

May 22, 2026

To: Private and Public Operators of Curbside Programs, Drop-off / Collection Programs, Community Service Programs, Reverse Vending Machines, and Recycling Centers

Subject: 2028 Rate Determination Survey Methodology Workshop

The Department of Resources Recycling & Recovery (CalRecycle) will present the 2028 Rate Determination Survey Methodology Workshop Monday, June 8, 2026. The Workshop will be accessible via Zoom and in person. Details are provided below.

Pursuant to Public Resources Code Section 14549.5, CalRecycle will, through the Workshop, consult with private and public operators of curbside, drop-off / collection, community service, recycling center, and reverse vending machine programs regarding the size of the statewide sample, appropriate sampling methodologies, and alternatives to exclusive reliance on a statewide commingled rate.

In addition, at this year’s Workshop, CalRecycle will provide an overview of the current Commingled & Segregated Rates Survey Study being performed by the University of California, Davis.

The 2028 Rate Determination Survey Methodology Workshop will be:
