the collector's "proof of approval."

(B) The approved recycler shall record separately the number of units ~~and sum of estimated weights~~ of source-anonymous CEWs reported by and transferred from an approved collector.

(3) A processing log showing the definitive cancellation of CEWs by weight, date and cancellation method, as specified in Section 18660.32 of this Chapter, upon which a payment claim is based.

(4) Applicable records for all shipments of treatment residuals, including but not limited to, weight~~weighmaster~~ certificates, packing lists, bills of lading, manifests, destination receipts, invoices, and payments. Applicable records shall be maintained pursuant to Section 18660.8 of this Chapter and demonstrate the following information:

(A) Date of shipment.

(B) Quantity in pounds and material type in shipment.

(C) The full name and address of shipping service.

(D) The full name and address of the buyer or other transferee, and destination name and address if different.

(E) Identification and description of the initial destinations or ultimate disposition of the treatment residuals, as applicable.

(5) Records on the net costs associated with the management of all CRT CEW, non-CRT CEW, and battery-embedded product CEW handled, and any additional administrative costs of providing recovery payments to approved collectors.

(6) Complete records of all claims, attachments and supporting documentation for all recycling payment claims made to CalRecycle.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Reference: Sections 42463, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

ARTICLE 2.3. Electronic Waste Payment System — Recycling Payment Claims

Section 18660.22. General Requirements for Recycling Payment Claims.

(a) Prior to submitting a recycling payment claim to CalRecycle for cancelled CEW, an approved recycler or dual entity shall:

(1) Ship the following treatment residuals derived from the cancelled and claimed CEW off-site to an initial destination authorized to receive and further treat or legally dispose of the treatment residual:

(A) Bare CRTs.

(B) CRT glass cullet.

1. CRT glass, CRT funnel glass, and CRT panel glass, as defined in Section 66273.9 of Chapter 23 of Division 4.5 of Title 22 of the California Code of Regulations, shall be accounted for separately, as applicable.

2. The shipped CRT glass cullet shall account for the amount derived from the cancelled and claimed CEW.

(2) For each claimed non-CRT-containing CEW, the recycler or dual entity shall record and report the manufacturer name, model number, and weight of each device prior to cancellation.

(A) If the non-CRT-containing CEW contain a plasma display, records relating to quantity in pounds of the bare panel(s) and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.

(B) If the non-CRT-containing CEW contain cold cathode fluorescent lamps, records relating to quantity in pounds of the lamps and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.

(C) Records maintained pursuant to (A) and (B) above shall be made available to CalRecycle upon request by CalRecycle or its designee.

(3) Only those CEW that have been processed and documented pursuant to this Section shall be claimed for payment.

(ab) An approved recycler or dual entity shall submit all of the following general information in a recycling payment claim ~~for recycling payments from CalRecycle~~:

(1) The full name, mailing address, and federal tax identification number of the recycler preparing the ~~report~~claim.

(2) The name and phone number of ~~a contact person for purposes of the report~~the person who prepared the claim.

(3) The reporting month (calendar month and year) and date of preparation of the report.

(4) The claim activity period, listing the start and end dates.

(5) The total weight of CEW claimed, as calculated in Sections 18660.24, ~~and~~ 18660.25, and 18660.26 of this Chapter.

(6) The total monetary amount being claimed.

(7) The Signature and title of an Authorized Signatory for payment claims as designated pursuant to Section 18660.11 of this Chapter. The signature block shall include the following certification statements:

(A) "I hereby declare under penalty of perjury that:"

1. "The approved recycler whom I represent is currently in compliance with all Federal, State and local requirements, including compliance with the requirements of the Act and this Chapter."

2. "All claimed CEWs have been cancelled as specified in Section 18660.32 and are unable to re-enter the payment system, and all treatment residuals specified in Section 18660.22~~(ea)~~(1) derived from the claimed CEWs have been shipped off-site to an initial destination authorized to receive and further treat or legally dispose of those treatment residuals."

3. "I have certified the weights and verified the calculations, including the adjustments for CEWs from non-California sources and for prior cancellation."
4. "This payment claim, including any and all accompanying documents has been examined by me and is true and correct."
5. "I understand that errors or omissions on my part may result in CalRecycle delaying or denying payment"
6. "I further understand that fraud could result in revocation of the recycler's approval."
- (8) The date and place of the signing of the claim.
- (b~~c~~) For each cancellation method used, an approved recycler shall submit no more than one recycling payment claim per calendar month and may only include one reporting month, as specified by Sections 18660.24, ~~and 18660.25, and 18660.26~~ of this Chapter, in a single recycling payment claim. An approved recycler or dual entity shall prepare payment claims for different cancellation methods separately, but may submit a package containing all the claims for a reporting month.
- ~~(c) Prior to submitting a payment claim for cancelled CEWs, an approved recycler shall:~~
 - ~~(1) Ship off-site all the following treatment residuals derived from the cancelled and claimed CEWs to an initial destination authorized to receive and further treat or legally dispose of the treatment residual:~~
 - ~~(A) Bare CRTs.~~
 - ~~(B) CRT glass cullet.~~
 1. CRT glass, CRT funnel glass, and CRT panel glass, as defined in Section 66273.9 of Chapter 23 of Title 22 of the California Code of Regulations, shall be accounted for separately, as applicable.
 2. The shipped CRT glass cullet shall account for the amount derived from the cancelled and claimed CEW.
 - ~~(2) For each claimed non-CRT containing CEWs, the recycler shall record and report the manufacturer name, model number, and weight of each device prior to cancellation.~~
 - ~~(A) If the non-CRT containing CEWs contain a plasma display, records relating to quantity of the bare panel(s) and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.~~
 - ~~(B) If the non-CRT containing CEWs contain cold cathode fluorescent lamps, records relating to quantity of the lamps and ultimate disposition shall be maintained pursuant to Section 18660.8 of this Chapter.~~
 - ~~(C) Records maintained pursuant to (A) and (B) above shall be made available upon request by CalRecycle or its designee.~~
 - ~~(3) Only those CEWs that have been processed and documented pursuant to the applicable requirements of subsections (c)(1) and (c)(2) of this section shall be claimed for payment.~~
 - (d) An approved recycler or dual entity shall attach all of the following to the payment claim:
 - (1) For all CEWs received from collectors during the claim activity period that are cancelled and included in the current claim, a report that includes:
 - (A) A list of approved collectors from which the transfers of CEWs were accepted with the name and proof of approval identification number of each.

(B) The total weight of CEWs in all loads transferred from each approved collector. Note that this weight may not equal the weight claimed for recycling payment because recovery payments are made on the weight of all CEWs transferred while recycling payments are made on the weight of only those CEWs cancelled.

(C) Signed and dated receipts documenting all CEW transfers from approved collectors.

(D) A copy(ies) of the applicable records specified in Section 18660.21(l)(1)-(4) pertaining to the collection, transfer, and processing activities involving the CEWs cancelled and being claimed for payment.

1. Source documentation not associated with the claimed CEWs shall not be included in the report.

2. Transfer documentation not associated with the claimed CEWs shall not be included in the report.

(E) A sum of the ~~number~~estimated weight of source-anonymous CEWs as reported by and transferred from approved collectors.

(2) For all CEWs cancelled during the claim activity period and that are included in the current claim, a description of cancellation activities that includes:

(A) The type(s) of cancellation method used.

(B) The date(s) when cancellation occurred.

