

Mailing Statement for 45-Day Notice

State of California
Department of Resources Recycling and Recovery (CalRecycle)
1001 I Street
Sacramento, CA 95814

Title 14, California Code of Regulations
Illegal Disposal Permanent Regulations

The Department of Resources Recycling and Recovery has complied with the provisions of section 1 CCR 86, by electronically delivering the notice of proposed regulatory action to the Department of Resources Recycling and Recovery's list of interested persons, as it is permitted by Government Code section 11346.4(a)(1)-(4). The notice was delivered by means of electronic communication on July 18, 2025, over 45 days prior to the close of the public comment period, which was on September 9, 2025.
