If you are receiving this, you have been identified as subject to California’s mandatory recycling laws.

**Mandatory Recycling and Organics Recycling (MCR, MORe, and SB 1383)**

- Businesses, including public entities, are required to label, recycle, and periodically inspect containers for contamination.*
- Businesses are required to educate employees on proper recycling.

**AB 827: Educating and Involving Customers to Achieve California’s Recycling Goals**

- MCR- and MORe-covered businesses must provide recycling and organics containers at front-of-house to collect waste generated by customers from products they purchase and consume on the premises. These containers must be placed adjacent to trash containers.

**AB 827 Requirements**

- AB 827 requires collection containers at front-of-house to be visible, easily accessible, and clearly marked.
- This law targets businesses that sell products meant for immediate consumption.
- Full-service restaurants do not have to provide properly labeled containers for patrons but must provide properly labeled containers next to trash containers for employees to separate post-consumer recyclables and organics for customers.
- Please contact your city/county or hauler for more information or signage, or contact CalRecycle at (916) 341-6199.
