Subject: Responses to Request for Additional Information Necessary Regarding Circular CRV Association's Stewardship Plan

Dear Karen Kayfetz,

Thank you for the opportunity to provide the Department with additional information concerning Circular CRV Association's Dealer Cooperative Stewardship Plan. Enclosed you will find responses to each of the areas for which the Department is seeking additional information, as well as Attachments that accompany those responses.

Additionally, a revised "Dealer Cooperative Stewardship Plan" dated June 2025 that includes all changes discussed in the attached responses was emailed at the time this letter email to the CalRecycle Dealer Cooperative Group email address.

Please feel free to reach out to me at any time to discuss the contents of this document, and I look forward to working through the Approval process with you and your team.

Thank you in advance for your support and consideration.

Sincerely

Brian Phillips

Brian Phillips
Executive Director
Circular CRV Association

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2370(g): "Redemption contractor" means a person redeeming empty beverage containers pursuant to a stewardship plan on behalf of a dealer cooperative.

Additional Information Necessary

Clarify the meaning of the terms "recycling operator," "recycler operator," "redemption site operator," and "operator," or, if applicable, specify that these parties are a "redemption contractor."

The terms "recycling operator," "recycler operator," "redemption site operator," and "operator," used throughout the Dealer Cooperative Stewardship Plan collectively refer to a "redemption contractor" as defined by 14 CCR section 2370(g).

The Dealer Cooperative Stewardship Plan will be amended to remove these various references in favor of the term 'redemption contractor.'

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2370(h): "Redemption location" or "redemption site" means a place at which beverage containers are redeemed on behalf of a dealer cooperative, including, but not limited to, an innovative method of redemption. A redemption location or redemption site is not required to obtain a certification or registration number from the department in order to operate as part of a stewardship program.

Additional Information Necessary

Clarify the meaning of the terms "redemption solution," "recycling site," and "recycling solution," or, if applicable, specify that these terms mean "redemption location" or "redemption site."

The terms "redemption solution," "recycling site," and "recycling solution," used throughout the Dealer Cooperative Stewardship Plan collectively refer to a "redemption location" or "redemption site" as defined by 14 CCR section 2370(h). The Dealer Cooperative Stewardship Plan will be amended to remove these various references in favor of the terms "redemption location" or "redemption site" where appropriate, or removed altogether.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.2(d): Verification of current exemption from taxation under section 501(c)(3) of the federal Internal Revenue Code of 1986.

Additional Information Necessary

Provide the Internal Revenue Service's determination letter verifying Circular CRV Association's current tax-exempt status or provide documentation that corroborates when Circular CRV Association submitted its Form 1023 to the Internal Revenue Service.

Circular CRV Association filed its Form 1023 with the Internal Revenue Service on October 11, 2024. As of June 6, 2025, Circular CRV Association's Form 1023 has not yet been reviewed or approved by the Internal Revenue Service. Attached to this letter, please find "Attachment A" that includes payment confirmation details, including the date, time, tracking numbers, and amount paid at the time of filing of Form 1023. The Dealer Cooperative Stewardship Plan will be amended to include "Attachment A" in Exhibit A. Once the Determination Letter is received, the Dealer Cooperative Stewardship Plan will be amended to include just the Determination Letter.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.2(f): A list of all dealer members in the dealer cooperative, including each dealer's registration number issues pursuant to section 2371.

Additional Information Necessary

Provide the dealer registration numbers for the following four dealer members:

- (1) Surf Supermarket located at 39250 CA 1 in Gualala,
- (2) Ralphs Grocery Co. located at 12842 Ventura Blvd. in Studio City,
- (3) Grocery Outlet located at 1833 Broadway in Redwood City, and
- (4) Trader Joe's located at 14119 Riverside Drive in Sherman Oaks.

