Dear Mr. Marlette:

On May 21, 2024, the Department of Resources Recycling and Recovery (CalRecycle), as the solid waste Enforcement Agency for Stanislaus County, issued the enclosed New Solid Waste Facilities Permit (SWFP) for Divert Integrated Food Recovery Facility, Turlock, SWIS No. 50-AA-0058. A copy of the SWFP shall be maintained onsite.

The issuance of the SWFP does not relieve the operator from its responsibilities to obtain all other federal, state, and local approvals.

Thank you for your assistance throughout the permitting process. If you have any questions, please contact Joy Bowers at (916) 341-6772 or joy.bowers@calrecycle.ca.gov.