(C) The amount of CEWs processed ~~by dismantling~~ by date in pounds.

(D) The dates and destinations of all treatment residual shipments required prior to submitting a claim as specified in subsection (e) of this ~~s~~Section.

(3) For all CEWs received from collectors during the claim activity period that are not included in a prior claim and that are not cancelled, a description and quantification of those activities including but not limited to storage, repair, refurbishment, resale, reuse, transfer or export.

(e) Prior to April 1, 2026, an approved recycler or dual entity shall deliver recycling payment claims to CalRecycle's main business office, to the attention of the Accounting Section. An approved recycler or dual entity shall mark the outside of the package containing the claims clearly with "Covered Electronic Waste Claim Enclosed." On or after April 1, 2026, all payment claims shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(f) An approved recycler or dual entity shall submit timely recycling payment claims so that CalRecycle receives each claim within 45 days of the end of the reporting month, as specified by Sections 18660.24, ~~or~~ 18660.25, or 18660.26 of this Chapter. CalRecycle may ~~reject~~return without payment any claim received more than 45 days after the end of the reporting month, as specified by Sections 18660.24, ~~or~~ 18660.25, or 18660.26 of this Chapter. Prior to April 1, 2026, CalRecycle shall determine a recycling payment claim's date of receipt as the date the recycling payment claim was physically received by CalRecycle. On or after April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date that CalRecycle receives the payment claim pursuant to Section 18660.7(e)~~the date the payment claim is submitted to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.~~

(g) CalRecycle may reject a claim if it fails to comply with the general requirements of this Section, or the additional requirements in the applicable provisions regarding cancellation methods in Sections 18660.24 ~~or 18660.25, or 18660.26~~ of this Chapter.

~~(h) CalRecycle's rejection of a recycling payment claim shall not extend any applicable due date or time period.~~

Section 18660.24. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of CRTs or CRT-Containing CEWs Through Dismantling to a Bare CRT After Relieving the Vacuum.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for ~~canceled~~cancelling CRT containing CEWs through dismantling to a bare CRT after relieving the vacuum as specified in Section 18660.32 of this Chapter.

(b) An approved recycler or dual entity shall base recycling payment claims on the weight of CRT-containing CEWs cancelled.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first makes shipment(s) to an initial destination of bare CRTs or CRT glass cullet derived from the claimed CEWs.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to ~~canceled~~cancelling CRT-containing CEWs through dismantling to a bare CRT as follows:

(1) The total weight of CRT-containing CEWs cancelled from which all treatment residuals specified pursuant to Section 18660.22~~(ea)~~(1) of this Chapter have been shipped off-site to an initial destination authorized to receive and further treat or legally dispose of those treatment residuals.

(2) The total payment claimed, calculated by multiplying the weight of CRT-containing CEWs specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (1) of this Section includes CEWs from outside California, CEWs without source documentation, or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

~~(f) An example calculation for canceling CRT containing CEWs through dismantling to a bare CRT after relieving the vacuum is included for illustration purposes as follows:~~

~~The weight of CRT-containing CEWs cancelled:~~

~~1000 pounds~~

Times the per pound Standard Statewide Combined Recovery and Recycling Payment Rate:	x \$1.19
Equals the payment claim for the reporting period:	= \$1190.00 Total Claim

(gf) An approved recycler or dual entity shall attach the following documentation for all shipments of bare CRTs or CRT glass cullet made during the claim activity period:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The date of the shipment and the weight of the bare CRTs or CRT glass cullet.

(3) ~~Certified weights~~ Weighmaster certificates documenting the weights of individual shipments of bare CRTs or CRT glass cullet.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading and an executed contract or other documentation from the intended recipient of the shipment.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of bare CRTs or CRT glass cullet, information pertaining to the initial destination or the ultimate disposition of the material shipped:

1. All documentation necessary to demonstrate compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22 and 23 of Division 4.5 of Title 22 of the California Code of Regulations shall be included in the claim.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations.

~~(hg)~~ In addition to the documentation required in subsection ~~(gf)~~, an approved recycler or dual entity shall attach to the payment claim a description and quantification of the disposition of other treatment residuals derived from cancellation of the CRT-containing CEWs, including but not limited to metals, plastics, fibers and wood.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Reference: Sections 42463, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.25. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of Non-CRT-Containing CEWs.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for ~~canceled~~cancelling non-CRT-containing CEWs through dismantling to a bare panel as specified in Section 18660.32 of this Chapter.

(b) An approved recycler or dual entity shall base recycling payment claims on the weight of the cancelled non-CRT-containing CEWs.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first cancels any of the non-CRT CEW being claimed.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to ~~canceled~~cancelling non-CRT-containing CEWs through dismantling to a bare panel as follows:

(1) The total weight of cancelled non-CRT-containing CEWs for the reporting month for which records specified in Section 18660.22(ea)(2) of this Chapter have been established and maintained pursuant to Section 18660.8 of this Chapter. Note that non-CRT-containing CEWs commingled with other material are ineligible for recycling payment.

(2) The total payment claimed, calculated by multiplying the weight of non-CRT-containing CEWs specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (1) of this Section includes CEWs from outside California or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

(4) For each claimed non-CRT-containing CEWs, the recycler shall record and report the manufacturer name, model number, and the weight of each device prior to cancellation.

~~(f) An example calculation for canceling non-CRT-containing CEWs through dismantling to a bare panel is included for illustration purposes as follows:~~

The weight of non-CRT-containing CEWs cancelled:	1000 pounds
Times the per pound Standard Statewide Combined Recovery and Recycling Payment Rate:	x \$1.16
Equals the payment claim for the reporting period:	=\$1160.00 Total Claim

~~(gf)~~ An approved recycler or dual entity shall attach the following documentation for all bare plasma panels and lamps derived from non-CRT-containing CEWs during the claim activity period:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The accumulation start date(s) of the bare plasma panels or lamps shipped or stored.

(3) ~~Certified weights ticket~~Weighmaster certificates documenting the weights of individual shipments.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading or manifest, as applicable.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of bare plasma panels and lamps derived from non-CRT-containing CEWs, a discussion of the ultimate disposition of the material shipped demonstrating that the disposition is compliant with applicable law and conforms with the approved recycler's conditions of authorization.

1. All documentation necessary to demonstrate compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations shall be included in the claim.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Chapters 12, 14, 15, 16, 18, 20, 22, and 23 of Division 4.5 of Title 22 of the California Code of Regulations.

(5) The quantities of treatment residuals recorded pursuant to section 18660.22~~(ea)~~(2)(A) and (B) shall be included in the claim.

~~(hg)~~ In addition to the documentation required in subsection ~~(gf)~~, an approved recycler or dual entity shall attach to the payment claim a description and quantification of the disposition of other treatment residuals derived from cancellation of the non-CRT-containing CEWs, including but not limited to circuit boards, other video display panels, metals, plastics, and fibers.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Section 18660.26. Additional Requirements for Recycling Payment Claims to Demonstrate Cancellation of Battery-Embedded CEW.

(a) In addition to the general information required in Section 18660.22 of this Chapter, an approved recycler or dual entity shall include the information in this Section to claim recycling payments for cancelling battery-embedded CEW as specified in Section 18660.32 of this Chapter.

(b) An approved recycler or dual entity shall base recycling payment claims on the weight of the cancelled battery-embedded CEW.

(c) An approved recycler or dual entity shall submit a recycling payment claim within 45 calendar days of the end of a reporting month.

