## NOTICE OF PUBLIC WORKSHOP

### Overview

The Department of Resources Recycling and Recovery (CalRecycle) will be holding an informational session designed to provide dealers with a comprehensive understanding of the dealer cooperatives model under SB 1013 (Atkins, Ch. 610, Statutes of 2022). Participants will receive a detailed overview of the law's provisions pertaining to dealer cooperatives and will be given the opportunity to ask questions. Proposed regulatory text pertaining to the dealer cooperatives will be released for public review later in August, and discussed at a public workshop on August 31, 2023.

### Request for Public Feedback

At the public workshop, CalRecycle will be presenting an overview of the implementation of SB 1013 and dealer cooperatives. There will be opportunities for the public to provide verbal feedback during the workshop. CalRecycle requests feedback to be focused on the specific topics being discussed. At CalRecycle's discretion, comments may be limited to keep the workshop aligned with the scope of the subject matter and to ensure efficiency.

### How to Participate in the Workshop

CalRecycle will hold the hybrid public workshop starting at 10:00 AM on August 10, 2023, to solicit stakeholder feedback on this matter. The public workshop will be a hybrid in-person and virtual workshop, accessible in person in the Byron Sher Auditorium, 2<sup>nd</sup> Floor, 1001 I Street, Sacramento, CA 95914. The Byron Sher Auditorium is wheelchair accessible.

The public workshop will also be accessible virtually via Zoom for direct participation and via Webcast for observation only. Instructions for how to access the Zoom meeting (registration required) or Webcast (no registration required) are included below.
