### 3. Overview of **SB 1013** and **SB 353** Changes

## **SB 1013** Approved by Governor Newsom on September 27, 2022

This legislative bill:

- **Effective January 1, 2024 - Brought wine and distilled spirits into the California Beverage Container Recycling Program (BCRP)**
- **Added Wine and Distilled Spirit *Coolers* with any percent ABV**
- **Added new container materials and corresponding CRV rate**
- **Outlines when all new beverages must have a CRV message**

## **SB 353** Approved by Governor Newsom on October 13, 2023

This legislative bill:

- **Brought in all fruit & vegetable juice regardless of size – January 1, 2024**
- **Exempts Tasting Room Bottles from CRV**
- **Exempts specific beverage containers from CRV labeling - indefinitely**
- **Changed the definition of Beverage Manufacturer**

**Effective January 1, 2024**

**The CA Beverage Container Recycling & Litter Reduction Act includes:**

- New Beverages **SB 1013**:
  - Wine, including sparkling or carbonated
  - Wine from which alcohol has been removed in whole or in part
  - Distilled Spirits
  - Wine Coolers/Distilled Spirit Coolers with any percentage of alcohol by volume (RTD Mixed Cocktails)
- New Beverages **SB 353**:
  - 100% Fruit Juice 46 oz or more
  - 100% Vegetable Juice above 16oz

PRC14504(a)

PRC14528.5

**Effective January 1, 2024**

## **SB 1013** - The Act now includes:

### New Containers:

- Includes Wine or Distilled Spirits packaged in box, bladder, pouch, or similar container - PRC14504(a)(12)
- 25 cent CRV deposit - regardless of size – PRC14560(c)

## SB 353 Beverage Manufacturer Definition Change

PRC 14506(a) Except as provided in subdivision (b), “beverage manufacturer” means any person who bottles, cans, or otherwise fills beverage containers, or imports filled beverage containers, for sale to distributors, dealers or consumers.

(b) For a beverage container containing beer, wine, or distilled spirits, the “beverage manufacturer” is the person who holds the license from the Department of Alcoholic Beverage Control authorizing the manufacture of the beer, wine, or distilled spirits, regardless of whether that person contracts with a third party to bottle, can, or otherwise fill the beverage container, so long as the beverage container is provided for sale to a distributor, dealer, or consumer by the holder of the license.

PRC 14575(g)(2)(A) Notwithstanding Section 14506, with respect to the payment of processing fees for beer and other malt beverages manufactured outside the state, the beverage manufacturer shall be deemed to be the person or entity named on the **certificate of compliance** issued pursuant to Section 23671 of the Business and Professions Code. With respect to the payment of processing fees for beverages manufactured outside the state and sold directly to consumers within the state with a **direct shipper permit**, the beverage manufacturer shall be deemed to be the person or entity named on the direct shipper permit issued pursuant to Section 23661.3 of the Business and Professions Code...

## SB 353- CRV Tasting Room Exemption

**CRV Not Required  
On Bottles Opened and Poured For Tastings**

PRC14560(a)(3)(B)

# CRV Labeling and SB 353 Exemptions

## **SB 1013**

Required all wine and distilled spirits, offered for sale, to be labeled with a CRV message by 7/1/2025

## **SB 353**

Created Limited Exemptions to the SB 1013 Labeling Requirement

***PRC14561(f)(1)(A)-(B)-(C)***

## SB 353 CRV Labeling – For All New Beverage Categories

*PRC14561(f)(1) Notwithstanding any other requirement of this section, all of the following shall apply:*

*(A) A beverage container that is included within the scope of this division beginning on January 1, 2024, but that was not subject to this division before that date, shall be exempt from the labeling requirements of this section until July 1, 2025.*

### What does this mean?

- A CRV labeling message is optional, but **not** required January 1, 2024 through June 30, 2025 - Transition Period
- Except for the exclusions outlined in section (B) and (C), **Most** wine and distilled spirits containers will need to have a CRV label by 7/1/2025

## SB 353 CRV Labeling Exemptions- Wine and Distilled Spirits

*PRC14561(f)(1)(B) A beverage container that is included within the scope of this division beginning on January 1, 2024, but that was not subject to this division before that date, and that was **filled and labeled before January 1, 2024**, shall be exempt from the labeling requirements of this section.*

### What does this mean?

- Wine and Distilled Spirits bottled prior to January 1, 2024 do not require a CRV label - Ever.
- Library Wines, old stock- Do not require a CRV message added