(d) The reporting month for a recycling payment claim pursuant to this Section is the calendar month in which the approved recycler or dual entity first cancels any of the battery-embedded CEW being claimed.

(e) An approved recycler or dual entity shall calculate the payment and include the calculation in a recycling payment claim specific to cancelling battery-embedded CEW by removing the battery as follows:

(1) The total weight of cancelled battery-embedded CEW for the reporting month. Battery-embedded CEW commingled with other material is ineligible for recycling payment.

(2) The total payment claimed, calculated by multiplying the weight of battery-embedded CEW specified in subsection (e)(1) of this Section by the Standard Statewide Combined Recovery and Recycling Payment Rate.

(3) If the amount in subsection (e)(1) of this Section includes CEW from outside California or previously cancelled materials, then the recycler shall reduce the payment claim to reflect these corrections by adjusting the weights.

(4) Prior to submitting a battery-embedded CEW recycling payment claim to CalRecycle, the recycler shall weigh and issue separate weighmaster certificates for each treatment residual derived from cancellation of battery-embedded CEW. For battery treatment residuals derived from cancellation of battery-embedded CEW, each battery chemistry is a separate treatment residual.

(f) For each battery chemistry type that is derived from cancellation of battery-embedded CEW during the claim activity period, an approved recycler or dual entity shall include the following documentation:

(1) Shipping reports to initial destinations, including the names of the shipping recycler and the receiving initial destination.

(2) The accumulation start date(s) of the batteries shipped or stored.

(3) Weighmaster certificates of individual shipments, including only batteries derived from the cancellation of battery-embedded CEW and not including any other commodities.

(4) Verification of post cancellation disposition, including:

(A) For shipments by sea, the proof of transfer to an initial destination shall be the on-board bill of lading or manifest, as applicable.

(B) For other shipments, the proof of transfer to an initial destination shall include a receipt issued by the person receiving the shipment and any applicable bill of lading or manifest.

(C) For all shipments of batteries derived from battery-embedded CEW, an explanation of the ultimate disposition of the material shipped demonstrating that the disposition is compliant with applicable law and conforms with the approved recycler's conditions of authorization.

1. All documentation must comply with all applicable DTSC laws and regulations, including demonstrating compliance with material handling and shipment requirements set forth in Division 4.5 of Title 22 of the California Code of Regulations.

2. CalRecycle may demand additional documentation as necessary from an approved recycler to determine compliance with material handling and shipment requirements set forth in Division 4.5 of Title 22 of the California Code of Regulations.

(5) The total weight for each battery chemistry type, and the total weight for all batteries, shall be included in the claim.

(g) Excluding material in subsection (f) of this Section, for each treatment residual derived from cancellation of battery-embedded CEW during the claim activity period, including but not limited to circuit boards, plastics, metals, glass, fibers, and any hazardous waste components, an approved recycler or dual entity shall attach to the payment claim:

(1) A description of the material flow; and

(2) The weighmaster certificate and the bill of lading or manifest for all shipments to the initial destination.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code.

Reference: Sections 42463, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.30. CalRecycle Review of Recycling Payment Claims.

(a) CalRecycle shall review a recycling payment claim and determine if a recycling payment is due pursuant to this Chapter. If CalRecycle has cause to investigate any aspect of a claim, the review may be extended until resolution of all issues aspects under investigation.

(b) CalRecycle may deny or adjust payment for any of the following reasons:

(1) CalRecycle determines that:

(A) The signature on the claim is not that of a person with Signature Authority for recycling payment claims as designated pursuant to Section 18660.11 of this Chapter.

(B) The recycler did not have current approval for the reporting period or the cancellation period in the claim.

(C) The approved recycler failed to meet the requirements in this Chapter or committed an activity prohibited in this Chapter.

(D) The payment claim contains a numerical discrepancy between values or calculations reported on the claim and CalRecycle verified values and calculations.

(E) The facility has not been inspected by DTSC within the past 12 months, as specified in Section 42479(b)(2)(A) of the Public Resources Code.

(F) The recycler is ineligible for payment pursuant to Section 42479(b)(1) of the Public Resources Code.

(G) The payment claim is deficient with regard to any of the following:

1. CEW source documentation

2. CEW transfer documentation

3. CEW processing documentation

4. Treatment residual disposition documentation

5. Any other documentation required as part of a payment claim as specified in Sections 18660.22 through 18660.256 of this Chapter.

(2) CalRecycle has prevailed against the claimant in a civil or administrative action and money is owed to CalRecycle as a result of the action.

(3) CalRecycle discovers, as part of an application review, claim review or an audit, significant inconsistencies or fraud.

(c) If CalRecycle adjusts or denies a payment claim based on deficiencies in documentation specified in subsection (b)(1)(G) of this section, an approved recycler shall not resubmit as part of a future claim that same documentation, or any revised form of that documentation, seeking payment for those CEWs for which payment had been denied.

(d) Beginning on April 1, 2026, CalRecycle shall perform a review of all documents submitted as part of a recycling payment claim to determine whether it is complete. For the purposes of review pursuant to this Section, "complete" means that the payment claim was not deficient because all required information and documentation was submitted to CalRecycle in the form and manner prescribed by CalRecycle pursuant to this Chapter.

(e) Within 30 calendar days of the date the recycling payment claim is submitted to CalRecycle's electronic information submittal system pursuant to Section 18660.7, CalRecycle shall notify the recycler or dual entity regarding whether the recycling payment claim is complete or deficient.

(f) A recycling payment claim shall be deemed deficient and shall be rejected by CalRecycle if CalRecycle determines that any required information or documentation is not complete.

(g) If a recycling payment claim is deemed deficient, CalRecycle shall notify the recycler or dual entity of the determination, and specify the reasons why it was deemed deficient.

(1) The notice of deficiency shall be sent by CalRecycle as soon as any deficiency in the required information is identified.

(2) CalRecycle is not required to provide notice of any deficiencies that it has not yet identified and may send more than one notice of deficiency for the payment claim.

(h) If CalRecycle rejects a recycling payment claim for any deficiency and a recycler or dual entity resubmits the recycling payment claim with all deficiencies corrected, it shall be considered a new submission with CalRecycle's 90-day review period beginning on the date that CalRecycle receives the payment claim.

(i) If CalRecycle rejects a recycling payment claim and a recycler or dual entity fails to correct all deficiencies, CalRecycle shall continue to deem the recycling payment claim deficient.

Section 18660.31. Request for Reconsideration, Appeal of Denied or Adjusted Recycling Payment Claims.

(a) An approved recycler or dual entity shall may request reconsideration of a denied or adjusted claim by submitting a submit an appeal written request for reconsideration electronically in writing to ewasteclaims@calrecycle.ca.gov the CalRecycle main business office, to the attention of the Legal Office, within 30 calendar days of the date of the notice

denying or adjusting the claim. The recycler shall title the electronic request clearly mark the outside of the package containing the appeal with: "Request for Reconsideration Covered Electronic Waste Claim Appeal Enclosed".

(1) Any request for reconsideration received by CalRecycle after 30 calendar days from the date of the claim denial or adjustment from CalRecycle shall be denied without reconsideration of the claim denial or adjustment and the claim denial or adjustment may not be appealed.

(2) An approved recycler or dual entity shall include all of the following information in a request for reconsideration:

(A) The approved recycler's or dual entity's name and Proof of Approval identification number.

(B) The month(s) and year(s) of the recycling payment claim.

