

“Plastic Pollution Prevention and Packaging Producer Responsibility Act”
Advisory Board
Advisory Board Membership Solicitation and Instructions

Purpose

The Plastic Pollution Prevention and Packaging Producer Responsibility Act (The Act, SB 54, Allen, Chapter 75, Statutes of 2022, Public Resources Code (PRC) Section 42070) requires the Director of the Department of Resources Recycling and Recovery (CalRecycle) to appoint a producer responsibility Advisory Board for the purpose of identifying barriers and solutions to creating a circular economy and advising the department, producers, and producer responsibility organizations on the implementation of this new law. The inaugural members of this Advisory Board were appointed by July 1, 2023, to serve terms that would conclude on a staggered basis. Eight Advisory Board position terms will conclude on June 30, 2026, and are now open to new appointments. Existing Board members may seek reappointment but must reapply.

This document describes:

- The duties of the Advisory Board and which specific Board member categories are open for new appointments.
- How interested parties may apply, or statewide organizations may nominate people to CalRecycle for appointments to the Advisory Board.
- A general timeline for the appointment process.

Applications and nominations are due on or before April 2, 2026, at 5:00 PM PDT.

Composition of the Advisory Board

Per PRC section 42070(a), the Advisory Board is composed of 13 voting and 3 nonvoting members belonging to specific categories. The following seven categories are open for new appointments following the conclusion of their current terms on June 30, 2026.

Voting Members:

- (1) One representative nominated by a statewide city association