Correct the dealer registration numbers for the following seven dealer members:

- (1) Ralph's Grocery Co. located at 1233 N. La Brea in West Hollywood should be DR101509.001,
- (2) Trader Joe's located at 2300 Wilshire Blvd. #101 in Santa Monica should be DR299978.001,
- (3) Trader Joe's located at 11755 W. Olympic Blvd. in Los Angeles should be DR139018.001,
- (4) Trader Joe's located at 475 W. Foothill Blvd. in Claremont should be DR114592.001,
- (5) Trader Joe's located at 17640 Burbank Blvd. in Encino should be DR107680.001,
- (6) Trader Joe's located at 10850 National Blvd. in Los Angeles should be DR89071.001, and
- (7) Trader Joe's located at 363 Carmen Drive in Camarillo should be DR107678.001.

The Registration number for Surf Supermarket located at 39250 CA 1 in Gualala is DR88237.001.

The Registration number for the Ralphs Grocery located at 12842 Ventura Blvd in Studio City is DR116309.001.

The Registration number for the Grocery Outlet located at 1833 Broadway in Redwood City is DR93907.001.

The Registration number for the Trader Joe's located at 14119 Riverside Drive in Sherman Oaks is DR85933.001.

A revised, full copy of "Appendix C" as presented in the Dealer Cooperative Stewardship Plan is attached to this letter as "Attachment B." The missing dealer registration numbers have been included and the seven corrections to the dealer registration numbers requested have been made. Additionally, "Appendix C" and "Appendix G" have been updated in the Dealer Cooperative Stewardship Plan.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.2(g): A list of unserved convenience zones in which the dealer cooperative will provide redemption.

Additional Information Necessary

Provide the zone status of each dealer member's convenience zone.

The status of each dealer member's convenience zone has been added to the revised, full copy of "Appendix C" as presented in the Dealer Cooperative Stewardship Plan and is attached to this letter as "Attachment B."

Circular CRV Association submitted its Dealer Cooperative Stewardship Plan on April 28, 2025. Since that date, the convenience zone status of some of its members have changed or have been noted as incorrect. These changes and corrections are reflected in the revised "Attachment B." The following nine (9) stores have been noted as "Served" and will be removed from the Dealer Cooperative:

- *Ralphs Grocery (DR116362.001) located at 23716 El Toro Rd. in Lake Forest*
- *Ralphs Grocery (DR87303.001) located at 5225 Canyon Crest Dr in Riverside*
- *Ralphs Grocery (DR91258.001) located at 6155 Magnolia Ave in Riverside*
- *Costco (DR107698.001) located at 2400 Monument Blvd in Concord*
- *Whole Foods Market (DR301879.001) located at 10081 Adams Ave in Huntington Beach*
- *Costco (DR91159.001) located at 2100 Dr. MLK Jr. Pkwy in Chico*
- *Whole Foods (DR360960.001) located at 12905 Riverside Dr in Sherman Oaks*
- *Whole Foods (DR365090.001) located at 3377 La Cienega Blvd in Los Angeles*
- *Whole Foods (DR362304.001) located at 5110 Telegraph Ave in Oakland*

A revised, full copy of "Appendix C" as presented in the Dealer Cooperative Stewardship Plan is attached to this letter as "Attachment B," and "Exhibits C and G" of the Dealer Cooperative Stewardship Plan will be amended. Finally, references to the number of Dealer Cooperative members will be corrected to 234, Section 16 of the Dealer Cooperative Stewardship Plan will be amended to reflect a baseline number of containers to redeem of 1,423,065,611, and redemption capacity calculations in Section 16 will be corrected.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.2(j): A timeline for the stewardship plan becoming fully operational once the stewardship plan is approved by the department.

Additional Information Necessary

Clarify the events or milestones that will occur for the stewardship plan to become fully operational, and conditions under which Circular CRV Association will notify CalRecycle that full operational status has been achieved.

Section 10 of Circular CRV Association's Dealer Cooperative Stewardship Plan will be amended to read as follows:

Circular CRV Association estimates the development, placement, and operation of a fully deployed and self-sustaining network of redemption locations consistent with the definition of "fully operational" in 14 CCR Section 2370(e) – specifically, "all elements specified in [the] stewardship plan" – will be eighteen (18) months from the time the Dealer Cooperative Stewardship Plan is approved.