(C) A copy of CalRecycle's determination letter denying or adjusting the claim.

(D) An explanation, which may include providing supporting documentation, of why the adjustment or denial was in error.

(3) CalRecycle shall deny the request for reconsideration if an approved recycler or dual entity fails to provide the information requested in subsection (2).

(4) CalRecycle shall have 30 calendar days from the electronic submission date of the request for reconsideration to reconsider the claim adjustment or denial and shall notify the approved recycler or dual entity of its determination. The approved recycler or dual entity and CalRecycle may agree in writing to extend this timeline.

(b) The approved recycler or dual entity may appeal CalRecycle's claim adjustment or denial within 30 calendar days from the date of CalRecycle's determination of the request for reconsideration. Any appeal received by CalRecycle after 30 calendar days from the date of CalRecycle's determination of the request for reconsideration the claim denial or adjustment notice from CalRecycle shall be denied without a hearing or consideration of the appeal.

(c) An approved recycler or dual entity shall include all of the following information in a written appeal submitted electronically to CalRecycle at ewasteclaims@calrecycle.ca.gov. CalRecycle shall deny the appeal if an approved recycler or dual entity fails to provide the following information:

(1) The approved recycler's or dual entity's name and Proof of Approval identification number, from its proof of approval.

(2) The month(s) and year(s) in question of the recycling payment claim.

(3) A copy of CalRecycle's determination letter denying or adjusting the recycling payment claim and the notice denying the claim, or a copy of the remittance advice if a payment adjustment is being appealed.

(4) An explanation, which may include providing supporting documentation, of why the adjustment or denial was in error.

(5) A copy of CalRecycle's reconsideration determination letter. Any other documentation that supports the appeal.

(d) At any time during the proceeding after filing a claim appeal and, before a decision is issued, CalRecycle and the approved recycler or dual entity may engage in alternative dispute resolution, with the consent of the petitioner, may refer the matter to mediation,

~~or binding or non-binding arbitration~~, consistent with the provisions of Government Code Section 11420.10.

(e) CalRecycle shall provide a hearing before the director, or his or her designee, who shall act as a hearing officer. The hearing officer shall consider the claim, the reasons for payment denial or payment adjustment, and any additional relevant information presented by the approved recycler or dual entity claimant or CalRecycle staff. The hearing officer shall issue a written decision stating the factual and legal basis for the decision.

(f) ~~The hearing officer CalRecycle~~ will notify the approved recycler or dual entity of the determination in writing within 20 calendar days from the date of the decision.

(g) This appeal provided for in this Section is also governed by the general administrative adjudication provisions of the California Administrative Procedure Act, found at Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11400. This appeal is not subject to the provisions of Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11500.

ARTICLE 2.4. Electronic Waste Payment System — Cancellation Methods, Recovery Payment Rate, and Combined Recovery and Recycling Payment Rates

Section 18660.32. Cancellation Methods.

(a) CalRecycle shall not pay recycling payment claims unless the cancellation method used meets the requirements of this Section.

(b) An approved recycler or dual entity shall not use or propose cancellation methods that are inconsistent with any DTSC requirements for handling or otherwise processing CEWs.

(c) An approved recycler or dual entity may use the following standard CEW cancellation methods that qualify for recycling payments as specified in the requirements of this Chapter:

(1) CRT or CRT-containing CEW cancellation through dismantling to a bare CRT after relieving the vacuum.

(2) Cancellation of non-CRT-containing CEWs through dismantling to a bare panel.

(3) Cancellation of battery-embedded CEW by removing the embedded battery in a manner that complies with Chapter 23 of Division 4.5 of Title 22 of the California Code of Regulations, including ensuring the casing of each individual battery cell is not breached and the casing remains intact and closed, and dismantling the CEW into specific material streams such as batteries, plastics, metals, glass, fibers, and any hazardous waste components, if applicable.

(A) Batteries shall be sorted by Battery Chemistry after they are removed from the CEW.

(B) Lithium batteries of all chemistry types shall be stored and handled in a manner that ensures individual battery terminals remain separated with terminal protection, such as non-conductive tape or individual bags, in order to reduce the risk of thermal events.

(4) Motor vehicles may not be cancelled pursuant to this Section.

(d) An approved recycler may submit proposals for alternative cancellation methods to CalRecycle for review on a case-by-case basis. CalRecycle, in consultation with DTSC, shall act within 90 calendar days to disapprove an alternative method, approve an alternative method for use only by the requesting recycler, or approve an alternative method for use by all recyclers.

(e) An approved recycler or dual entity shall not claim, and CalRecycle shall not pay, recycling payments for CEWs “cancelled” with an alternative method unless CalRecycle has previously approved the alternative method. CalRecycle shall deny payment on any CEWs “cancelled” with an alternative method prior to CalRecycle approval.

(f) Reuse of either an intact CEW or of a partially disassembled CEW, such as a CRT with an attached yoke, is not cancellation and is not eligible for recycling payments.

Authority cited: Sections 40502, 42475(b) ~~and~~, 42475.2, and 42476, Public Resources Code. Reference: Sections 42463, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

Section 18660.34. Standard Statewide Combined Recovery and Recycling Payment Rates.

(a) CalRecycle shall pay an approved recycler or dual entity the Standard Statewide Combined Recovery and Recycling Payment Rates for the weight of CRT, ~~and non-CRT,~~ and battery-embedded CEW cancelled and claimed pursuant to the requirements of this Chapter, which includes a component for recovery costs and a component for recycling costs.

(b) Beginning July 1, 2025, the Standard Statewide Combined Recovery and Recycling Payment Rates are:

(1) \$1.19 per pound for CRT CEW.

(2) \$1.16 per pound for non-CRT CEW.

(c) Beginning January 1, 2026, the Standard Statewide Combined Recovery and Recycling Payment Rate for battery-embedded CEW is \$1.15 per pound for battery-embedded CEW.

(ed) CalRecycle shall review the Standard Statewide Combined Recovery and Recycling Payment Rates at a public meeting and establish the rates pursuant to Sections 42477 and 42478 of the Public Resources Code.

Authority cited: Sections 40502, 42475(b) and 42475.2, Public Resources Code. Reference: Sections 42463, 42475(a), 42476, 42477, 42478 and 42479, Public Resources Code.

ARTICLE 2.5. Electronic Waste Payment System — Manufacturer Payments

Section 18660.35. Manufacturer Registration.

