Purpose: The online meeting is being held to provide information about a revised SWFP for B. Goodrow Inc. as requested by B. Goodrow Inc. The public will be offered the opportunity to comment and to ask the EA questions about the application package that was accepted for filing on August 15, 2024. If you would like to comment on this project, you may do so during the meeting, however, it is

recommended that you send written comments to the EA contact as provided above. All questions and/or comments will be included with the permit application package for consideration.

Project Description: The proposed project consists of an existing Composting Facility on 8.03 acres located at 3730 Calf Canyon Road, Creston, CA, 93432. The facility proposes to increase the waste received from 200 tons per day to 300 tons per day and increase the site capacity from 50,000 cubic yards to 50,000 tons (approximately 100,000 cubic yards). The facility will continue to be open from 8:00 am to 4:00 pm, Monday through Saturday.

EA's Determination: On August 15, 2024, the EA accepted the application for a revised SWFP by B. Goodrow Inc. The EA's preliminary determination is that the proposed changes are considered significant changes and requires a revised SWFP, pursuant to Title 27 Section 21665.

Additional Information: A copy of the application and supporting documentation are available online on the CalRecycle Solid Waste Information System (SWIS) at the following link: <https://www2.calrecycle.ca.gov/SolidWaste/Site/Search>. Please contact the EA, as provided above, for assistance.

Appeals Process: For information on the appeals process pursuant to Public Resources Code, Section 44307 after the decision to issue or deny the revised SWFP, you may contact the EA as provided above.

The virtual meeting will be held via Zoom and teleconference. You can download the free Zoom application on your smartphone by going to the Apple Store or Google Play or by visiting Zoom.us on your computer. For a live email link to the meeting, please email the EA as provided above and a link will be sent to you. If you do not have access to the internet, you may call into the meeting at the number provided above.
