

Mailing Statement for 45-Day Notice

**State of California
Department of Resources Recycling and Recovery (CalRecycle)
1001 I Street
Sacramento, CA 95814**

Title 14, California Code of Regulations
SB 1013 Addition of New Beverage Containers Permanent Regulations

The Department of Resources Recycling and Recovery has complied with the provisions of section 1 CCR 86, by electronically delivering the notice of proposed regulatory action to the Department of Resources Recycling and Recovery's list of interested persons and posting the notice on the Department's website, as it is permitted by Government Code section 11346.4(a)(1)-(4) and (6). The notice was delivered by means of electronic communication and posted on the Department's website on August 15, 2025, over 45 days prior to the public hearing and the close of the public comment period, which was on September 30, 2025.