- ~~(a) A manufacturer may apply to become registered, to renew an existing registration, or to revise an existing registration at any time by submitting a complete application.~~
- ~~(b) In an application for registration, manufacturers shall provide the following general information:~~
 - ~~(1) Name of manufacturer.~~
 - ~~(2) Mailing address and physical address.~~
 - ~~(3) Name of the employee or officer of the manufacturer who is the contact person.~~
 - ~~(4) Telephone number(s) of the contact person.~~
 - ~~(5) An e-mail address of the contact person.~~
 - ~~(6) Name of the employee or officer of the manufacturer who is the Authorized Signatory to sign:~~
 - ~~(A) Payment claims.~~
 - ~~(B) Reports.~~
 - ~~(C) Other payment related documentation or correspondence required by CalRecycle.~~
 - ~~(7) Name of the employee or officer of the manufacturer (if any), in addition to the Authorized Signatory to sign:~~
 - ~~(A) Payment claims.~~
 - ~~(B) Reports.~~
 - ~~(C) Other payment related documentation or correspondence required by CalRecycle.~~
 - ~~(8) An indication of whether the manufacturer wishes to be included in an on-line registry.~~
 - ~~(9) The location in which the records required by this Chapter will be maintained.~~
- ~~(c) In an application for registration, a manufacturer shall also include the following information about its take back program or activities, including but not limited to:~~
 - ~~(1) The types of California sources from which the manufacturer may take back CEWs, including but not limited to households, businesses, or other collectors.~~
 - ~~(2) The type(s) of CEWs that the manufacturer may take back for recycling.~~
 - ~~(3) The mechanism(s) by which the manufacturer will accept CEWs into the take back program, such as mail-in, drop-off, trade-in, or pick-up.~~
 - ~~(4) Any conditions the manufacturer may place on accepting CEWs.~~
 - ~~(5) Whether the manufacturer may recover for the purposes of recycling discarded electronic devices similar to CEWs from outside of the State of California.~~
- ~~(d) In an application for registration, a manufacturer shall also include the following information regarding the recycling of the CEWs received into its take back program:~~
 - ~~(1) The name and address of the recycling facility(ies) used by the manufacturer.~~
 - ~~(2) A description of the recycling operation used by the manufacturer, including the recycling process that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.~~
- ~~(e) In an application for registration, a manufacturer shall make the following certification statements:~~

~~(1) "The undersigned manufacturer agrees under penalty of immediate revocation of registration and denial of manufacturer payments that as an registered manufacturer:"~~

~~(A) "I shall ensure that any CEWs for which payment is claimed originate from a California source."~~

~~(B) "I shall only claim payment for those CEWs that I take back and process for recycling."~~

~~(C) "I shall operate in compliance with the requirements of this Chapter, the Act and with all applicable local, state and federal regulatory provisions."~~

~~(2) "The undersigned manufacturer certifies under penalty of perjury under the laws of the State of California that the information provided herein is true and correct and that the undersigned has the authority to legally bind the manufacturer to the terms and requirements of the application."~~

~~(A) The name and Signature of the Authorized Signatory.~~

~~(B) The date and location of application execution.~~

~~(f) In an application for registration, a manufacturer shall submit a completed "Payee Data Record" STD. 204 Form (Rev. 6-2003 or as revised) -- Department of Finance, State of California. The form will be provided by CalRecycle and is hereby incorporated by reference.~~

~~(g) Within 30 calendar days upon receipt of the application for registration, CalRecycle will notify the manufacturer if the applicant is a registered manufacturer and provide a registration number to be used in all correspondence and claims.~~

~~(h) A registered manufacturer's registration remains valid for 2 years following the date of registration provided that the information in the original application remains unchanged and the manufacturer continues to meet and fulfill the requirements of this Chapter.~~

~~Authority cited: Sections 40502, 42475 and 42475.2, Public Resources Code.~~

~~Reference: Sections 42475 and 42476, Public Resources Code.~~

~~Section 18660.36. Requirements for a Registered Manufacturer.~~

~~(a) Upon registration with CalRecycle, a registered manufacturer may claim manufacturer payments for those CEWs received by the manufacturer's take back program after the effective date of registration and processed for recycling as specified in Section 18660.6(i)(3) of this Chapter.~~

~~(b) A registered manufacturer shall determine if CEWs received by the manufacturer's take back program and processed for recycling are from California sources or from non-California sources and shall keep track of those materials separately.~~

~~(c) A registered manufacturer shall not request payment for non-California CEWs.~~

~~(d) A registered manufacturer shall not request payment for previously cancelled CEWs.~~

~~(e) A registered manufacturer shall ensure that any CEW on which the manufacturer has claimed manufacturer payment does not enter the recovery and recycling payment system.~~

~~(f) The recycling operation used by a registered manufacturer shall operate in accordance with all Federal, State and local laws and regulations.~~

~~(g) In addition to the general record keeping requirements in Section 18660.8 of this Chapter, a registered manufacturer shall obtain and maintain the following records:~~

~~(1) A written description of the take back program, including the type of consumers from whom CEWs are accepted for take back.~~

~~(2) A record of the number of CEWs collected by Product Category, as defined in Section 18660.5(a)(32) of this Chapter.~~

~~(3) Records of transfers by load to the recycling operation used by the registered manufacturer, including signed and dated receipts showing the weight and number of CEWs transferred.~~

~~(4) Written description of any activity, such as packaging and consolidation, which explains any discrepancy between the CEWs received through the take back program and the CEWs transferred to the recycling operation used by the manufacturer.~~

~~(5) Records showing any CEWs received through the take back program that are reused, repaired, refurbished or otherwise returned to use.~~

~~(6) Records showing any CEWs received through the take back program that are transferred to another entity without being processed for recycling.~~

~~(7) Records showing the processing for recycling of CEWs by number, screen size, weight, date and recycling method that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.~~

~~(8) Complete records of all claims, attachments and supporting documentation for all recycling payment claims made to CalRecycle.~~

~~(h) A registered manufacturer shall measure, record and report weights in pounds. A registered manufacturer shall weigh CEWs and treatment residuals on a scale or other device approved, tested and sealed in accordance with Division 5 of the Business and Professions Code (Weights and Measures) or in accordance with comparable standards of the state in which the registered manufacturer is located.~~

~~Authority cited: Sections 40502, 42475 and 42475.2, Public Resources Code. Reference: Sections 42475, 42476 and 42479, Public Resources Code.~~

~~Section 18660.37. Manufacturer Payment Claims.~~

~~(a) A registered manufacturer shall base a manufacturer payment claim on the number of CEWs processed for recycling by screen size(s) as listed in Section 42464(a) of the Public Resources Code.~~

~~(b) A registered manufacturer shall submit all of the following general information in a claim for manufacturer payments from CalRecycle:~~

~~(1) The full name, mailing address, registration number, and federal tax identification number of the registered manufacturer preparing the claim.~~

~~(2) The name and phone number of a contact person for purposes of the claim.~~

~~(3) The period of time covered by the claim and date of preparation of the claim.~~

~~(4) The number of CEW devices claimed:~~

~~(A) In each Product Category as defined in Section 18660.5(a)(32).~~

~~(B) By screen size as listed in Section 42464(a) of the Public Resources Code.~~

~~(5) The total monetary amount being claimed, as calculated in subsection (f) of this Section.~~

~~(6) The Signature and title of a person with Signatory Authority for payment claims as designated pursuant to Section 18660.35(b)(6) or (7) of this Article. The signature block shall include the following certification statements:~~

~~(A) "I hereby declare under penalty of perjury that:"~~

~~1. "All claimed CEWs were received from California sources through the manufacture take back program described in the manufacturer registration."~~

~~2. "All claimed CEWs have been processed for recycling in a manner that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result."~~

~~3. "No claimed CEWs were transferred into the recovery and recycling payment system."~~

~~4. "I have certified the number of devices and verified the calculations."~~

~~5. "This payment claim, including any and all accompanying documents, has been examined by me and is true, correct and complete."~~

~~6. "I understand that errors or omissions on my part may result in Cal Recycle delaying or denying payment"~~

~~7. "I further understand that fraud could result in revocation of the manufacturer registration."~~

~~(7) The date and place the claim was signed.~~

~~(c) A registered manufacturer shall submit no more than one payment claim per calendar month.~~

~~(d) The claim period for a manufacturer payment claim pursuant to this Section is the time period within which processing occurs and may not exceed three (3) months.~~