The Dealer Cooperative anticipates using a phased approach to become "fully operational." In the first phase, the Dealer Cooperative estimates that mobile recycling redemption solutions will be deployed in most unserved convenience zones relatively quickly: within 60 days of Stewardship Plan approval. In unserved convenience zones where mobile recycling is not possible, the Dealer Cooperative anticipates it will deploy traditional recycling kiosks, which it anticipates will take an additional 30 days to deploy. Taken together, the Dealer Cooperative anticipates being able to provide redemption opportunities in unserved convenience zones where its Dealer Members operate within 90 days of Plan approval.

Between 0 – 90 days following Plan approval, Circular CRV Association will provide monthly updates to CalRecycle that will include the following information by each unserved convenience zone:

- ***Dealer Name, Dealer Registration Number, and Address, and***
- ***Name of the certified redemption contractor under contract with Circular CRV Association and confirmation the contractor is operating within the convenience zone of the Dealer member in alignment with service and performance standards as outlined in the stewardship plan, and***
- ***Regularly scheduled services are in place, days and hours of operation posted on the Dealer Cooperative's website, and confirmation that redemption services have begun.***

The Dealer Cooperative anticipates it will be able to commence quarterly reporting responsibilities to the Department at the conclusion of the first phase of its rollout.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

During the second stage of its rollout, the Circular CRV Association anticipates establishing long-term, sustainable, and innovative CRV redemption methods such as bag drop, RVMs, and depots (that include innovative redemption methods) as part of its network. The Dealer Cooperative anticipates participating in the Redemption Innovation Grant Program administered by CalRecycle to acquire these assets. Table 16.8 of the Dealer Cooperative Stewardship Plan summarizes the number of each innovative redemption method the Dealer Cooperative anticipates deploying with the assistance of the Redemption Innovation Grant funds. The Dealer Cooperative will notify the Department following several milestones during the grant application process, including:

- At the time of receipt of Notice(s) to Proceed related to Circular CRV Association's Redemption Innovation Grant applications (or Notice(s) of Denial of Application); and***
- At the time of deployment and subsequent operation of each innovative method at each location.***

The Dealer Cooperative anticipates the addition of assets acquired through the Redemption Innovation Grant program to the existing network of mobile redemption sites and kiosks will render Circular CRV Association's Stewardship Plan "fully operational" as defined by 14 CCR Section 2370(e) at no more than eighteen (18) months following Plan approval.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.4(a): Each method of redemption offered by the dealer cooperative.

Additional Information Necessary

Clarify or correct the citation to 14 CCR Section 2375.4(e) in the context of the establishment of daily redemption limits for single-feed reverse vending machines.

Section 11 – B1 of Circular CRV Association's Dealer Cooperative Stewardship Plan titled "Operations and Awareness" incorrectly references 14 CCR Section 2375.4(e) when discussing redemption limits per customer, per day. The corrected reference is 14 CCR Section 2375.4(f)(6).

Section 11 – B2 of Circular CRV Association's Dealer Cooperative Stewardship Plan titled "Accepted Materials, Daily Limits, and Redemption Payments" incorrectly references 14 CCR Section 2375(e) when discussing the establishment of load limits on RVMs. The corrected reference is 14 CCR 2375.4(f)(6).

The Dealer Cooperative Stewardship Plan will be amended to correct these references.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.4(b)(2)(B)(ii): Redemption site contact telephone numbers.

Additional Information Necessary

Confirm that Circular CRV Association's internet website will include contact telephone numbers for redemption sites.