## SB 353 CRV Labeling Exemptions- Large Fruit and Vegetable Juice

*PRC14561(f)(1)(C) A beverage container containing a beverage described in paragraph (7) or (9) of subdivision (a) of Section 14504 that is included within the scope of this division beginning on January 1, 2024, but that was not subject to this division before that date, and that was **filled and labeled before July 1, 2024**, shall be exempt from the labeling requirements of this section.*

### What does this mean?

- Large format Fruit and Vegetable juice bottled prior to July 1, 2024 do not require a CRV message - Ever.
- Previously bottled stock- Doesn't need the CRV message added

## **SB 353** CRV Labeling Requirement Changes Summary

- **CRV labeling is not required for older stock:**
  - Wine/Distilled Spirits bottled prior to 1/1/2024
  - Large Fruit/Vegetable Juice bottled prior to 7/1/2024
- **Remember, product that don't qualify for a labeling exemption **MUST** have a CRV message on or after 7/1/2025.**
- **Suggestions for Labeling Best Practices -**
  - Wine and Distilled Spirits: Add CRV message to products bottled in 2024
  - Large Fruit/Vegetable Juice: Add a CRV message to product bottled during the second half of 2024

## Registration Process

To determine if your company is a beverage manufacturer and/or beverage distributor, as defined above, you may:

- [Complete the registration form online or](#)
- [Download and complete the pdf version](#) of the form and submit via fax or mail as noted on the top of the form.

After your registration form is received, a Recycling Specialist will be in contact with you. If your company is determined to be a beverage manufacturer and/or distributor, you will receive reporting identification number(s) and can begin reporting and paying processing fees and/or CRV.

If you have any questions regarding registration, please contact the Registration Unit via phone at (916) 323-1835 or via email at [reg.crvlabeling@calrecycle.ca.gov](mailto:reg.crvlabeling@calrecycle.ca.gov).

- Registration Form will be reviewed. Staff will ask additional questions for clarification
- If you meet one or both definitions, you will be assigned account numbers & account representative
- The Registration Unit will continue to assist with CRV Labeling questions
- Account File moved to Participant Management Unit

- As of January 1, we have registered 3,139 Beverage Manufacturers and 3,078 of Distributors and currently have 2,300 in the queue.
- Processing Fee and CRV payments are required for California Sales beginning January 1, 2024.
- If you have not yet submitted a registration or your registration is still in the queue, we recommend you collect and set aside CRV for retroactive payment.
- **A delay in your completed registration or processing of your portal login will not result in a penalty while we finish the queue.**

## 6. Labeling Requirements

## CRV Labeling

- All beverage manufacturers, including wine and spirit manufacturers, must meet the labeling requirements of PRC 14561 and CCR 2200
- Wine and distilled spirit manufacturers:
  - Not required to submit labels for approval
  - May request assistance and/or label review to ensure compliance

**If you are in doubt or just want verification that your labels comply, we encourage you to request assistance.**

**We are here to help!**

## PDF or JPG digital images can be emailed

- The best images are the die line artwork/proof sheets in 300 ppi resolution that specifies the exact height/width dimensions.
- Non die line images: include exact height/width dimension of the label.
- Plastic containers: include additional picture of the resin code triangle.
- Aluminum cans: include additional picture of the can lid, & lid diameter.

## CRV Labeling & QR Codes

- SB 1013 allows QR codes to be used to meet the CRV Labeling requirements either in place of or adjacent to the CRV message on the label.
- If using the QR code before the regulations are in place, the QR Code must be **clearly, prominently and indelibly** marked and permanently affixed to the container.
- When an individual opens the QR Code, it must immediately take the consumer to one of the 5 approved messages without having to scroll:
  - \*California Redemption Value
  - \*California Cash Refund
  - \*CA CRV
  - \*CA Redemption Value
  - \*CA Cash Refund

## CRV Labeling & QR Code Proposed Regulations

- CalRecycle will be promulgating regulations for QR codes in 2024.
  - Please join our “CalRecycle Proposed Regulations” Listserv for more information: <https://www2.calrecycle.ca.gov/listservs/>
- QR codes will be required to have a chasing arrows symbol in the indicia or must have “CA CRV” on the label adjacent to the QR code.

Other proposals:

  - Will be allowed for aluminum, glass or bimetal beverage containers (as long as they have a 50% recycling rate as found in the most recent biannual report: [January to June 2023 Biannual Report](#)).
  - Plastic containers must be compliant with post consumer minimum content requirements to use the QR code.
  - Include location for the QR code by container type.