~~(e) A registered manufacturer shall attach all of the following to the payment claim:~~

~~(1) A written description of take back program that collected the CEWs for which payment is being claimed, including the type of consumers from whom CEWs were accepted, and a record of the number of CEWs collected by Product Category, as defined in Section 18660.5(a)(32) of this Chapter.~~

~~(2) Records of transfers by load to the registered manufacturer's recycling operation, including signed and dated receipts showing the weight and number of CEWs transferred.~~

~~(3) Written description of any activity, such as packaging and consolidation, which explains any discrepancy between the CEWs received through the take back program and the CEWs transferred to the manufacturer's recycling operation.~~

~~(4) Records showing any CEWs received through the take back program that are reused, repaired, refurbished or otherwise returned to use.~~

~~(5) Records showing any CEWs received through the take back program that are transferred to another entity without being processed for recycling.~~

~~(6) Records showing the processing for recycling of CEWs by number, screen size, weight, date and recycling method that results in cancellation as specified in Section 18660.32 of this Chapter or an equivalent result.~~

(f) A registered manufacturer shall calculate the payment and include the calculation in a manufacturer payment claim as follows:

(1) The total number of CEWs, by screen size as specified in Section 42464(a) of the Public Resources Code, that are processed for recycling during the claim period.

(2) The total payment claimed, calculated by:

(A) Multiplying the number of CEWs in each screen size category by the value of the covered electronic waste recycling fee that applies to that category.

(B) Adding the calculations in (A) above for each screen size category calculation together.

(g) An example calculation for a manufacturer claim is included for illustration purposes as follows:

The number CEWs processed for recycling by screen size:

100 devices with less than 15 inch screen size	100 devices	
Times the covered electronic waste recycling fee for category	- x \$4.00	
	\$400.00	
200 devices greater than or equal to 15 inch screen size but less than 35 inch screen size	200 devices	
Times the covered electronic waste recycling fee for category	- x \$5.00	
	\$1000.00	

Equals the payment claim for the claim period: (\$400.00+\$1000.00)- \$1400.00 Total Claim

(h) Prior to April 1, 2026, a registered manufacturer shall deliver manufacturer payment claims to CalRecycle's main business office, to the attention of the Accounting Section. A registered manufacturer shall mark the outside of the package containing the claims clearly with "Electronic Manufacturer Claim Enclosed." On or after April 1, 2026, all payment claims shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(i) A registered manufacturer shall submit timely manufacturer payment claims so that CalRecycle receives each claim within 45 days of the end of the claim period.

CalRecycle may return without payment any claim received more than 45 days after the end of the claim period. Prior to April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date the payment claim was physically received by CalRecycle.. On or after April 1, 2026, CalRecycle shall determine a payment claim's date of receipt as the date the payment claim is submitted to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(j) CalRecycle may reject a claim if it fails to comply with the requirements of this Section.

(k) CalRecycle's rejection of a manufacturer payment claim shall not extend any applicable due date or time period.

~~Section 18660.38. CalRecycle Review of Manufacturer Payment Claims.~~

- ~~(a) CalRecycle shall review a manufacturer payment claim and determine if a manufacturer payment is due pursuant to this Chapter. If CalRecycle has cause to investigate any aspect of a claim, the review will be extended until resolution of all issues aspects under investigation.~~
- ~~(b) CalRecycle may deny payment for any of the following reasons:~~
 - ~~(1) CalRecycle determines that:~~
 - ~~(A) The signature on the claim is not that of a person with Signatory Authority for registered manufacturer payment claims as designated pursuant to Section 18660.35(b)(6) or (7) of this Article.~~
 - ~~(B) The registered manufacturer did not have current registration for the claim period.~~
 - ~~(C) The registered manufacturer failed to meet the requirements in this Chapter or committed an activity prohibited in this Chapter.~~
 - ~~(D) The payment claim contains a numerical discrepancy between values or calculations reported on the claim and CalRecycle verified values and calculations.~~
 - ~~(2) CalRecycle has prevailed against the claimant in a civil or administrative action and money is owed to CalRecycle as a result of the action.~~
 - ~~(3) CalRecycle discovers, as part of an application review, claim review or an audit, significant inconsistencies or fraud.~~

~~Section 18660.39. Appeal of Denied or Adjusted Manufacturer Payment Claims.~~

- ~~(a) A registered manufacturer shall submit an appeal in writing to the CalRecycle main business office, to the attention of the Legal Office, within 30 calendar days of the date of the notice denying or adjusting the claim. The registered manufacturer shall clearly mark the outside of the package containing the appeal with: "Electronic Manufacturer Claim Appeal Enclosed".~~
- ~~(b) Any appeal received by CalRecycle after 30 calendar days from the date of the claim denial or adjustment notice from CalRecycle shall be denied without a hearing or consideration of the appeal.~~
- ~~(c) A registered manufacturer shall include all of the following information in a written appeal:~~
 - ~~(1) The registered manufacturer's name and registration.~~
 - ~~(2) The month(s) and year(s) in question.~~
 - ~~(3) A copy of the manufacturer payment claim and the notice denying the claim, or a copy of the remittance advice if a payment adjustment is being appealed.~~
 - ~~(4) An explanation of why the adjustment or denial was in error.~~

~~(5) Any other documentation that supports the appeal.~~
~~(d) At any time during the proceeding, before a decision is issued, CalRecycle, with the consent of the petitioner, may refer the matter to mediation, or binding or non-binding arbitration, consistent with the provisions of Government Code Section 11420.10.~~
~~(e) CalRecycle shall provide a hearing before the director, or his or her designee, who shall act as a hearing officer. The hearing officer shall consider the claim, the reasons for payment denial or payment adjustment, and any additional relevant information presented by the claimant or CalRecycle staff. The hearing officer shall issue a written decision stating the factual and legal basis for the decision.~~
~~(f) CalRecycle will notify the registered manufacturer of the determination in writing within 20 calendar days from the date of the decision.~~
~~(g) This appeal provided for in this Section is also governed by the general administrative adjudication provisions of the California Administrative Procedure Act, found at Chapter 4.5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11400. This appeal is not subject to the provisions of Chapter 5 of Part 1 of Division 3 of Title 2 of the Government Code, commencing with Section 11500.~~

ARTICLE 3. Manufacturer Reporting and Submissions

Section 18660.41. Reporting Requirements for Covered Video Display Device Manufacturers.

~~(a) Each manufacturer as defined by Section 42463(q) of the Public Resources Code shall submit an annual report to CalRecycle on or before July 1, 2005, and annually thereafter, each year for the period of the previous calendar year. Each manufacturer shall report information by brand name of covered electronic devices, as defined by Section 42463(g)(1)(A) of the Public Resources Code, sold in the state.~~

~~(ab) The report shall include the following:~~

~~(1) Name and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer. The information supplied pursuant to this subsection shall be non-confidential and non-proprietary information.~~

~~(2) The information elements, as described in Section 42465.2 of the Public Resources Code and specified in Sections 18660.41(~~bc~~) through (~~fg~~), below.~~

~~(~~bc~~) The sales reporting shall include:~~

~~(1) Data on the number of covered electronic devices sold in the state by Product Category.~~

~~(2) An explanation of the methodology used to estimate data.~~

(ed) The materials reporting shall include:

(1) An estimated average amount in milligrams for mercury, cadmium, lead, hexavalent chromium, including their alloys and compounds, and PBBs used in covered electronic devices, and all their component parts by Product Category.