The first paragraph of Section 12 – D of Circular CRV Association's Dealer Cooperative Stewardship Plan titled "Website and Redemption Site Locator" will be amended to read:

*The Dealer Cooperative's website at <http://www.circularcrv.com> will serve as a central resource for public access to all key aspects of the CRV redemption program. Designed with user convenience in mind, the site will provide contact information, such as phone numbers and e-mail addresses to contact Dealer Cooperative staff and recycling operators. An interactive map of CRV redemption opportunities and a filtered search directory to help the public quickly locate redemption sites in the Dealer Cooperative network will also be developed. Users will be able to find additional details on accepted materials, days and hours of operation, **telephone numbers for redemption sites (or telephone numbers for Dealer Cooperative customer service representatives)** and site-specific information.*

Mobile redemption solutions are not typically equipped with phone lines. In all cases, Dealer Cooperative customer service representatives will be able to answer any questions on behalf of its redemption operators. Where direct phone lines exist, the Dealer Cooperative will include on its website a telephone number for redemption sites. If one is not available, the website will list the telephone number that will connect the consumer directly with a Dealer Cooperative customer service representative.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.4(f)(3): How the dealer cooperative will provide "consumer convenience that is comparable to the requirements of section 14571 and section 14571.9 of the Act" as defined in section 2370.

14 CCR section 2375.4(f)(4): Not all redemption locations are required to redeem all beverage container material types; however, at least one redemption location in each unserved convenience zone covered by the stewardship plan shall redeem all beverage container material types with immediate payment of the refund value a minimum of 10 hours per week, with no less than five of those hours on a Saturday or Sunday between the hours of 9 a.m. and 5 p.m.

14 CCR section 2375.4(f)(6): The stewardship plan may establish a redemption limit per customer per day per redemption method; however, at least one redemption location in each unserved convenience zone covered by the stewardship plan shall redeem all beverage container material types with immediate payment of the refund value up to the daily load limits established in section 2535(f) a minimum of 10 hours per week, with no less than five of those hours on a Saturday or Sunday between the hours of 9 a.m. and 5 p.m.

Additional Information Necessary

Commit to providing consumer convenience in each unserved convenience zone in which Circular CRV Association's dealer members operate by ensuring redemption opportunities meet or exceed the operating hour requirements of 14 CCR section 2370(a)(1) or (2).

Clarify that Circular CRV Association will offer redemption access to consumers for a minimum of five hours per week during periods other than Monday to Friday, from 9 a.m. to 5 p.m., in addition to the minimum requirement of operating at least eight hours per week during a Saturday or Sunday.

Confirm the Circular CRV Association will provide at least one redemption location in each unserved zone that provides immediate payment of the refund value for a minimum on 10 hours per week, including at least five hours on a Saturday or Sunday between 9 a.m. and 5 p.m. and accepting loads up to the daily redemption limits set forth in 14 CCR section 2535(f).

Circular CRV Association commits to providing consumer convenience in each unserved convenience zone in which Circular CRV Association's dealer members operate by ensuring redemption opportunities meet or exceed the operating hour requirements of 14 CCR section 2370(a)(1) or (2) in Section 16.B.8 of the Dealer Cooperative Stewardship Plan. This section will be reassigned to Section 16 – C and be amended to read:

The Dealer Cooperative is committed to ensuring consumer convenience comparable to the requirements of PRC section 14571 and section 14571.9 of the

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

California Beverage Container Recycling and Litter Reduction Act, as defined in 14 CCR section 2370(a)(1) or (2) when fully operational, consistent with the definition of "fully operational" in 14 CCR Section 2370(e). This commitment includes providing either of the following in each unserved convenience zone:

- ***Operating for a minimum of 30 hours per week, including at least five (5) hours outside traditional business hours (Monday to Friday 9 a.m. to 5 p.m. or,***
- ***Provide services that include all of the following:***
 - ***At least eight (8) hours per week on one business day (Monday to Friday) and***
 - ***At least five (5) hours per week during periods other than from Monday to Friday from 9 a.m. to 5 p.m. and***
 - ***At least eight (8) hours per week during a Saturday or Sunday.***

This commitment also includes providing at least one redemption location in each unserved convenience zone that provides immediate payment of the refund value for a minimum of ten (10) hours per week, including at least five (5) hours on a Saturday or Sunday between 9 a.m. and 5 p.m. and accepting loads up to the daily redemption limits set forth in 14 CCE section 2535(f).

