Introduction

The Department of Resources Recycling and Recovery (CalRecycle) administers the Local Enforcement Agency Grant Program. These Procedures and Requirements describe project and reporting requirements, report due dates, report contents, grant payment conditions, eligible and ineligible project costs, project completion and closeout procedures, and records and audit requirements. In this document, "Grantee" means the recipient of funds pursuant to this Agreement.

In a Regional Grant, the term "grantee" used throughout this document refers to the Lead Participant (Lead). The Lead is designated to act on behalf of all Non-Lead Participant(s). The Lead manages the grant, is responsible for the performance of the grant and all required documentation and administers the grant funds to its Non-Lead Participants on its behalf.

This document is attached to, and incorporated by reference, into the Grant Agreement.

Milestones

July 1, 2026: Grant Term and Grant Performance Period Begins

June 30, 2027: Grant Performance Period Ends

July 1, 2027-October 29, 2027: Report Preparation Period

October 29, 2027: Final Report and Final Payment Request Due

Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and Grants Management System. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes or becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the Grant

Grantees must [log in to GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After logging in, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab:** Shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab:** Grantee requests reimbursement.
- **Reports tab:** Grantee uploads required reports.
- **Interest:** Shows earned interest on an advance payment.

- **Documents tab:** Grantee uploads all other grant documents that are not supporting documents to a payment request or a report. This section also provides access to documents uploaded within other sections of GMS.

To work in the system, follow the instructions in GMS. The following sections describe the reports, transactions, and supporting documents CalRecycle requires.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the “Allow Access” check box marked. A contact may be listed but not granted access by not checking the box. If a contact is given access to a grant, they can edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

Before Commencing Work

Before commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Before authorizing a contractor or subcontractor to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor or subcontractor, signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor or subcontractor. The grantee must submit this form for each contractor and subcontractor working under the grant.

If a contractor or subcontractor is placed on the [CalRecycle Unreliable Contractor List](https://www.calrecycle.ca.gov/Funding/Unreliability/) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate the contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from CalRecycle's [Application and Grant Management Tools webpage](https://calrecycle.ca.gov/funding/tools/) (<https://calrecycle.ca.gov/funding/tools/>).

The grantee must upload a scanned copy of each signed Reliable Contractor Declaration form in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. In the Document Type drop-down box, select **Reliable Contractor Declaration**, enter a document title, click the **Browse** button to search for and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

Grant Term, Grant Performance Period, and Report Preparation Period

The Grant Term begins on July 1, 2026 and ends on October 29, 2027. The grantee must make all grant-eligible program expenditures and incur all grant-eligible costs within this period. Expenditures made or costs incurred before July 1, 2026 or after the end date are not eligible for reimbursement. Most costs are further limited during the Report Preparation Period (below).

The Grant Performance Period begins on July 1, 2026 and ends on June 30, 2027.

The Report Preparation Period is from July 1, 2027 to October 29, 2027. Costs incurred during this period may only be related to preparing reports and cannot be utilized for other grant activities.

The Final Report and final Payment Request are due on October 29, 2027.

Eligible Costs

Grantees may incur eligible costs only during the Grant Term, which starts July 1, 2026 and ends October 29, 2027. Please note that eligible expenses between July 1, 2027 and October 29, 2027 are limited to costs for preparation and submittal of the Final Report and Final Payment Request. All services must be provided, and goods received at the project site provided in the application during this period. - **Personnel** (staff expenses related to conducting inspections such as salaries, benefits, physicals, and vaccinations).
- **Training** (expenses related to the training of LEA staff such as training materials, publications, periodicals, memberships, CalRecycle trainings, solid waste management conferences, and related costs).

- The names and classification(s) of the employee(s)
- The hourly wage
- Fringe benefits rate
- The number of hours worked on grant-related activities

These records must be available upon request for audit purposes.