(2) Estimates may be based on either physical testing or maximum tolerance levels of the material in product design specifications.

(3) An explanation of the methodology used to estimate data.

(de) Recycled content reporting shall include:

(1) Estimates on the amount in tons of recycled content for each materials type (e.g., plastics, glass, and metals) contained in covered electronic devices;

(2) The increase from the previous year in the use of recycled content materials; and

(3) An explanation of the methodology used to estimate recycled content.

(ef) Design for recycling reporting shall include:

(1) Information on current activities and future plans related to the design of covered electronic devices, including but not limited to, the following:

(A) Ease of disassembly of covered electronic devices;

(B) Identification of resin types; and

(C) Improved materials efficiency through reduction in hazardous materials use or other approaches.

(fg) List of retailers noticed pursuant to Section 42465.2(a)(1)(E) of the Public Resources Code shall include:

(1) The contact information used by the manufacturer to perform the notice, such as the name, address, contact person, phone number and email address of the retailer to which the notice was made.

(2) The list of covered products contained in the notice.

~~(g) Prior to April 1, 2026, the notice sent to CalRecycle pursuant to Section 42466.2(b) of the Public Resources Code shall be sent electronically through email to CEDmanufacturers@calrecycle.ca.gov. On or after April 1, 2026, this notice shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.~~

(h) Manufacturers shall individually submit to CalRecycle samples of the consumer information and description of all methods used to comply with Section 18660.42 of this Chapter. Manufacturers shall submit this information at the same time they comply with Section 18660.41(~~ab~~) through (~~ef~~), above. The samples of consumer information shall include a detailed description and examples, such as in the form of images or copies of screenshots from the manufacturer's website of the information that the manufacturer has provided to consumers that describes where and how to return, recycle, and dispose of the covered electronic devices, as defined in Section 42463(g)(1)(A) of the Public Resources Code, and the opportunities and locations for the collection or return of those covered electronic devices, through the use of a toll-free telephone number, internet website, information labeled on the devices, information included in the packaging, or information accompanying the sale of those covered electronic devices.

(i) Each manufacturer shall maintain the report and all supporting documentation for three years after the report is submitted. If CalRecycle or DTSC requests a copy of the

supporting documentation, the manufacturer shall submit the supporting documentation within 10 days of the request.

(j) Each manufacturer shall provide a certification under penalty of perjury that the information is true and correct.

(k) Collective reporting — Compliance with the reporting required in Sections 18660.41(~~bc~~) through (~~fg~~), above, is the individual responsibility of each manufacturer. A manufacturer may comply with the reporting requirements in subsections (~~bc~~) and (~~ed~~), above, by submitting a collective report for the subsections containing sales and materials information, if the following conditions are met:

(1) A collective report must contain all of the information required in Sections 18660.41(~~bc~~) and (~~ed~~), above, but may combine the information for those manufacturers submitting information for the collective report;

(2) The collective report shall contain a list of all manufacturers whose reports are included in the collective report. This list shall include the name of the manufacturer and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer;

(3) Each manufacturer shall provide a certification under penalty of perjury that the information provided for the collective report is true and correct; and

(4) Notwithstanding ~~Section 18660.41(j)(1) through (3)~~, subsection 18660.41(k)(1) through (3) above, CalRecycle may request, on a case-by-case basis, a manufacturer to submit an individual report with the information required in Sections 18660.41(~~bc~~) and (~~ed~~), above, and all supporting documentation of the information contained in the report. In response to CalRecycle's request, the manufacturer shall submit an individual report and supporting documentation within ten days of receiving CalRecycle's request.

(l) Prior to April 1, 2026, all reports pursuant to this Section, including the report submitted to CalRecycle pursuant to Section 42467 of the Public Resources Code, shall be sent electronically through email to CEDmanufacturers@calrecycle.ca.gov. On or after April 1, 2026, manufacturer reports shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(m) Any information considered by the manufacturer to be confidential, trade secret, or proprietary shall be, at the time of submission to CalRecycle, identified pursuant to Section 17044 or 17045 of Title 14 of the California Code of Regulations. Any markings made by a manufacturer shall not be conclusive as to whether that information or documentation is exempt from public disclosure pursuant to the California Public Records Act, as specified in Government Code section 7920.000 et. seq.

Section 18660.41.1. Reporting Requirements for Covered Battery-Embedded Product Manufacturers.

(a) Each manufacturer as defined by Section 42463(g) of the Public Resources Code, shall submit an annual report to CalRecycle on or before July 1, 2027, and annually thereafter, for the period of the previous calendar year. Each manufacturer shall report information by brand name of covered electronic devices, as defined by Section 42463(g)(1)(B) of the Public Resources Code, sold in the state.

(b) The report shall include the following:

(1) Name and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer. The information supplied pursuant to this subsection shall be non-confidential and non-proprietary information.

(2) The information elements, as described in Section 42467 of the Public Resources Code and specified in Sections 18660.41.1(c) through (f), below.

(c) The sales reporting shall include:

(1) Data on the number of covered electronic devices, as defined in Section 42463(g)(1)(B) of the Public Resources Code, sold in the state, for each brand name.

(2) An explanation of the methodology used to estimate data.

(d) The data shall include the chemistry of the battery(ies) contained within each model of covered electronic devices, as defined in Section 42463(g)(1)(B) of the Public Resources Code.

(e) Recycled content reporting shall include:

(1) Estimates of the amount in tons of recycled content materials (e.g., plastics, glass, graphite, and metals, including, but not limited to, lithium and cobalt) contained in covered electronic devices, as defined in Section 42463(g)(1)(B) of the Public Resources Code;

(2) The increase from the previous year in the use of each type of recycled content material; and

(3) An explanation of the methodology used to estimate recycled content.

(f) List of retailers noticed pursuant to Section 42466.2 of the Public Resources Code shall include:

(1) The contact information used by the manufacturer to perform the notice, including the name, address, contact person, phone number and email address of the retailer to which the notice was made.

(2) The list of covered products, including brand and model number, contained in the notice.

(g) Manufacturers shall individually submit to CalRecycle samples of the consumer information and description of all methods used to comply with Section 18660.42 of this Chapter. Manufacturers shall submit this information at the same time they comply with Section 18660.41.1(b) through (f), above. The samples of consumer information shall include a detailed description and examples, such as in the form of images or copies of screenshots from the manufacturer's website of the information that the manufacturer has provided to consumers that describes where and how to return, recycle, and dispose of the covered electronic devices, as defined in Section 42463(g)(1)(B) of the

Public Resources Code, and the opportunities and locations for the collection or return of the covered electronic devices, through the use of a toll-free telephone number, internet website, information labeled on the devices, information included in the packaging, or information accompanying the sale of the covered electronic devices.

(h) Each manufacturer shall maintain the report and all supporting documentation for three years after the report is submitted. If CalRecycle or DTSC requests a copy of the supporting documentation, the manufacturer shall submit the supporting documentation within 10 calendar days of the request.

(i) Each manufacturer shall provide a certification under penalty of perjury that the information is true and correct.