During the first 12 months following approval of its Stewardship Plan, the Dealer Cooperative will rely heavily on mobile recycling units to provide redemption opportunities in unserved convenience zones where its Dealer members operate. These mobile units will operate for at least eight (8) hours per day, including Saturdays and/or Sundays, will operate on a scheduled, consistent route, and will be hosted on Dealer Member premises that can accommodate them. Where a Dealer Member cannot host a mobile solution, the Dealer Cooperative will assess the feasibility of establishing a mobile solution within a one-mile to one-and-a-half-mile radius of the Dealer Member. The Dealer Cooperative does not anticipate the frequent use of the one-and-a-half-mile radius alternative. These solutions will include one of the following:

- ***Mobile recycling units operating equivalently to those operating at on-site Dealer member operations, or***
- ***Kiosks operating 30 or more hours per week.***

In addition to these mobile and kiosk solutions, the Dealer Cooperative will further improve convenience following the first 12 months of operations through the procurement and implementation of:

- ***Single-feed and bulk-feed reverse vending machines that provide automated and immediate redemption services for consumers to maximize convenience and accessibility, and***
- ***Bag drop systems, which allow consumers to redeem all CRV-eligible materials. While unattended bag drops do not provide immediate payment, the***

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Dealer Cooperative will comply with the three (3) day consumer refund window, and

- *Recycling depots, strategically placed to provide comprehensive coverage and serve as consumer-friendly, sustainable redemption hubs*

The Dealer Cooperative will ensure transparency by clearly communicating redemption site locations and operating hours through:

- *Education and outreach campaign and materials*
- *Online resources, website, and directory accessible to all consumers*

By aligning operations with the standards set forth in 14 CCR § 2370(a), the Dealer Cooperative will ensure compliance with the Beverage Container Recycling and Litter Reduction Act, while delivering accessible, convenient, and sustainable recycling solutions for California.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.6(a): The geographic spread of redemption sites and an explanation for the geographic spread. This shall include the number of redemption sites in each unserved convenience zone in which any of the dealer members operate per person.

Additional Information Necessary

Clarify that all redemption sites will be located within unserved convenience zones in which dealer members operate.

Additionally, clarify how, for each unserved zone in which Circular CRV Association will operate, the geographic spread performance standard will be calculated and reported.

The first paragraph of section 17 of Circular CRV Association's Dealer Cooperative Stewardship Plan titled "Geographic Spread of Redemption Sites" will be amended to read:

*The Dealer Cooperative's approach to its geographic distribution of redemption sites is driven by its commitment to equitable access and consumer convenience in unserved convenience zones **where Dealers that elect to join the Dealer Cooperative operate.** Guided by 14 CCR § 2375.6(a), this Dealer-focused and data-driven placement strategy ensures that **easily accessible redemption sites are conveniently placed in unserved convenience zones in which Dealer Members operate.***

The second to last paragraph of section 17 of Circular CRV Association's Dealer Cooperative Stewardship Plan will be amended to read:

The Dealer Cooperative will calculate the geographic spread performance standard by adding the number of Dealer Members that host a redemption site to the number of Dealer Members not hosting a redemption site, but located within the convenience zone of a Dealer Member that does host a redemption site, and comparing this aggregate to the total number of Dealer Member participants. The Dealer Cooperative has a goal of 97% coverage at all times for its geographic spread performance standard.

