Grants matching your search for 2017-18 Tire Incentive Program (TIP5)

Los Angeles County

Grantee:Herbert Malarkey Roofing Company

Amount Awarded: \$500,000.00

Grantee Contact: Eileen Dutton

Grantee Contact Phone Number: 5032407850

CalRecycle Grant Manager: Nicholas Amante

Project Summary: Program will work on feedstock conversion of finished goods. We manufacture polymer modified and oxidized products. Our goal is to change our product line to a generation of polymer modified asphalt with crumb replacing part of the polymer in some cases. In other cases, we will be replacing oxidized asphalt with a crumb rubber polymer modified asphalt.

Grantee:Deccofelt Corporation

Amount Awarded: \$220,000.00

Grantee Contact: Jerry Heinrich

Grantee Contact Phone Number: 6269638511

CalRecycle Grant Manager: Nicholas Amante

Project Summary: The company is developing water proofing building products that contain ground tire rubber as a water proofing component replacing less environmentally friendly virgin raw materials.

Total Awarded for County: \$720,000.00

Orange County

Grantee:TrafFix Devices, Inc.

Amount Awarded: \$499,632.00

Grantee Contact: Bob Wielenga

Grantee Contact Phone Number: 9493619860

CalRecycle Grant Manager: Nicholas Amante

Project Summary: The products included in this Grant submission are primarily recycled crumb rubber traffic control delineator tube bases and a relatively new product the crumb rubber Weed Mat to control weeds under guardrail and around guardrail posts. The Incentive Category we are using is the California Tire Incentive Program. The estimated annual amount of recycled crumb rubber the Adelanto plant uses is approximately 8,000,000 lbs. of this amount this Tire Incentive Application represents 2,498,158 lbs. of recycled California tire crumb.

Total Awarded for County: \$499,632.00

Sacramento County

Grantee:Shaw Sports Turf California Inc.

Amount Awarded: \$498,940.00

Grantee Contact: Jennifer Sicairos

Grantee Contact Phone Number: 7068793605

CalRecycle Grant Manager: Nicholas Amante

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: Shaw Sports Turf California, Inc., (Berkshire Hathaway parent company) Tire Incentive Program (TIP5) applicant, agrees to use the tire derived crumb rubber material feedstock from approximately 20 existing turf fields in California to produce and use an end-of-life engineered "Recycled Crumb Rubber Intermixed Base Layer". It is understood that the recycled crumb rubber infill is not an alternative form of disposal, but an engineered application and approved as part of the Feedstock Conversion Technical Assistance and Material Testing Services (DRR14019) contract awarded to DKE Enterprises (dba DK Enterprises) as eligible for the TIP.

Total Awarded for County: \$498,940.00

San Bernardino County

Grantee:U.S. Rubber Recycling, Inc.

Amount Awarded: \$500,000.00

Grantee Contact: Stephanie Slater

Grantee Contact Phone Number: 9098251200

CalRecycle Grant Manager: Nicholas Amante

Project Summary: CalRecycle has edited the following summary to reflect the approved grant project: U.S. Rubber competes with large vertically integrated corporations that, due to their integration, enjoy lower raw material costs to produce their products. While investing in a strategy to become more sustainable and vertically integrated ourselves, we plan to utilize the Grant monies to lower our rubber costs, thereby allowing us to remain price competitive with domestic and Chinese products in our markets.

Total Awarded for County: \$500,000.00

San Joaquin County

Grantee:Jessop Holding Co., LLC

Amount Awarded: \$70,000.00

Grantee Contact: Mr. Loren Jessop

Grantee Contact Phone Number: 2095419658