(j) Collective reporting – Compliance with the reporting required in Sections 18660.41.1(c) through (f), above, is the individual responsibility of each manufacturer. A manufacturer may comply with the reporting requirements in subsections (c) and (d), above, by submitting a collective report for the subsections containing sales and Battery Chemistry information, if the following conditions are met:

(1) A collective report must contain all of the information required in Sections 18660.41.1(c) and (d), above, but may combine the information for those manufacturers submitting information for the collective report;

(2) The collective report shall contain a list of all manufacturers whose reports are included in the collective report. This list shall include the name of the manufacturer and address of the manufacturer; and name, address, phone number, and email address for a contact person of the manufacturer;

(3) Each manufacturer shall provide a certification under penalty of perjury that the information provided for the collective report is true and correct; and

(4) Notwithstanding subsection (j)(1) through (3) above, CalRecycle may request, on a case-by-case basis, a manufacturer to submit an individual report with the information required in Sections 18660.41.1(c) and (d), above, and all supporting documentation of the information contained in the report. In response to CalRecycle's request, the manufacturer shall submit an individual report and supporting documentation within 10 calendar days of receiving CalRecycle's request.

(k) On or after January 1, 2026, manufacturer reports shall be sent to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(l) Any information considered by the manufacturer to be confidential, trade secret, or proprietary shall be, at the time of submission to CalRecycle, identified pursuant to Section 17044 or 17045 of Title 14 of the California Code of Regulations. Any markings made by a manufacturer shall not be conclusive as to whether that information or documentation is exempt from public disclosure pursuant to the California Public Records Act, as specified in Government Code section 7920.000 et. seq.

Section 18660.41.5. Retailer Notice Requirements for Covered Battery-Embedded Product Manufacturers.

(a) Notices sent to CalRecycle by a manufacturer of a covered battery-embedded product, pursuant to Section 42466.2(b) of the Public Resources Code, shall be sent electronically to CalRecycle's designated electronic information submittal system available from CalRecycle's website pursuant to Section 18660.7.

(1) Copies of these notices shall be provided to CalRecycle on or before August 1 annually.

(2) If a notice provided does not specify the date and recipient(s), the manufacturer shall provide the date and recipient(s) of the notice through CalRecycle's designated electronic information submittal system.

(b) The notices prepared pursuant to Section 42466.2 of the Public Resources Code, including copies provided to CalRecycle pursuant to Section 42466.2(b), shall not be treated as confidential or proprietary by CalRecycle. Any information considered by the manufacturer to be confidential, trade secret, or proprietary shall be provided separately from the copy of the notice, through CalRecycle's designated information submittal system, and must be identified pursuant to Section 17044 or 17045 of Title 14 of the California Code of Regulations.

ARTICLE 7. Designated Approved Collectors

Section 18660.49. Proof of Designation.

(a) A Local Government may establish a Designation if:

(1) The Local Government transmits a Proof of Designation to CalRecycle that meets all of the requirements of this Section;

(2) CalRecycle receives the transmitted Proof of Designation at least 30 calendar days in advance of any CEW collection activity conducted by the Designated Approved Collector pursuant to the Designation; and

(3) CalRecycle contacts the Local Government and the Designated Approved Collector, in writing, to confirm that CEW collection activities can begin under the Designation.

(b) The Proof of Designation, ~~as defined in Section 18660.5(a)(34),~~ shall establish the scope of the Designation and include the following information:

(1) The name of the Designated Approved Collector and its associated CEW identification number.

(2) The beginning and end dates of the Designation:

(A) The beginning date is the first day any CEW collection activities may occur.

(B) The beginning date must be a minimum of 30 calendar days after CalRecycle receives the Proof of Designation from the Local Government.

(C) CalRecycle may modify the beginning date to ensure that the beginning date is at least 30 calendar days from transmittal of the Proof of Designation.

(D) Neither CalRecycle nor the Local Government shall modify the end date.

(3) The location(s) where the collection activities may occur on behalf of the Local Government. This includes:

(A) The geographic area within the Local Government's jurisdictional boundaries where the Designated Collector may provide CEW collection services; and

(B) Any specific sites and addresses at which permanent drop-off services will be provided.

(4) The method and description of CEW collection activities to be provided by the Designated Approved Collector (e.g., permanent drop-off, curbside service, illegal disposal clean-up, or temporary special events).

(5) Contact information for the Local Government designating authority that includes name, title, phone number, email address, and mailing address. The designating authority contact shall be a representative of the Local Government that is duly authorized and empowered to execute agreements or contracts related to waste management on behalf of the Local Government.

(6) A certification signed and dated by the designating authority of the Local Government stating the following:

(A) The designating authority is authorized to execute agreements or contracts related to waste management on behalf of the Local Government;

(B) The designating authority has read and understands all applicable laws and regulations governing the Electronic Waste Recovery and Recycling Program;

(C) The designating authority agrees that the Local Government shall operate in compliance with those applicable laws and regulations; and

(D) The designating authority certifies that the Proof of Designation contains true and correct information to the best of the designating authority's knowledge.

(7) Contact information for the Local Government person responsible for the management of the Designation, if different from the designating authority, that includes name, title, phone number, email address, and mailing address.

(8) Contact information for the Designated Approved Collector that includes name, title, phone number, email address, and mailing address.

(9) A certification statement signed and dated by a representative of the Designated Approved Collector stating the following:

(A) The representative is an Authorized Signatory listed in the application for approval pursuant to Section 18660.11(b)(7) of this Chapter; and

(B) The Designated Approved Collector agrees to operate in compliance with the requirements of the Electronic Waste Recovery and Recycling Program and all applicable laws and regulations.

(c) The Local Government shall transmit, pursuant to subsection (a), a copy of the Proof of Designation to CalRecycle either by electronic mail or by mail to:

CALRECYCLE

~~EWASTEDESIGNATIONS@CALRECYCLE.CA.GOV~~

(d) Within 10 calendar days of receipt of the Proof of Designation, pursuant to subsection (a)(2), CalRecycle shall either: (1) notify the Local Government, in writing, that a Proof of Designation is complete and correct; or (2) notify the Local Government, in writing, and provide a list of the missing and/or incorrect information in the Proof of Designation. The Local Government shall have 20 calendar days after CalRecycle's notification, to provide missing information and/or make corrections. Failure to timely provide missing information and/or make corrections may result in termination of a Designation, pursuant to subsection 18660.50(b).

(e) A Designation is considered valid only when the requirements in subsections (a), (b), and (c) of this section have been met.

(f) A Designated Approved Collector shall notify the Local Government and CalRecycle, in writing, at least 30 calendar days prior to a change taking effect or within 10 calendar days after an unforeseen change regarding any changes in:

(1) The Designated Approved Collector's contact information or operational status identified pursuant to subsection (b)(8); or

(2) The name of the organization under which the Designated Approved Collector is operating, pursuant to subsection (b)(1).

(g) A Local Government shall immediately notify CalRecycle, in writing, of any changes in a Designation regarding representatives identified pursuant to subsections (b)(5), (b)(6), (b)(7), or (b)(9) of this Section.

(h) Prior to the end date of a Designation, the designating authority of the Local Government may amend the Designation to modify the scope established pursuant to subsections (b)(3) or (b)(4) of this Section.

(1) The Local Government shall immediately notify CalRecycle and the Designated Approved Collector, in writing, of any changes in scope enacted pursuant to this subsection.

(2) The Designated Approved Collector shall not act on any changes in the scope of a Designation prior to the notifications required in subsection (h)(1) of this Section.

(3) The Designated Approved Collector shall provide a copy of the change-of-scope notification that the Local Government provided CalRecycle, pursuant to subsection (h)(1) of this Section, to another approved collector or approved recycler at the time the Designated Approved Collector transfers CEW to another approved collector or approved recycler.