For each unserved convenience zone in which the Dealer Cooperative will operate, Circular CRV Association will submit a quarterly report that includes the following:

- The result of the geographic spread performance standard expressed as a percentage.*
- A list of any Dealer Cooperative Member locations that do not host a redemption site and do not have a redemption site in the convenience zone in which they operate. The Dealer Cooperative only anticipates this to occur in rare instances, and then, only for a short period of time.*

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

- ***A list of all Dealer Cooperative Members hosting redemption sites; and for each:***
 - ***The type of redemption method(s) used at each redemption site;***
 - ***The number of redemption method(s) at each redemption site; and***
 - ***The number of redemption sites in the unserved convenience zone where the Dealer Member operates.***
- ***A list of all Dealer Cooperative Members not hosting redemption sites; and for each:***
 - ***The number of redemption sites in the unserved convenience zone where the Dealer member operates; and***
 - ***The distance from the Dealer Member to the nearest redemption site within the unserved convenience zone where the Dealer Member operates.***

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.6(b): The beverage container redemption capacity per quarter for each unserved convenience zone in which any of the dealer members operate. The overall beverage container volume capacity of the dealer cooperative shall, at a minimum, be sufficient to redeem an amount of beverage containers equal to 100 percent of the beverage containers sold by dealer members into unserved convenience zones in which any of the dealer members operate pursuant to section 2375.4(f)(2). The redemption capacity specified in the stewardship plan may incorporate redemption limits established pursuant to section 2375.4(f)(6).

Additional Information Necessary

Describe how Circular CRV Association will measure and report achievement of its redemption capacity performance standard per quarter for each unserved convenience zone in which its dealer members operate.

The third paragraph of Section 18-A of Circular CRV Association's Dealer Cooperative Stewardship Plan will be amended to read as follows:

*To measure network performance to the 98% operable time benchmark and thereby ensure a 100% redemption capacity for each unserved convenience zone, the Dealer Cooperative will **measure the redemption capacity performance standard for each unserved convenience zone in which its dealer members operate by assessing and reporting quarterly to the Department the following information:***

- ***Measurement of Redemption Site Capacity:***
 - ***The type and quantity of redemption method(s) deployed at each Dealer Member location;***
 - ***The redemption capacity by quarter of each of the redemption method(s) deployed at each Dealer Member location, as submitted in Section 16 of the Dealer Cooperative Stewardship Plan;***
 - ***Calculating the total capacity for all redemption methods at a redemption site by aggregating each machine's quarterly capacity, presented as a number.***
- ***The total number of CRV units sold by each Dealer Member each quarter, presented as a number.***
- ***Compare the quarterly redemption capacity by location to the quarterly number of CRV units sold by location, presented as a percentage.***
- ***Aggregate both the quarterly redemption capacity at all locations and the total number of CRV units sold by all locations, presented as a percentage.***

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2375.8(a): An itemized list of anticipated costs associated with the administration and implementation of the stewardship plan. The list shall include the monetary amount and purpose on which the funds will be spent. The list shall include, at a minimum, anticipated costs for the categories listed in section 2381(c)(6) for the first four quarters the dealer cooperative will operate.

Additional Information Necessary

Confirm the accuracy of the 2026 year-to-date total anticipated costs for professional services or provide the accurate amount. Provide a more detailed description of the types of expenses that will be tracked in each category.

Circular CRV Association's Budget Estimate for Fiscal Year 2025 – 2026, included in its Dealer Cooperative Stewardship Plan as Exhibit H, contains a mathematical error in the "Q2 '26 YTD" column for 'Professional services." The correct number should be 426 (as opposed to 408). This error will be corrected in the Dealer Cooperative Stewardship Plan.

For further clarity on the various categories presented in the Dealer Cooperative Stewardship Plan:

- **Administrative Costs** includes: Dealer Cooperative employee salaries, associated taxes and employee health and welfare benefits, company travel expense, and insurance coverage (Officers and Directors, Worker's Compensation, etc).
- **Professional Services** includes: services agreements with third party entities to provide various administrative, technical, and field support, legal services, lobbying services, and various consulting fees related to operations, which includes grant writing and submission.
- **Education and Outreach** includes: costs associated with required signage at redemption sites, direct mailings, social media outreach expense, and other methods to communicate to consumers about the availability of redemption methods at Dealer Cooperative Member sites.
- **Technology and Equipment** includes: hardware and software expense for administrative operations, and costs associated with the development, acquisition, and ongoing maintenance of transaction and recordkeeping software capable of fulfilling all reporting requirements as well as capabilities to act as a unified, digital wallet for consumers when engaging with services provided by Circular CRV Association.
- **Partnerships** includes: membership expense for various business and other industry trade associations and groups.
- **Operational costs** includes: repayment of loans made to commence Cooperative operations (loans fully repaid in Q1 – 2025), and all other minor expenses that do not fall into any of the aforementioned categories.