Travel and per diem reimbursement is limited to a maximum of the state rate as described in the [Travel Reimbursements section](http://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx) (<http://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx>) of the California Department of Human Resources.

Ineligible Costs

Any costs not specifically included in the approved Budget and not directly related to the Local Enforcement Agency Grant Program and the approved grant project are ineligible for reimbursement. The grantee should contact the Grant Manager if clarification is needed. Ineligible costs include, but are not limited to:

- Costs incurred before July 1, 2026 or after June 30, 2027, (except for costs incurred during the Report Preparation Period, July 1, 2027-October 29, 2027, to prepare the Final Report and Final Payment Request).

- Any pre-paid expenditures for future goods or services delivered after the end of the Grant Performance Period. (Exemption: The Grant Manager may consider approving products purchased in full before the end of the Grant Performance Period but delivered after the Grant Performance Period if the delay is caused solely by the supplier and through no fault of the grantee. The grantee must

request an exemption in writing and receive written approval from the Grant Manager.)

- Cleanup of illegal dumping.
- Costs currently covered or incurred under another CalRecycle loan, grant, grant cycle, or contract.
- Landfill operations.
- Out-of-state travel.
- Overhead and indirect costs.

- Purchasing or leasing of vehicles.

The grant manager may disallow any costs deemed unreasonable or unrelated to the purpose of the grant.

Modifications

The grantee must submit any proposed revision(s) to the Work Plan and/or Budget in writing to the Grant Manager. The grantee may not incur costs or make expenditures based on the revision without first receiving the Grant Manager's written approval. Proposed revisions must be clearly marked on the Work Plan and/or Budget and must be accompanied by a summary of proposed changes or modifications, including justification for the proposed changes. If approved, the Grant Manager will upload the final revised Work Plan and/or Budget to GMS and notify the grantee. The grantee may submit proposed revisions in conjunction with a Progress Report, but they cannot be submitted as part of the Progress Report. The grantee should retain the approval document(s) for audit purposes. See the "Audit Record/Access" section of the Terms and Conditions (Exhibit A).

Prior to Advance Reconciliation or Requesting Reimbursement

The grantee must notify the Grant Manager of all budget changes, regardless of dollar amount, no later than October 29, 2027. Budget changes must be provided using the Budget Modification Template and emailed to the Grant Manager. The Budget Modification Template is located in the Summary tab under Resource Documents in the Grant Management section of GMS.

Acknowledgements

The grantee shall acknowledge CalRecycle's support each time a project funded, in whole or in part, by this Agreement is publicized in any medium, including news media, social media, brochures, or other types of promotional materials. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis. Contact your Grant Manager for the CalRecycle logo.

Reporting Requirements

The Grant Agreement requires a Final Report, as listed in the Milestones section; however, the Grant Manager may require Progress Reports at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the

due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

The grantee must upload all reports to GMS. For further instructions regarding GMS, including login directions, see the “Grants Management System” section (above).

To upload a report:

1. Go to the **Reports** tab.
2. Click on the appropriate Report Type.

 - The maximum allowable file size for each document is 35MB.
5. Click the **Submit Report** button to complete your report submittal. The **Submit Report** button will not be enabled until all required reporting documents are uploaded.

Grant Managers will only approve reports with current information that include all required sections and documents. Grant Managers will only process Payment Requests after report approval.

Failure to comply with the specified reporting requirements may be considered a breach of the Grant Agreement and may result in the termination of the Grant Agreement, rejection of the Payment Request, and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. The grantee must report any problems or delays immediately to the Grant Manager.

Electronic Signatures

CalRecycle requires a certified e-Signature on documents or forms that certify legally binding information.

Note: E-signatures must include the Signature Authority's first and last name, be in the Adobe Digital ID format (or through another certified digital signature program), and cannot be completed using Adobe's “Fill and Sign” function. Any document using the “Fill and Sign” method is considered incomplete and may be returned to the grantee.