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

The Dealer Cooperative Stewardship Plan will be amended to include this additional information in the footnotes included in "Exhibit H."

Response to Request for Additional Information Regarding Circular CRV Association's Dealer Cooperative Stewardship Plan

Requirement

14 CCR Section 2375.8(b): A recommended funding level necessary to cover the stewardship plan budgeted costs and to operate the stewardship program in a prudent and responsible manner. This shall include the target amount for the dealer cooperative's monetary reserves, and the operative deficit amounts that the target reserves will be able to cover, and a description of how surplus funds and operating deficits that exceed those amounts will be addressed by the dealer cooperative during the operation of the stewardship plan.

Additional Information Necessary

Describe how Circular CRV Association will address operating deficits that require additional revenue in excess of the identified \$500,000 reserve amount during the operation of the stewardship plan.

Section 22 of the Dealer Cooperative's Stewardship Plan titled "Funding Level and Reserves" details the measures the Board of Directors would take in the event no Dealer renewed membership for 2026 (a very unlikely event), which would place the Dealer Cooperative in a structural financial deficit. These measures would include "budget adjustments, cost reductions, or additional funding mechanisms." The same holds true for structural deficits caused by any reason.

The fourth paragraph of Circular CRV Association's Dealer Cooperative Stewardship Plan will be amended to read as follows:

*In such a scenario, the Dealer Cooperative would take immediate measures to reduce operating expenses beginning January 1, 2026, and adjust operations to mitigate the deficit without affecting services offered to the consumer. **Structural deficits caused by this or any other reason will be addressed through several means, including the assessment of supplemental membership fees to participating Dealers at a level that will cover the full amount of the deficit, budget adjustments, cost reductions, or additional funding mechanisms approved by the Dealer Cooperative's Board of Directors, ensuring the program remains sustainable and effective for its members and the consumer.** The Dealer Cooperative does not anticipate such an outcome, as enhanced regulatory enforcement is expected to drive additional Dealers Members to join the Dealer Cooperative.*

**Response to Request for Additional Information Regarding Circular CRV Association's
Dealer Cooperative Stewardship Plan**

Requirement

14 CCR Section 2380(f)(1): A dealer cooperative shall provide immediate access to the department to any original record required by the Act or this chapter. Immediate access may include physical inspection of the record at any redemption site or location identified in the approved stewardship plan.

Additional Information Necessary

Commit to provide immediate access to the department to original records of each beverage container redemption transaction at redemption sites or identify an alternative location(s) where immediate access to original records will be provided.

The fourth paragraph of Section 24 of Circular CRV Association's Dealer Cooperative Stewardship Plan titled "Location of Records" will be amended to read:

*Pursuant to 14 CCR § 2380(f)(1), the Dealer Cooperative will ensure CalRecycle will have immediate access to CRV transaction records stored by recycling operator partners on its behalf. For onsite audits performed by CalRecycle, recycling operator partners will ensure original records are available at redemption sites for immediate review upon request. **Additionally**, records of any CRV redemption transactions will be made immediately available, upon request from CalRecycle, at the following locations:*

- 1. Circular CRV Association
1005 12th Street Lower 2
Sacramento, CA 95814*
- 2. Circular CRV Association
1020 N Lake Street
Burbank, CA 91502*

The Dealer Cooperative will ensure all beverage container redemption records will be retained by the Dealer Cooperative's recycling operator partners for a minimum period of five (5) years as required under 14 CCR § 2085(b).
